THE UNIVERSITY OF ALABAMA IN HUNTSVILLE

Mission Statement

The University of Alabama in Huntsville is a campus of The University of Alabama System. It is a teaching and research institution dedicated to excellence in the promotion of the intellectual, technological, and economic enhancement of the region, state, and nation. The University offers a wide range of academic and professional majors at the bachelor's and master's levels and a specialized selection of doctoral level programs.

The University is committed to developing a faculty of the highest quality, and to providing an environment which facilitates its continued intellectual and professional growth. The University Faculty is, in turn, committed to stimulating the intellectual development of its students.

The institution recognizes its responsibility to prepare its students to take leadership roles, think creatively and critically, and communicate clearly; to respect knowledge and the pursuit of truth; and to engage in the challenge and pleasure of a lifetime of learning. Because of its location in a technologically orientated major population center, UAH offers educational opportunities for traditional students and those individuals who are beyond the traditional college age.

UAH recognizes its responsibilities to the Huntsville community and the surrounding region, one of the nation's key centers for governmental and industrial advanced technological research. In meeting those responsibilities the institution provides unusual opportunities for new and creative programs, especially in science, engineering, primary care medicine, and related areas. One of the distinguishing characteristics of UAH is its sustained core of basic and interdisciplinary research, augmented by its research centers which focus on areas of national high priority. Both the research activities and classroom experiences at UAH are supported by contemporary computer technology.

Through the excellence of its academic programs, faculty research and student support activities, UAH provides unique opportunities for the personal and professional development of each student. UAH, through its graduates and its programs, aspires to contribute to economic advancement, cultural enrichment, and quality of life.

STUDENT ADVISING AND CAREER SERVICES
Students may receive academic advising in the Academic Advisement and Information Center; in advising offices in the Colleges of Administrative Science, Nursing, and Engineering; or in the department or program in which a major has been declared. Special advising is provided in the Academic Advisement Center for the pre-professional area medicine, and for student athletes. Freshmen and undeclared majors are advised in the Academic Advisement and Information Center or, in the case of engineering and nursing freshmen, in the advising offices of the Colleges of Engineering and Nursing. When students declare a major, they are assigned a faculty advisor in their major department or program. All students are encouraged to maintain contact with their advisors and to take advantage of the opportunities for academic advising which the University provides.

All freshmen students except those enrolled in the Colleges of Engineering and Nursing are required to visit the Advisement Center at least once each term to review their academic progress and to plan their schedule of courses for the next term. These schedules must be signed by an advisor in the Advisement Center in order to be processed by the Office of Admissions and Records. Undergraduates enrolled as special students must also have schedules validated each term in the Academic Advisement Center as long as they remain in the special student category. Sophomore students outside of the three professional Colleges (Administrative Science, Engineering, and Nursing) who have not declared a major will be advised in the Advisement Center and will continue to have their registration cards signed by advisors in the Advisement Center.

The Academic Advisement Center is staffed with faculty who are familiar with academic programs and procedures of the University. Questions about courses, programs, schedules, degree requirements, academic appeals, declaration of majors, changing Colleges and withdrawals can be answered or referred to other university offices. Faculty in the Academic Advisement and
Information Center are aware of problems encountered by new students, whether freshmen or transfers. Their experience and advice can help students adjust to the UAH environment. Faculty advisors in the Academic Advisement and Information Center can also lend assistance in course selection and curriculum planning. A conference with one of them might center on any of the following:

- **Pre-professional Planning**: Pre-medical advisors are available in the Advisement Center.
- **Academic Decision Making**: Advisors can help you understand why you are here, where you are going, and how to get there. They can give you accurate and clear information on which to base academic decisions.
- **Curriculum Evaluation**: Advisors can suggest how degree requirements in one field may be applied to another.
- **Curriculum Direction**: Advisors can outline what courses and programs are needed to fulfill a professional or vocational goal, or suggest possible directions based on completed course work.
- **Indecision Resolution**: Advisors may help plan course selections in general education requirements which may apply to several possible majors. Careful course planning allows open options and more time to decide on a career goal.

### 3.2 FINANCIAL AID

**LOCATION:** Room 124  
**HOURS:** 8:15am - 5pm  
University Center  
Monday through Friday  
**PHONE:** 895-6241

The fundamental purpose of the Financial Aid Program at The University of Alabama in Huntsville is to make it possible for students to attend who would normally be deprived of a college education because of inadequate funds. Based on the belief that higher education should not be a privilege reserved only for those who can afford it, and that educational opportunities should not be limited by the financial resources of the student and the student’s family, and considering the fact that total resources available for financial assistance to students at The University of Alabama in Huntsville are limited, we have adopted these principles for our Financial Aid Program:

1. The primary purpose of our Financial Aid Program is to provide financial assistance to students who, without such aid, would be unable to attend The University of Alabama in Huntsville.
2. Financial assistance consists of scholarships, grants, loans and employment, which may be offered to students in various combinations or on a separate basis.
3. The family of a student is expected to make a maximum effort to assist the student with college expenses. Financial assistance from the University is viewed only as supplementary to the efforts of the student and the family.
4. In selecting students to receive financial assistance, the University shall place primary emphasis upon need, character, future promise, and academic achievement.
5. A student who seeks financial aid shall provide a reasonable part of the total amount required to meet college costs.
6. The total amount of financial assistance offered a student by the University shall not exceed the financial need; and
7. All other statements of purpose and policy may be found in the UAH Financial Aid Office publication: Student Financial Aid.

All students who apply for financial aid at The University of Alabama in Huntsville must meet certain eligibility requirements. These requirements are that a student must:
1. be enrolled or accepted for enrollment as a regular degree-seeking student;
2. have U.S. citizenship or permanent residence;
3. maintain satisfactory academic progress;
4. be enrolled at least half-time;
5. not be in default on loan or owe a repayment to a grant at The University of Alabama in Huntsville or other institution;
6. file a Statement of Educational Purpose; and
7. register with the Selective Service, if required.

Exceptions to the above requirements are not made. Each student who receives financial aid at The University of Alabama in Huntsville must meet all of the above eligibility requirements.

UAH offers a variety of financial aid from the following types of programs:

1. **Grant** - Pell Grant, Supplemental Educational Opportunity Grant, and State Grant. Funds awarded to a student from these programs are not repayable. All Pell Grant students as a condition of the grant must certify that they will not engage in the unlawful manufacture, distribution, dispensation, possession or use of controlled substances during the period of the grant.

2. **Loan** - Perkins Loan, Stafford Loan, Plus Loan, and Supplemental Loans. Loan funds awarded to a student from these programs are repayable.

3. **Scholarships (Academic and Co-Curricular)** - Institutional scholarships and private scholarships from entities off campus. Scholarships awarded to a student by UAH or an organization off campus are normally not repayable. Each scholarship will have differing qualifications.

3.3.3 POLICY ON ACQUIRED IMMUNE DEFICIENCY SYNDROME

I. Introduction

Acquired Immune Deficiency Syndrome (AIDS) represents a serious public health concern, and, for that reason, it is appropriate that The University of Alabama in Huntsville develop guidelines for the education and protection of both individuals and the university community at large.

This policy is intended to address the management of AIDS issues related to students, faculty or staff at the University. Hereafter, AIDS, ARC (AIDS-Related Complex), or positive HIV antibody test will be referred to by the term "HIV".

These policies are based on the most current available medical information. This information includes the fact that: 1) there is no evidence that AIDS is spread by ordinary interpersonal contact; 2) the causative virus, HIV, is fragile and will not survive on environmental surfaces, in the air, on personal articles, or on eating utensils; 3) the transmission of HIV requires the exchange of body fluids, such as occurs in intimate sexual relationships, or from exposure to blood or blood products from an infected person.

It is clear that much is yet to be learned about this disease. The likelihood that more knowledge about HIV will be acquired over time means that these policies should be reviewed regularly for consistency with current knowledge.

II. General Policies

A. This policy applies to all students, faculty and staff of The University of Alabama in Huntsville.

B. An individualized approach will be utilized to consider each situation as it arises in order to provide the maximum support to infected individuals and protection for the welfare of the community.
C. Actions taken by the University will comply with the applicable laws relating to public health practices and rights of individuals to privacy and confidentiality.

D. The procedures regarding illness and disability, as found in the faculty, staff, and student handbooks, will be followed.

E. The University shall conduct an ongoing educational program designed to provide students, faculty, and staff with basic information about AIDS. The programming will be specific and utilize the most current scientific and medical information available. The educational programs will address both information about contagion and prevention measures.

F. Responsibility for implementation of this policy rests with the chair of the AIDS Management Team (AMT).

III. Specific Policies

A. Consideration of the existence of HIV will not be part of the initial decision for admission to the University or employment with the University.

B. University officials will not undertake programs of screening newly admitted or current students for antibodies to HIV, neither will mandatory screening of employees be implemented. The University will not attempt to identify those in the high-risk groups so as to undertake screening of those individuals.

C. Infected persons shall not be excluded from enrollment or employment or restricted in their access to University facilities or services unless a medically based judgment in an individual case establishes that exclusion or restriction is necessary to the welfare of the infected individual or the welfare of other members of the University community.

D. Any person who has HIV has an obligation to advise a member of the AMT.

1. The reporting of this information will be handled in a strictly confidential manner, subject to legal requirements and policies in effect in the University. The University is obligated by law to disclose to public health officials information about all confirmed cases of AIDS, ARC or positive HIV antibody. Persons with HIV will be treated in a sensitive, private manner. Information about individuals infected with HIV will be disclosed only to persons on a "need to know" basis.

2. Persons who know, or have reasonable basis for believing, that they are infected with the AIDS virus are expected to seek expert advice about their health circumstances and are obligated, ethically and legally, to conduct themselves responsibly in accordance with such
knowledge for the protection of other members of the University community.

E. Any person who has reasonable evidence to believe that someone has HIV has an obligation to advise a member of the AMT. The reporting of this information will be handled in a strictly confidential manner.

F. No institutional officer will be asked, as a requirement of his or her position, to compromise the confidentiality of information about students or employees with AIDS, ARC or positive HIV antibody test.

G. UAH Medical Clinic staff will be familiar with sources of testing for antibodies to HIV, and will respond to students or employees requesting such testing. Health care providers will understand the capabilities and limitations of the test and will be able to counsel those desiring to be tested or to refer them to counseling sources elsewhere.

H. Decisions about students with HIV who desire to live in University-owned housing will be made on an individual basis.

1. A student shall not be denied the opportunity to live in University-owned housing solely on the basis of a diagnosis of infection.

2. Changes in room assignment or removal from housing will be made on an individual basis when it is determined that:

   a. the student has communicable opportunistic infections, or is showing other symptoms of illness and requires care which cannot reasonably be provided in the University housing setting;

   b. the student is demonstrating symptoms, needs or behavior which are inappropriate in the University housing setting and cannot reasonably be accommodated; or

   c. the student presents a risk to self or other residents.

I. The University shall widely publicize and carefully observe safety guidelines (such as "universal precautions") established by the U.S. Public Health Service for the handling of blood and other body fluids and secretions, in all health care facilities maintained by the University and in other institutional contexts in which such fluids or secretions may be encountered (e.g., teaching and laboratory facilities).

J. All students, faculty and staff must use appropriate barrier precautions to prevent skin and mucous-membrane contact with blood and other body fluids of any person. Recommendations by the Centers for Disease Control (CDC) concerning "universal precautions" must be utilized by all students, faculty and staff in the university and clinical settings.
AIDS Management Team

A. The AIDS Management Team shall report to the President of The University of Alabama in Huntsville.

B. The AIDS Management Team shall have the following functions and responsibilities:
   1. Be informed about developments concerning HIV and the medical, biological, legal, fiscal, public relations, and ethical aspects of the disease as such aspects relate to the University and the campus community.
   2. Advise and make recommendations to the University, as appropriate, concerning educational programs and prevention measures about AIDS which may be undertaken for the benefit of the campus community.
   3. In order to balance the needs of HIV-infected individuals and the needs of the community, the AMT shall:
      a. receive information about individuals within the University community who are, or are suspected of being, infected with the HIV virus;
      b. assure that a known or suspected HIV-infected individual is encouraged to seek appropriate counseling and medical treatment;
      c. advise and make recommendations to the University, as necessary and appropriate, making certain that the legal rights of a known or suspected HIV-infected individual are respected by the University;
      d. advise and make recommendations to the University, where legally permitted, to protect the health of other members of the University community who may be at risk from the HIV-infected individual.

C. The AIDS Management Team shall be composed of the following representatives who will be appointed by the President:
   1. A physician representing the University.
   2. A lawyer for the University.
   3. A representative from the College of Nursing.
   4. An administrator representing the President.
   5. A scientist knowledgeable about HIV.
   6. A physician representing the infected individual, as needed.

D. The Chair of the AMT shall be appointed by the President.
   — The Chair will, in coordination with the Director of University Relations, serve as the University spokes-person to the public in all matters relating to the management of individuals with communicable diseases at the University.

The University will operate its programs and construct its facilities in such a manner as to ensure accessibility for such handicapped students. When the need is made known to the University, appropriate academic adjustments will be made and auxiliary educational aids will be secured as necessary to prevent discrimination against handicapped students. The specific accommodation to be provided and the method by which it will be supplied will be determined on a case-by-case basis.

The Vice President for Student Affairs has been designated by the University as the official responsible for coordinating the institution's implementation of this policy and its compliance with the Rehabilitation Act. Assistance to handicapped students is made available primarily through the Office of Student Development Services.

A student with a complaint relating to the activities of the University under this policy should contact the Counselor for Handicapped students in the Office of Student Development Services. 3.3.7 CAMPUS MINISTRY ASSOCIATION

LOCATION: Campus Ministry Association

TELEPHONE

HOURS:
8:30am - 4:00pm Monday through Friday

PHONE: 880-2074

The Campus Ministry Association, an interfaith cooperative providing various ministries to the UAH community (students, faculty, and staff), offers counseling services free of charge on an as-needed basis. Services normally offered can be categorized as: 1) counseling; 2) crisis intervention; and, 3) premarital and marriage counseling. Services are provided by the Director and by one of the denominational representatives to CMA who have a special interest in pastoral care and counseling. Though the motivations for care giving and counseling are deeply religious, all care is offered in a non-judgmental fashion, appreciative of the diversity of philosophical/religious backgrounds of all persons. Services can be secured by calling the Director at 880-2074. It should be noted that when requests are of a nature beyond the limits of the counselor, referrals are usually made to other University resources or to the Mental Health Center, Family Services Center, the KEY Counseling Center, and particular therapists in the Huntsville community.
The University of Alabama in Huntsville offers a variety of housing facilities to meet the needs of its diverse student population. The UAH apartment-type housing combines the convenience of living at home with accessibility to the entire campus. The apartments are located within walking distance of academic buildings, the library, the gymnasium with its swimming pool, weight room, racquetball courts and tennis courts, and the University Center with its cafeteria, game room and bookstore. The apartments are also convenient to supermarkets, drugstores, movie theaters, restaurants and department stores.

Each apartment has its own entrance and is air-conditioned, carpeted and equipped with a stove and refrigerator. All residents have full use of coin-operated laundry rooms, which are conveniently located within the housing complex. In addition, study lounges and recreation rooms are provided for residents’ educational and social needs.

University Housing is administered by a director of housing. The director is aided by resident assistants who are available to assist residents with maintenance requests or other housing concerns which may arise when the housing office is closed. It is the objective of the entire housing staff to assist students in their adjustment to college life and to be of service to all housing residents.

Access to University Housing is a privilege. The University reserves the discretionary right to evaluate each applicant for the purpose of determining eligibility and suitability for residence in University Housing. Any person, married or single, who has been admitted as a student to UAH is eligible for admission to University Housing. A prospective student need not be accepted for admission prior to applying for assignment in campus housing. A married couple is eligible if either the husband or wife is or will be a UAH student. If admission to the University is denied, the housing application deposit may be refunded.

A full-time student has priority for assignment over a part-time student. Priority for assignment is also based on date of application. The earlier a student submits an application with deposit, the better the chance for the requested assignment. Students may request roommates, or the housing office will attempt, by screening the applications, to assign roommates who have similar interests and characteristics.

Since University Housing space is limited, students interested in living in campus housing should apply at least two academic terms before enrolling at UAH. An application deposit submitted with the completed application form will reserve a place on the waiting list for campus housing. Rental charges are on an academic term basis, with rent due when tuition is due. Housing policies and regulations are included in the Housing Rental Agreement that residents are
required to sign. Housing application forms and additional information may be obtained from the housing office, Apartment 606-A South Loop Road, or by calling 895-6108. Individual and group tours of the apartments may be arranged by appointment through the housing office.

The purpose of the Library Committee is to review, assess, and make recommendations on matters of general library policy, procedures, and organization; the development of library resources and services; and means to best integrate the library program with the instructional, research, and other service activities of the University.

Publications Board
The purpose of the Publications Board is to recommend editorial and business policies concerning all student publications. The Board reviews and recommends to the Student Affairs Advisory Board the budgets of all student publications, establishes business practices and guidelines to be followed by the editors and business managers of all student publications, and appoints the editors of student publications.

University Center Advisory Board
The University Center Advisory Board is not a university committee but has been created to advise the center director on the operational policies and procedures for the building, the development and establishment of programs and services, and in the general operation of the facility. The board is composed of five student members and five members from the faculty, staff and alumni. The board determines business practices and guidelines to be followed by the editors and business managers of all student publications. It also appoints the editors of student publications.

University Commencement Committee
The purpose of this committee is to review, assess, and recommend policies and procedures related to the commencement exercises.

4.4.1 FILLING VACANCIES IN STUDENT POSITIONS ON UNIVERSITY COMMITTEES

I. Policy
It is the policy of the University to fill vacant student positions on University committees in an appropriate and timely manner.

II. Procedures
A. Positions representing individual schools and regularly filled by student elections. If a student position representing an individual school on a committee becomes vacant between regular elections, the following procedures will be implemented:
   1. The chair of the committee will notify the vice president for student affairs who will notify the chair of the Elections Board of the vacancy.
   2. The chair of the Elections Board will advertise the
vacant position in the student newspaper and urge students to apply.

3. In addition to (A-2.) above, the Elections Board chair will ask the appropriate dean to submit the names of at least three students to be considered for the vacancy.

4. The applications generated through advertising and contact with the dean will be given to the president of the Student Government Association.

5. From the applications submitted, the Student Government Association president shall select an individual to fill the vacant position until the next election.

B. Positions elected at large.

1. If a student seat elected at-large for a committee becomes vacant between regular elections, the following procedures will be implemented:

   a. The chair of the committee will notify the vice president for student affairs who will notify the chair of the Elections Board of the vacancy.
   b. The chair of the Elections Board will advertise the vacant position in the student newspaper and urge students to apply.
   c. In addition to (B-2.) above, the Elections Board chair will seek nominations from appropriate academic departments.
   d. For at-large positions to committees where the Student Government Association president is not a member, the SGA president will review all applications and select one student to fill the position.
   e. For at-large positions to committees where the Student Government Association president is a member, the Student Government Association legislature will review all applications and select one student to fill the position.

III. Procedures for emergency situations

If time does not permit for the procedures in II above to be implemented, the following process will take place:

A. Positions representing individual schools and regularly filled by student elections:

   1. After consulting with the appropriate dean, the vice president for student affairs and the president of the SGA will meet and select a person to fill the vacancy until such time as II.A can be implemented.

B. Positions elected at-large:

   1. The vice president for student affairs and the president of SGA will meet and select a person to fill the vacancy until such time as II.B can be implemented.
4.5 STUDENT PUBLICATIONS

The Exponent is the UAH student newspaper. The paper is published weekly except during exams and holidays. The Exponent office is located in Room 104 of the University Center, telephone: 895-6090. The Publications Board, a joint faculty-student, board is responsible for the policies, planning, selection of editors, coordinating and overseeing of the Exponent and the student publications under its jurisdiction.

Shadows is an art and literary magazine. Shadows is the printed campus forum for art and literature which is sponsored by the Publications Board. All UAH students are eligible to submit their work for publication in Shadows. Anyone wishing to submit art or literature for consideration for the next issue, can bring or mail his or her work to the Shadows office located in Room 103 of the University Center.

4.5.1 Publications Board

Statement of Purpose, Operation and Responsibility

Nature and Purpose

The Publications Board is a standing committee of The University of Alabama in Huntsville and is empowered by and responsible to the President of the University through the vice president for student affairs. The Publications Board has jurisdiction over the Exponent, the literary magazine, the yearbook and any other student publications funded by student activity fees. The Board is responsible for the policies, planning, coordinating, and overseeing of the student publications under its supervision.

The Publications Board promotes the highest standards of jurisdiction in the operation of student publications; safeguards their interest, including their financial stability and their editorial independence; and ensures that those publications are responsive to the needs and concerns of the University community.

The Publications Board is also a management board and has the authority to act in this capacity. The board provides student publications with guidelines for financial structure, with long-term planning and with uniform procedures for officer selection.

The Publications Board shall have jurisdiction only over those complaints alleging acts or omissions relating to the student’s official duties in connection with the publication. Other complaints shall be referred to the University Judicial Board or cognizant institutional officials, as appropriate.

The Publications Board recognizes that in the future new student publications needs may appear. The Board encourages the evaluation of media to meet these needs. All proposals for funding from student activity fees, must secure an affirmative recommendation from the Board.
Copies of the complete statement regarding the purpose, operation, and responsibility of the Publications Board are available from the office of the vice president for student affairs.

ACADEMIC POLICIES
Academic Policies

5.1 REGISTRATION

Dates of early and open registration are listed in the UAH calendar. Any continuing, returning or new student eligible to register may take part in early registration. Students who owe past due amounts may register, but the registration will be cancelled if delinquent and current charges are not paid in full by the deadline.

All students in the Colleges of Engineering and Nursing are required to have an advisor's approval of registration requests. Students in the College of Administrative Science who do not have a completed program of study must also obtain an advisor's signature. All students should refer to the timetable of classes for required approvals to process registration requests.

A student who schedules courses during any registration period (early, regular, or late) makes a financial commitment to the university. If courses are dropped or changed, these changes must be submitted in writing to the Office of Student Records (Room 116, University Center Building). Adjustments in fees, if any, will be made by the Bursar's Office.

5.2 CLASS ATTENDANCE

Education at UAH depends upon the cooperation of students and faculty. Students are held responsible for the full work of the courses in which they are registered, including participation in the discussion and work of the class at each class meeting. Faculty may announce policies concerning student attendance at the beginning of each Academic term. A student's final grade in each course is determined on the basis of identified course requirements; therefore, regular class attendance is important.

5.3 DECLARING A MAJOR

Students should declare a major by the end of the freshman year. When the student declares a major, the student will be assigned an advisor by the relevant dean/department chair-person. At that time the complete advising folder will be transferred from the Academic Advisement and Information Center to the relevant dean or department chair-person's office for permanent retention. Sophomores who have not declared a major will continue to have their registration cards signed in the Academic Advisement and Information Center (AAIC). Career counseling assistance is available from the offices of Career Planning and Placement, Equal Opportunity Center or Student Development Services.

A student may elect to complete requirements for more than one major within the same degree program.
5.4 CHANGE OF COLLEGE

Students who are pursuing a program of study in one college or division at UAH and desire to change to a program in another college or division may petition to do so by making application at the Office of Student Records (Room 116, University Center). Academic advisement before changing programs may help students avoid losing credits. Application of previously earned credits toward the new program will be determined after the transfer has been approved.

5.5 CREDIT BY EXAMINATION

Undergraduate students may obtain up to one-fourth of their degree (32 semester hours) by examination. There are three alternatives by which students may gain credit through examination at UAH: the Advanced Placement (AP) Program, the College Level Examination Program (CLEP), and departmental examinations. Credit by examination is not allowed: (1) to receive credit when a student has successfully completed a course at a higher level than the one being challenged, (2) to raise a passing grade, (3) to remove failures received in a course during the period for current enrollment, or (4) to satisfy the residence requirements for graduation.

5.5.1 ADVANCED PLACEMENT PROGRAM

Several UAH departments will award credit to students who have earned a score of 3 or higher on Advanced Placement (AP) Program examinations of the College Entrance Examination Board. The areas in which credit is presently awarded are Biological Sciences, Chemistry, Mathematics, English, French, Computer Science and Spanish. Credit, if awarded, will be recorded without grades or quality points and will not, therefore, be included in calculation of the grade-point average.

5.5.2 COLLEGE LEVEL EXAMINATION PROGRAM

The College Level Examination Program (CLEP) is a national program under which a person can receive credit for college level achievement. Anyone who has practical knowledge in an area through independent study, work experience, cultural exposure, and intensive reading, may substantially reduce the cost in both time and money spent on a college degree by taking one or more of these tests. The policies listed herein are those of UAH. These tests are given monthly but students must be registered for these tests three weeks or longer before the testing date. For a complete listing of dates and deadlines, contact the Office of Testing Services in the University Center Room 203.
5.5.3 GENERAL EXAMINATIONS

The General Examinations are objective tests that measure achievement in five basic areas of the liberal arts: English Composition, Humanities, Mathematics, Natural Sciences, and Social Sciences and History. Credit by General Examination can be given only if examinations were taken before entering college or during first term in college, providing the student has not been enrolled in a comparable course for more than three weeks. The student may be awarded 6 hours elective credit per examination. To achieve credit for any of the general tests, the student must score a minimum of 549. No credit is awarded for scores below 549. Credit is recorded without grades or quality points and is counted as elective credit only.

5.6 EXAMINATIONS

During each term, one or more announced examinations of class period length may be held.

At the end of each term, an examination period is scheduled for each course. Absences from a scheduled final examination without previous arrangement with the course instructor (except in extenuating circumstances) will be classified as unexcused and a failing grade in the course will be assigned.

Any students whose final examination schedule is such that they are scheduled to take three examinations during a single day shall have the right to have the middle examination rescheduled. The date and time of the rescheduled examination shall be by mutual agreement between the student and the affected faculty member and must be agreed upon by the end of the ninth week of classes. It is the student's responsibility to notify the appropriate instructor of this type of conflict, and it is the instructor's responsibility to verify that the conflict actually exists. If a student is scheduled to take four examinations during a single day, then the same procedure shall apply except that the student shall now have the right to have both the second and third examinations rescheduled.

Students have the right to review with faculty members their final examinations. Matters of academic dishonesty during examinations are addressed in the Student Judicial Code (see Chapter 7 of this Handbook).

5.7 STUDENT CLASSIFICATION

Undergraduate students are classified as indicated in the following table when they have completed the number of semester hours shown.

5.8 STUDENT COURSE LOADS

A full-time undergraduate student is one who is enrolled in courses totaling at least 8 semester hours a term. The maximum number of semester hours in which a student will be permitted to enroll in one term is 13 (10 for graduate Students), including simultaneous correspondence courses. Under exceptional circumstances, permission may be granted by the dean of the College in which the student is enrolled to take additional hours (equivalents will be used for noncredit and audit courses). Students enrolling for a minimum load each term should not expect to graduate in four years unless they enroll four terms each year.

Students are responsible for independent study. Careful budgeting of time is necessary if the desired academic goals are to be reached. Accordingly, full-time students are advised to limit their employment. Experience has shown that approximately twenty hours a week constitutes an average work load that will allow needed time for adequate study.

5.9 SCHEDULE CHANGES

After a student has completed registration, all schedule changes must be made on a Schedule Adjustment Form and recorded in the Office of Student Records. (See section on Registration for approval required.)

Credit to Audit
A student is permitted to change a course from credit to audit only during the first two weeks of classes.

Removal of Course from Schedule
1. In the case of a drop before class a Schedule Adjustment Form must be submitted before the first day of the term.
2. Except in the case of (1), removal of a course after the first day of the term is considered a withdrawal (see below). A W will appear on the student’s transcript.

Other Kinds of Changes
The following kinds of changes may be accomplished only during the designated hours of regular and final registration (see UAH calendar).
1. Change from one course to another.
2. Change from one section to another section of the same course.
3. Addition of a course to schedule
4. Change from audit to credit.

Withdrawal
To withdraw from one or more classes, a student must initiate a formal request for withdrawal through the Office of Student Records. Class non-attendance does not constitute withdrawal nor does notification to the instruc-
tor. Unless the withdrawal procedure is followed, a student continues to be enrolled in class, and a failing grade may be assigned.

Regardless of the reasons for withdrawing, students must carry out withdrawal procedures as follows:

1. A Schedule Adjustment Form is to be obtained from the Office of Student Records, 116 University Center.
2. If withdrawing during the first two weeks of the term, the student is to submit the completed withdrawal form to the Office of Student Records. A grade of W will be recorded.
3. If withdrawal occurs during the third through sixth week of the term, the withdrawal form must be signed by the student's academic advisor. (Depending on the student's class rank and program of study, the appropriate advisor is located in the Academic Advisement Center, the advising offices of the Colleges of Administrative Science, Engineering, or Nursing, or within the major department.) A grade of W or WF will be assigned by each instructor, based on the student's performance up to the date of withdrawal. A grade of WF is calculated in the grade-point average in the same manner as an F.
4. Beginning with the seventh week of the term, a student may withdraw ONLY in exceptional circumstances and with the approval of the dean of the college in which the student is enrolled. If the dean signs the withdrawal form, a grade of W or WF will be assigned by the instructor, based on the student's performance to the date of withdrawal.
5. THE EFFECTIVE DATE OF WITHDRAWAL is the date the Schedule Adjustment Form with appropriate signatures is received in the Office of Student Records, which will then notify instructors that the student has withdrawn.
6. Students in the Cooperative Education (Co-op) program must secure the approval of the director of cooperative education prior to withdrawal.
7. Students who receive Financial Aid benefits must secure the approval of director of financial aid prior to withdrawal if their hours drop below half time status.
8. It is the student's responsibility to see that the form is returned to the Office of Student Records with the appropriate signatures.

5.10 GRADES

I-Incomplete

Assigned by the instructor when a student, due to circumstances beyond his or her control, has not satisfied some requirement of the course. The deadline for a student to remedy a grade of I is the last day of class of the next term enrolled, or one calendar year from the date of the grade, whichever occurs
first. If the grade of 1 is on a student's record at the time of graduation, it is treated as an F.

**X-Excused Absence from Examination**

Assigned by the instructor when a student completes all course requirements except the final examination. This grade becomes an F unless the examination is completed by the time of the announced deferred examination date at the beginning of the term of the next regular enrollment of the student. Scheduled deferred examinations time allows for only one examination. If a student received more than one X, he should make arrangements directly with course instructors to make up additional exams.

**W-Withdrawal**

Recorded by the Office of Student Records when a student withdraws from a course with passing work.

**WF-Withdrawal Failing**

Recorded by the Office of Student Records when a student withdraws from a course with failing work.

**Other Grades**

A grade of S (satisfactory) or U (unsatisfactory) is assigned in all noncredit courses and in some specified credit courses.

A grade of P (passing) or F (failing) is assigned in some courses. (See Pass-Fail System.)

**Change of Grade**

Grades submitted to the Office of Student Records can be changed only by submission by the instructor of a Change of Grade form containing a written explanation of the change. The Change of Grade form must be approved by the dean of the College concerned. A student is permitted a maximum of one calendar year from the date a grade is assigned to request a change of course grade.

**Student Grade Report**

At the completion of each term, a report of final grades is mailed to the address furnished by the student.

A statement of a student's satisfactory or unsatisfactory academic performance will be provided, upon request, to an individual or agency sponsoring that student's tuition if the individual or agency submits a statement certifying grade release unless written notification to the contrary is submitted by the student to the Office of Student Records before the final examination period.

**Grade-Point Average**

The grade-point average (GPA also referred to as Quality Point Average)
is computed by dividing the total number of quality points earned by the total number of semester hours attempted. Courses in which a grade of W, P, or S is assigned are not included.

5.11 REPEATING A COURSE

There is no limit on the number of times a student may repeat a course. Each time a course is taken, the hours attempted and the quality points earned will be counted in calculating the student's grade-point average. The credit for any course repeated may be counted only once toward graduation. (with the exception of some music education courses.)

5.12 PASS-FAIL SYSTEM

To be eligible to take courses on a P-F basis, a student must: (1) have junior or senior standing; (2) not be on probation; and (3) have an approved major or program of study plan appropriately filed. A student is limited to 12 semester hours of credit on a P-F basis. The P-F system applies only to courses chosen as electives. Some departments limit P-F option to electives outside the department or college.

A grade of P may be changed to a regular grade only if the student changes his or her program to an area in which a regular grade is required. The change must be initiated at the dean's office and must go through the normal grade change procedures. Once a P grade has been changed to a regular grade, it must remain.

Under the P-F system, a grade of P will not be counted in a student's GPA; a grade of F, however, will be counted in a student's GPA.

A student wishing to exercise a P-F option must make application at the Office of Student Records before the end of the late registration period.

Even though a student chooses to take elective courses on the P-F basis, instructor's grade sheets will reflect the actual letter grade earned and the student may be informed of the regular grade upon request.

5.13 ACADEMIC PROBATION AND SUSPENSION

In order to remain in good academic standing, an undergraduate student must maintain an average of 2.0 (C) on all work attempted at UAH, as well as on all college work attempted.

At any point that a student's cumulative grade-point average, either overall or at UAH, falls below 2.0 (C), the student will be placed on scholastic probation. (See exception applied to freshmen below.)

If a student's grade-point average on one term (minimum load 8 hours, accumulated for part-time students) is below 1.0 (D) with the cumulative GPA greater than 2.0, a warning message will be printed on the student's grade report.
Beginning freshmen will be reviewed for the first time at the end of the term in which they have attempted a total of 8 semester hours of work (accumulated for part-time). At this point, if the student has at least a 1.0 but less than 2.0, he or she is given an academic warning and referred for appropriate advising. If such a student has a GPA of less than 1.0, he or she is placed on scholastic probation.

Once a student is placed on scholastic probation, such a student is reviewed in intervals of a minimum of 8 semester hours of work attempted (accumulated for part-time students). At such review points, three actions are possible:

1. If the cumulative GPA is 2.0 on all work and on UAH work, the student is removed from probation.
2. If the cumulative GPA is less than 2.0 on all work (or on work at UAH) but the block of work being reviewed is 2.0 or higher, the student is continued on probation.
3. If the cumulative GPA is less than 2.0 on all work (or work at UAH) and the block of work being reviewed is less than 2.0, the student is suspended.

A regularly admitted student suspended for the first time is automatically eligible to re-enter the second term following such suspension. A student admitted in any special category and suspended for the first time must petition the Admissions Committee for permission to re-enter after at least one term absent.

A student suspended the second time is disqualified for readmission on an indefinite basis. After a period of one year, such student may petition for readmission.

For the purpose of determining academic status of those students on academic probation, a grade of I or X will be treated as a grade of F. Credit hours attempted will be earned for the I and/or X. The action of academic suspension will be exercised when the results of calculation of grade point average (with the I or X treated as an F) indicates such action to be appropriate (See Academic Probation and Suspension in the undergraduate catalog, or in the graduate catalog). When the I or X is remedied and the grade change reported to the Office of Records, grade point average and subsequent standing will again be determined.

5.14 Degree Requirements

For a listing of total degree requirements consult the UAH Catalog.

5.15 Application for Graduation

Candidates for graduation must file their application at least six months prior to the time requirements are expected to be completed. Applica-
tion forms may be obtained at the Office of Student Records. Early application will assist the student by confirming those requirements remaining to be completed.

Students completing degree requirements in any term other than spring and fall terms will be given certified letters of completion and will receive diplomas at the next Commencement ceremony.

5.16 Transcripts

Official transcripts are issued and sent by the Office of Student Records to recognized institutions and agencies which require such documents. Transcripts are issued only upon the written request of the student involved.

Official transcripts are not issued directly to the individual student. The student may, however, request an unofficial transcript which does not bear the university seal.

No transcript will be issued for a person who has an outstanding unpaid financial obligation to the university.

Request for Transcript Forms are available at the Office of Student Records.

There is no charge for transcript copies.

5.17 Time Limit to Complete Degree Program

Students may complete graduation requirements as specified in the edition of UAH catalog in use for the year they enter UAH, provided they do so within a period of seven years from their original date of entry. If a student does not complete requirements for graduation within this prescribed time, he or she shall be subject to the current catalog and must meet the requirements as specified therein. At any time within the seven year period a student may elect to be governed by new requirements for graduation made during that period.

5.18 Academic Appeals

For the policy on academic appeals, see "Grievance Procedures" located in the Administrative Policy section of this handbook.
Chapter 6

ADMINISTRATIVE POLICIES
6.1 ALCOHOLIC BEVERAGE POLICY

University policy forbids the possession or consumption of alcoholic beverages by a student anywhere on University property, except in the student’s residence in University housing. In addition, any possession or consumption of alcoholic beverages by a student under 21 years of age, the legal age for drinking established by state law, or any other violation of state or local law with respect to drinking is contrary to established University policy. Activity of this kind may subject a student to both criminal prosecution and campus disciplinary action.

A student organization should be aware that it may be held responsible for actions of individuals, including non-members, connected with their consumption of alcoholic beverages made available by the organization at its functions. Careful consideration of this potential liability under the law and under University policy should therefore enter into plans to offer such beverages at an activity.

6.2 NONDISCRIMINATION POLICY

The University of Alabama in Huntsville is committed to making employment opportunities available to qualified applicants and employees without regard to race, color, religion, sex, age, national origin, or handicap. All personnel actions and programs, including recruitment, selection, assignment, classification, promotion, demotion, transfer, layoff and recall, termination, determination of wages, conditions, and benefits of employment, etc., shall be administered in accordance with this equal opportunity policy. It is the intent of the University that, in all aspects of employment, individuals shall be treated without discrimination on any of the foregoing bases, and that employment decision shall instead be premised upon a person’s ability, experience, and other job-related qualifications.

Additionally, the University is an affirmative action employer of women, minorities, qualified handicapped persons, and covered veterans. It is committed to making sustained, diligent efforts to identify and consider such individuals for employment and for opportunities arising during employment.

These commitments are designed to meet nondiscrimination/affirmative action requirements imposed by the following federal and state sources of legal obligation, as amended: Title VI and VII, Civil Rights Act of 1964; Executive Order 11246; Title IX, Education Amendments of 1972; the Rehabilitation Act of 1973; the Equal Pay Act of 1963; the Age Discrimination in Employment Act
of 1967; the Vietnam Era Veterans' Readjustment Assistance Act of 1974; contract and grant agreements with governmental agencies; and the Alabama Constitution of 1901. The University's equal opportunity policies pertaining to its employees and students include specific administrative procedures and implementation measures designed to carry out these pledges and to ensure compliance with the foregoing laws.

Although this handbook intends to reflect any current policies or rules of The Board of Trustees of The University of Alabama referred to or incorporated herein, users are cautioned that changes or additions to such policies or rules may have become effective since the publication of this material. In the event of such a conflict, the current statements of Board policy contained in the official minutes and manual of rules, by-laws, and guidelines shall prevail. The University of Alabama in Huntsville also reserves the right to modify its institutional policies from time to time. Students enrolling in the University are subject to current policies and rules as contained herein and as subsequently stated or modified by official institutional action.

Inquiries or complaints concerning the application to these federal requirements and this policy should be directed to one the following persons:

Faculty EEO Officer  Staff EEO Officer
123 Madison Hall  131 Madison Hall

The University of Alabama in Huntsville
Huntsville, AL 35899 (205-895-6337)

6.3 SEXUAL HARRASSMENT

UAH affirms its desire to create a work environment for all employees and a study environment for all students that is fair, humane, and responsible — an environment which supports and rewards career and educational goals on the basis of such relevant factors as ability and work performance.

Sexual harassment of employees and students which imposes a requirement of sexual cooperation as a condition of employment or academic advancement is inimical to this environment. Equally harmful is sexual harassment in forms falling short of coercive efforts toward sexual relations but which still creates an intimidating, hostile, or offensive working/learning environment or which unreasonably interferes with an individual's performance as an employee or student. Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature may thus all be considered intolerable under this policy and under the law.

Inquiries or complaints concerning the application of this policy should be directed to the Office of the Vice President for Student Affairs.
6.4 CONFIDENTIALITY OF RECORDS

The Family Educational Rights and Privacy Act of 1974 is a federal law which protects the confidentiality of student educational records. To implement this law UAH has formulated and adopted a written institutional policy governing the handling of these records. Copies of this policy document are available to students at the Office of Student Records, (Room 116, University Center Building), and should be referred to for a more comprehensive treatment of this subject than is given in this summary statement.

Under this law and university policy, students have a right of access to their educational records and may inspect and review the information contained in them. The term educational record generally refers to any record maintained by the institution directly pertaining to an individual as a student, other than that made by institutional, supervisory, or administrative personnel remaining in the sole possession of the maker; by campus security; or by a physician, psychiatrist, or any other such professional medical personnel. This right of access does not extend to financial information submitted by the student's parents or to confidential letters and recommendations collected under established policies of confidentiality and placed in his files before January 1, 1975. Furthermore, students may at their discretion waive the right to any confidential letters of recommendation.

If a student believes his or her records contain inaccurate, misleading, or otherwise inappropriate data, he or she may bring the matter to the attention of the records official concerned. If by informal discussion with this official the student does not obtain the corrective action desired, he or she is entitled to a hearing at which he or she may challenge the item found to be objectionable. The decision of the hearing official or panel shall be final. If the decision is adverse to the student, he or she may insert in the educational record an explanatory statement relating to the contested item.

A student's privacy interest in his records is further protected by the rule against unauthorized disclosure. The University may not without the student's consent release educational records or any personally identifiable information contained in them to other individuals or agencies. Disclosure of the following parties, however, is specifically excepted by the Privacy Act from this rule: (a) administrative and academic personnel within the institution who have a legitimate educational interest; (b) officials of institutions in which the student seeks to enroll; (c) persons or organizations to whom the student is applying for financial aid; (d) accrediting agencies; (e) organizations conducting studies relating to tests, student aid programs or instruction; (f) certain federal and state government officials; (g) any person where the disclosure is required for compliance with a judicial order or proper subpoena; (h) appropriate persons where a health or safety emergency affecting the student exists; and (i) parents of a dependent student. As to some of these parties, additional conditions must be met in order for the disclosure to be allowable in the absence of written
consent from the student. Personally identifiable information will be transmitted by the university to a third party only on the condition that the recipient not permit any other party to have access to it without the student's consent.

The university may release directory information to others without the necessity of obtaining permission from the student. Directory information is limited to the student's name, address (local and permanent), telephone number, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height statistics if he or she is an athletic team member, dates of attendance, degrees and awards received, and the previous educational institution most recently attended. If students do not wish this information to be released, they must indicate so on the form provided at the time of registration, and the university will withhold it during that particular term. This request for nondisclosure of directory information must be renewed each term.

The following officials have been designated as record officials for student records within their respective area:

Assistant Vice President for Enrollment Management  
(Admissions and Records)
Director, Academic Advisement and Information Center  
Coordinator of Undergraduate Advisement, Administrative Science
Programs Coordinator, Administrative Science  
Assistant to Dean, Engineering, Lower Division
Appropriate Engineering Department Chairmen, Upper Division and Graduate
Director, Nursing, Undergraduate Program
Director, Nursing, Graduate Program
Director, Nursing, RN Education
Director, Continuing Education
Director, Co-operative Education
Vice President, Student Affairs
Director, Medical Student Affairs
Director, Financial Aid

Students should make requests concerning their educational records to the appropriate official listed above.

Students who believe that their rights under the Privacy Act have been violated by the university may notify and request assistance from the Vice President for Academic Affairs and may file a complaint with the Family Educational Rights and Privacy Act Office, Department of Health, and Human Services Washington, D.C. 20201.
6.5 BILLING AND PAYMENT PROCEDURE

Students participating in early registration will receive in the mail (see mailing date in calendar in timetable of classes) a combined schedule of courses and a tuition bill. Tuition charges should be paid in full by the close of business on the due date indicated on the statement. Students whose payments have not been received by the deadline may have their registration cancelled, and such students will be required to complete a new set of registration materials during final registration hours.

Tuition will be payable at the time of registration for all who register during periods of final registration.

Charges resulting from dropping, adding, or other changes will be due at the time the change is made.

Many students have all or part of their tuition and other costs paid by various sponsoring agencies (including tuition remission for faculty, staff and their dependents). It is the student's responsibility to see that the Bursar's Office receives the approved tuition assistance authorization from the sponsor. In many cases the sponsor does not pay the entire amount. These students should contact the Bursar's Office to determine the unpaid amount and make full payment before the due date to avoid cancellation of their registration.

Fees for courses being audited are the same as those being taken for credit.

Full-time students may include full-term, regular credit courses offered through the Division of Continuing Education under the maximum fee structure of UAH. Standard fees and fee conditions, however, do not apply for short-term, off-campus, or noncredit offerings. For a complete list of fees and charges for credit courses, consult the appropriate "Timetable of Classes".

UAH does not assume the obligation of providing a parking space for all motor vehicles. The parking plan is designed, however, to accommodate most persons desiring to use campus facilities.

6.14 CATALOG POLICY

A free complimentary copy of the current UAH undergraduate or graduate catalog is provided to each student upon admission to the University. Additional copies of the catalog may be purchased at the University Bookstore.

6.15 GRIEVANCE PROCEDURES

Resolution of a student's grievance, unless otherwise specified, shall begin with the university official whose decision is being appealed. If the problem cannot be resolved at this level, the matter may be pursued through the appropriate administrative chain. For academic appeals this chain is the faculty member, the department chairman, the dean of the college (or director of the division) and the Vice President for Academic Affairs, in that order. For non-academic appeals, this chain is the director of the department, and then the appropriate vice president. Appeals are always submitted in written form.

At each level of appeal above the initial level, the student shall provide to the appropriate official a written statement of grievance, setting forth the nature of the grievance, the pertinent facts, and the remedial action desired; any other pertinent materials shall also be presented. The student shall receive a written response from such official within two weeks of the latter's receipt of the grievance statement. The response shall be one of the following:

(a) A decision in favor of the student;
(b) A decision supporting the previous action;
(c) A statement of compromise agreed to in a discussion with the parties involved and signed by them;
(d) A recommendation to the challenged official's immediate supervisor, with a copy to the student; or
(e) An explanation for delaying the decision for an additional two weeks, followed by a response as in a-d above by the end of that period.

If, at any level, a student does not receive a response in the manner stated above, he or she may immediately submit his or her grievance to the official at the next level. The procedure there will be the same as described above. The failure of an official to respond will, therefore, not preclude a student from carrying the grievance to the next level. If, for any reason, a student decides that he or she does not wish a written response, the student shall so indicate in the statement of grievance submitted to the official at that level.

If the student feels that a satisfactory resolution of the grievance has been reached at any level, the process shall be concluded and no further action need be taken by any party. If after exhausting the administrative chain as described above, a student still feels that there is just cause for grievance, the student may seek redress from the President of the University. When the matter
has been presented by written statement to the President for final action, the President, or his designee, shall respond to the student within the time limit specified above.

CODE OF STUDENT CONDUCT

82
The University of Alabama in Huntsville

Code of Student Conduct

To All Students, Faculty and Staff:
By issuance of the Code of Student Conduct, the University of Alabama in Huntsville hereby establishes the standards and disciplinary procedures which shall govern student conduct at this institution. Students and student organizations will be expected to become familiar with this Code and to assure its successful operation by their observance of its provisions and their support of its objectives.

All questions regarding the Code should be directed to the Vice President for Student Affairs.

Article I. Introduction
The University of Alabama in Huntsville is an academic institution with a mission which is, in the broadest sense, educational in character and which is carried out by means of programs and activities devoted to the pursuit of knowledge, the instruction and development of students, and the general betterment of public life in the area it serves. It exists primarily as a community of individuals, including students, faculty, administrators, and staff, who provide, participate in, and/or support these activities and programs. Its campus, facilities, properties, and other resources facilitate the educational mission.

The University has an inherent interest in developing policies to preserve and enhance its ability to function effectively as an academic institution. These policies must uphold the integrity of the educational process and protect persons and property. They necessarily entail recognition of both rights and responsibilities for all members of the University community. It is these considerations which make student conduct a natural and legitimate concern of the University.

A person enrolling at the University comes to the campus as both a citizen and a member of the academic community. As a citizen, a student is entitled to the freedoms and rights guaranteed to other citizens by the United States Constitution and the Constitution of Alabama. The right of free speech, lawful assembly, petition, due process, etc., are not lost upon enrollment. As a student, the individual also has a right to the opportunity to learn and to benefit
from the institution's educational environment.

Accompanying these rights, however, are certain general and special responsibilities. A citizen-student must abide by federal, state, and local laws. The student is obliged to respect the lawful rights of others. The student is expected to comply with valid institutional regulations, to contribute to the good order of the University's academic and administrative processes, and to uphold standards of common decency and honor in all conduct. These incumbent rights and obligations are inextricably linked together. It is only when individuals are responsible as citizen-students that their rights as citizen-students can be assured. Freedom must be exercised responsibly in the context of recognized interests of others and of the institution itself.

It is to secure these ends that the policies and procedures in this Code are established. Such policies and procedures are fundamentally designed to help maintain a campus environment conducive to learning and other educational pursuits. They are intended to ensure the enjoyment by students of all proper rights, without undue infringement by others. They are a means to the attainment by the University of its educational mission by protecting the institution's processes, resources, and constituent community.

General authority in the governance of students enrolled at any campus of The University of Alabama System is vested by law in the Board of Trustees. See Alabama Constitution, Article 14, Section 264; Section 16-47-34, Code of Alabama (1975, as amended). The Board has delegated responsibility for supervision of student affairs to the respective campus Presidents. It is within the scope of such authority by the President, and pursuant to such further delegation to the Vice President for Student Affairs, that this Code of Student Conduct is promulgated for the University of Alabama in Huntsville.

This Code shall be published and made available, by any reasonable means, to students at this institution, and it shall be applicable to all such students (undergraduate and graduate, full-time and part-time, etc.). Upon enrollment a student shall be deemed to have accepted the conditions and obligations stated herein and to have agreed to be bound hereby, in addition to all other applicable University regulations which may have been or may in the future be issued and published by proper authority. The Code shall likewise apply to all student groups, whether formally or informally organized and whether chartered by the University or not. Conduct off-campus as well as that taking place on University property shall be fully within the scope of this Code. The fact that criminal or civil proceedings may have been instituted against a student shall not bar commencement of the disciplinary process involving such student under this Code, nor shall the University be bound by the outcome of such proceedings in its determination of whether misconduct did or did not occur or in its selection of an appropriate sanction. In regard to conduct by a student which may be the subject of such a criminal or a civil action, the University shall have the discretionary right to proceed under this Code against the student before, during the pendency of, or after the final disposition of such action, or even in the absence thereof. As a general policy in such a situation,
however, the University shall resort to its disciplinary process only where the alleged conduct directly and/or adversely affects interests of the institution or the campus community, as discussed above.

**Article II. Student Rights and Responsibilities**

As a means of giving greater content and definition to the important notion of student rights and responsibilities, those identified below shall be recognized as belonging to students at this institution. 2. Discussion and expression of all lawful views is permitted within the institution in public places subject to reasonable time, manner, and place requirements for maintenance of order and to applicable state, federal and local laws. The University retains the right to provide for the safety of individuals, the protection of property, and the continuity of the educational process in maintaining order.

- For academic misconduct cases only, the School and College Deans shall have membership in the UJB in place of the staff members.

b. **Term.** Each student and staff member shall serve on the UJB for a period of two years (or until a successor is appointed), beginning June 1 each year. The term of each faculty member elected by the Faculty Senate shall be determined by the Faculty Senate. The Graduate Dean shall determine the terms of the appointed graduate faculty. Whenever possible, terms of office shall be staggered so that the term of 1/2 of the members shall expire each year. Any individual shall be eligible to serve successive terms. No student who is on academic probation or who has been found guilty of misconduct shall be eligible to serve on the UJB. A student who becomes ineligible while serving a current term shall resign or be removed by the Vice President for Student Affairs. Vacancies in any UJB position shall be filled in...
the same manner as provided above in regard to the original appointment. The Vice President for Academic Affairs shall have the authority to make an interim student or staff appointment if necessary to facilitate the operation of the UJB.

c. Chair. The chair shall be elected from among the faculty membership of the UJB by the members and shall serve for one year, beginning June 1 and continuing through May 31, or until a successor is elected. The Chair shall convene a meeting of the UJB on or about May 1 each year for the purpose of electing a new chair.

d. Quorum. Three members of the UJB shall constitute a quorum for a hearing.

Article V. Disciplinary Procedure

A. Filing a Complaint

1. Who May File. A complaint charging a student or an organization with misconduct may be filed by any University person having knowledge of the pertinent facts based on personal observation or other reliable information. A complaint may be filed in the name of the University by an authorized institutional official. The party filing a complaint shall be designated the “Complainant” and the party charged with the misconduct the “Respondent” for the purpose of this Code.

2. Form. All complaints must be in writing and must be submitted on a form available from the Coordinator. A complaint shall identify the type(s) of misconduct charged (see Article III), shall succinctly state the alleged facts upon which each charge of misconduct is based, and shall be signed by the Complainant. Exhibits or attachments, other than extra sheets needed to complete the complaint, shall not be submitted with the complaint.

3. How to File. Filing shall be accomplished by delivery of a signed complaint to the Coordinator.

B. Determination of Jurisdiction. The coordinator for Student Conduct shall first address the issue of jurisdiction based on the principles set forth in Article IV.
1. **Publications Board** A complaint within the jurisdiction of the Publications Board shall be processed as provided in Appendix A of the document, "Publication Board - Statement of Purpose, Operation, and Responsibility."

2. **University Judicial Board.** A complaint within the jurisdiction of the UJB shall be processed as provided below.

   **C. Preliminary Action.**

   1. **Preliminary Action Officer.** The Chair shall select a Preliminary Action Officer (PAO) from the faculty to serve for each individual case. Cases shall be assigned by the Chair to these individuals on a rotating basis.

   2. **Mediation.** The PAO shall, in appropriate cases, seek prompt resolution of the charges through informal consultation with the principle parties, mediation, and other voluntary means.

   3. **Academic Misconduct - Referral.** If a charge of academic misconduct is not settled through mediation, it shall be referred for a hearing under the provisions set out in Articles V-D and V-E.

   4. **Other Charges - Preliminary Investigation.** In a case involving any charge other than academic misconduct, if settlement is not achieved through mediation, the PAO shall conduct a preliminary investigation of the matters alleged in the complaint. Early in the course of such investigation, the PAO shall meet with the Respondent for the purpose of presenting such party with the complaint and allowing the latter an opportunity to explain or rebut its allegations. To facilitate such a meeting, the PAO shall give the Respondent written notice stating that a complaint has
been filed, indicating the general nature of the misconduct charged, and offering the Respondent an opportunity to meet informally with the PAO for the purpose mentioned above. The notice shall state that it is the responsibility of the Respondent to arrange a meeting with the PAO and that scheduling of the meeting must take place within 5 days of the notice or the Respondent will be deemed to have waived the opportunity for such a meeting. Failure of the Respondent to schedule a meeting within such 5-day period shall, absent mitigating circumstances, constitute a waiver, and the PAO may proceed without the necessity of meeting with the Respondent.

5. Organizational Responsibility. The PAO shall examine any complaint which alleges misconduct by a student group or organization or which alleges individual misconduct under circumstances where there may be group responsibility. In either event, the PAO shall consult with the Director of the University Center and the presiding officer of the student representative organization most immediately concerned with the group (such as the Interfraternity Council, Panhellenic Board, Student Program Council, Student Government Association, etc.) to determine whether individual or organizational misconduct should properly be charged. The complaint may be amended to conform to such determination.

6. Reasonable Suspicion Determination. If settlement is not achieved or if it is not appropriate under the circumstances, and after completion of the preliminary investigation, the PAO shall decide whether the complaint warrants a full hearing, based on a finding of reasonable suspicion. Reasonable suspicion shall be deemed established when, upon preliminary inquiry, an apparent state of facts is found to exist as would incline a prudent person to suspect or believe, though there may be some doubt, that the Respondent may have committed the misconduct charged. A finding shall be made as to each charge of misconduct.

7. No Reasonable Suspicion - Dismissal. In the event the PAO concludes that reasonable suspicion does not exist as to any charge, the charge or, if appropriate, the complaint shall be dismissed as follows:
a. *Notification.* The Complainant, Respondent, Chair, and Vice President for Student Affairs shall be given written notice of the dismissal and a notation of the dismissal shall be entered into the case file.

b. *Appeal.* The Complainant may appeal the dismissal by filing a notice of appeal, with supporting argument if desired, in the Office of the Vice President for Student Affairs within 5 days of the date of the PAO's notice of dismissal. The appeal shall be addressed to the Chair. Grounds of appeal shall be limited to an allegation that the dismissal is clearly erroneous (under the reasonable suspicion standard) or that serious procedural error was committed.

c. *Review on Appeal.* The Chair may affirm the dismissal or may reverse the dismissal and return the case to the PAO for disposition or further action in accordance with the instructions of the Chair. The decision of the Chair shall be communicated in writing to all parties and shall be final.

8. *Reasonable Suspicion - Conference.* If the PAO concludes that reasonable suspicion as to any charge does exist, he/she shall schedule a conference with the Respondent. The conference shall be at a time which does not interfere with the Respondent's classes, and reasonably advance written notice shall be given to the Respondent by the PAO. At the conference, the Respondent shall be presented with the PAO's finding of reasonable suspicion and given the choice of admitting or denying the finding. The PAO shall proceed as follows:

a. *Admission of Misconduct.* The Respondent may admit the misconduct charged, with the understanding that selection of an appropriate sanction shall be done by the Chair. Such an admission shall be deemed a waiver by the Respondent of any right to a full hearing and shall result in an entry of misconduct in the Respondent's disciplinary record. The consequences of an admission shall be explained to the Respondent by the PAO. The Respondent's admission of misconduct and acknowledgment
of rights and consequences shall be evidenced by a signed statement to that effect.

b. **Denial of Misconduct.** The Respondent may refuse to admit the misconduct charged. In such event, the case shall be referred to the UJB for a hearing. The consequence of a denial shall be explained to the Respondent by the PAO. The Respondent's denial shall be evidenced by a signed statement to that effect.

c. **Nonattendance at Conference.** If the Respondent fails to attend the conference or, though present, fails to exercise the foregoing option, he/she shall be deemed to have denied the charges. The case shall accordingly be referred for a hearing to the UJB.

9. **Referral for Sanction.** In any instance in which a Respondent has admitted a misconduct charge, the case shall be referred to the Chair for selection of a sanction. Referral and any subsequent proceedings shall be accomplished as follows:

a. **Forwarding of Case File.** The PAO shall forward to the Chair the signed complaint, the Respondent's signed statement admitting the misconduct charged and acknowledging rights and consequences, and a summary disposition statement signed by the PAO. These documents shall constitute the case file to this point.

b. **Argument.** The Complainant and Respondent shall each have the option of submitting to the Chair a short statement (limited to one page) setting forth matters of extenuation or aggravation or other considerations which may have bearing on the sanction.

c. **Selection of Sanction.** The Chair shall be provided the Respondent's disciplinary record by the Office of the Vice President for Student Affairs. A sanction shall be selected based upon consideration of the type of misconduct, the particular circumstances involved, and the disciplinary record
of the Respondent. If the Chair regards suspension or expulsion as the appropriate sanction, the case shall be referred to the UJB for hearing, with written notice to the parties.

d. **Notification.** The Chair shall give written notice to the Complainant, Respondent, PAO, and Vice President for Student Affairs of the sanction selected.

e. **Appeal.** The Respondent and/or Complainant shall have a right of appeal to the Vice President for Student Affairs on the ground that the sanction is unreasonable under all the circumstances or is not authorized by this Code. Appeal shall be made by filing a notice of appeal, with supporting argument if desired, in the Office of the Vice President for Student Affairs within 5 days of the date of the Chair’s notice of sanction. The non-appealing party shall be given the opportunity to file a short statement in support of the sanction selected.

f. **Review on Appeal.** The Vice President for Student Affairs may, after reviewing the case file, affirm the sanction or substitute a sanction of equal, lesser, or greater severity, as appropriate. A sanction challenged as unreasonable shall be affirmed unless its unreasonableness is manifest or blatant. Written notice of the decision on appeal shall be given to the parties. The Vice President’s decision shall be final.

10. **Referral for Hearing.** The referral by the PAO to the UJB shall be made in writing. It shall be limited solely to a brief disposition statement indicating that mediation efforts and a preliminary investigation have been completed and a reasonable suspicion finding has been made. The signed complaint may be restated by the PAO for purposes of clarification or standardization, and it shall be attached, with the Complainant’s signature, to the referral document. Referral shall be accomplished by the forwarding of these materials, constituting the case file, to the Chair of the UJB.

11. **Summary Action.** In any instance in which the
Respondent admits the misconduct to the PAO prior to the completion of the preliminary investigation, the PAO may proceed immediately to the conference procedure set out in Section V- C-8 above, without the necessity of a reasonable suspicion finding.

12. Confidentiality. All discussions and communications with the PAO by the Respondent and Complainant shall be confidential.

13. Time Frame. Except in unusual circumstances, the PAO shall conclude his/her responsibilities under this Article within 14 days after receipt of the complaint. In a referral to the Chair for sanction, the Chair shall ordinarily complete his/her duties within 5 days after receiving the referral documents.

D. Pre-Hearing Procedure.

1. Chair Duties. Upon receipt of a case from the PAO for referral to the UJB, the Chair shall carry out the following procedural steps:

   a. Notice of Rights - Respondent. The Respondent shall be given a copy of the signed complaint. The Respondent shall additionally be provided with a summary statement of the hearing and appeal process and the Respondent’s rights therein.

   b. UJB Roster - Respondent Strikes. The Respondent shall be presented with a roster of the names of UJB members available to serve. The Respondent shall be permitted to strike one faculty member, one staff member, and one student.

   c. UJB Roster - Complainant Strikes. The Complainant shall also be presented with such roster and allowed the same number of strike as the Respondent, if desired.

   d. Hearing Panel Selection. A Hearing Panel shall be selected by the Chair consisting of one faculty member, one staff member, and one student. A member of the UJB who feels that he/she could not serve as an impartial member of a particular
Hearing Panel due to conflict of interest, bias, or other bona fide cause shall notify the Chair as soon as the cause for the disqualification becomes evident. A presiding officer shall be designated from among the Hearing Panel members by the Chair.

e. Academic Misconduct Case. For a case involving academic misconduct (along with related charges) only, the College and School Deans shall function in the place of the staff members in this process.

f. Legal Counsel - Respondent. The Respondent may, at his or her own expense, consult with an attorney at any time during the disciplinary procedure and may have an attorney present at the hearing. Such attorney may not participate in the hearing, however, nor in the preliminary action or pre-hearing phases of the disciplinary process. Exceptions to this rule may be granted by the Vice President for Student Affairs where required by law due to the pendency of criminal charges or other cause. The summary statement of rights shall inform Respondent of this limited right to counsel.

g. Advisor - Respondent. The summary statement of rights shall also state that the Respondent shall have the right to select an advisor, who may be present at the hearing to assist and/or represent the Respondent. The advisor may be any University person, except an attorney. If desired, the Respondent may have an advisor provided by the University. To exercise this latter option, the Respondent shall submit a request in writing to the Chair within 5 days after receipt of the complaint and summary statement of rights, and the Chair shall appoint as an advisor a UJB member not serving on the Hearing Panel. If the Respondent selects an advisor, he/she shall notify the Chair of the name and address of the Advisor within 5 days after receipt of the complaint and summary statement of rights.

h. Proponent. The Chair shall designate an appropriate University person to participate in
the hearing as the proponent of the charges. If the circumstances of the case do not suggest a suitable choice, a UJB member not serving on the Hearing Panel shall be appointed.

i. Open/Closed Hearing. The summary statement given to the Respondent shall indicate that the hearing will be closed to the public, unless the Respondent submits to the Chair a request in writing that it be open and the request is approved by the Chair. Any such request by the Respondent must be made not later than 5 days after receipt of the complaint and summary statement of rights from the Chair.

j. Forwarding of Case; Time Frame. The Chair shall, upon completion of the foregoing procedural requirements, forward the case with pertinent documentation to the Presiding Officer for further action. Except in unusual circumstances, the Chair shall complete these requirements within 10 days after receipt of the case from the PAO.

2. Presiding Officer Duties. Upon receipt of the case from the Chair, the Presiding Officer shall carry out the following duties:

a. Schedule Hearing. The hearing shall be scheduled as soon as practical, consistent with the requirement, however, that the Respondent shall be given notice at least 7 days in advance of the hearing date. Written notice of the time, date, and place of the hearing; of the identity of the members of the Hearing Panel, the Proponent, and the Respondent's Advisor, if any; and of the open or closed nature of the hearing shall be provided by the Presiding Officer to the following parties: the Chair, Complainant, Proponent, Respondent, Advisor, all Hearing Panel members, and the Vice President for Student Affairs.

b. Necessity for Rescheduling. If, upon demonstrated good cause communicated in writing to the Presiding Officer, a Proponent or Respondent will be unable to attend the hearing as scheduled or will be unable to secure
Important evidence by such time, the Presiding Officer shall set a new date for the hearing.

c. **Time Frame.** Except in unusual circumstances, the Presiding Officer shall complete these pre-hearing requirements within 5 days after receipt of the case from the Chair.

3. **Disclosure of Witnesses/Evidence.** The Respondent shall have the right to request from the Proponent and receive, no later than 3 days before the hearing, a list of the names of witnesses which the Proponent then intends to call at the hearing and a general description of any other evidence which the Proponent intends to use. The Proponent shall have the same right with respect to the Respondent’s witnesses and evidence.

E. **Hearing.**

1. **Nature of Proceeding.** The hearing shall be an administrative fact-finding proceeding the purpose of which shall be to determine whether the Respondent is or is not guilty of committing the misconduct charged in the complaint. Deviation from prescribed procedure during the hearing, or in any pre-hearing or post-hearing action, shall not impair the proceeding or its outcome unless clear, significant prejudice is caused to the Respondent or the Complainant as a result.

2. **Management of Hearing.** The Presiding Officer shall insure that the hearing is conducted in a manner which is fair, orderly, not unduly delayed or prolonged, and in compliance with these procedures. The Presiding Officer shall have authority to rule on requests and objections which may arise; to adopt reasonable rules to facilitate the hearing process; to impose reasonable constraints on any party, including the Respondent, whose behavior is disruptive, intentionally dilatory, or harassing or who refuses to adhere to a ruling or procedure; and generally to exercise such control as may be necessary or expedient to accomplish these ends. Except where it is not practicable to do so, the Presiding Officer shall act upon consultation with other members of the Hearing Panel.

3. **Parties Present.** If the hearing is closed, only those
parties who are deemed participants in the hearing shall be allowed to be present; the Respondent and his/her Advisor, the Complainant, the Proponent, and the Hearing Panel. If the Respondent has retained an attorney, the attorney may be present as a nonparticipant. Additionally, the Hearing Panel shall have the right to have present for consultation with respect to procedure questions a counselor of its choosing. The counselor may be an attorney or non-attorney. Persons essential to the recording or transcription of the hearing and other similar support personnel may also be present. The Presiding Officer may in his/her discretion allow immediate family of the Complainant or Respondent to attend, upon the request of either such party. Witnesses, other than any of the foregoing parties, shall be excluded from the hearing except when testifying. Any person may attend an open hearing, including members of the press.

4. Evidence. The Presiding Officer shall determine what evidence shall be accepted, utilizing as governing criteria relevance to the issues at hand, fundamental fairness, and a preference against repetitious evidence which would unduly prolong the hearing. Formal or technical rules of evidence shall not apply, although recognized rules of confidentiality and privilege shall be respected. Affidavits properly sworn may be received if the affiant is not reasonably available to testify in person or if receipt of affidavits would avoid the necessity of calling multiple witnesses on the same matter in issue and would not be prejudicial to the other party. Witnesses shall be asked to affirm that their testimony is truthful. The Hearing Panel may take notice of matters which are clearly within the general experience of members of the University community.

5. Respondent Role and Rights. The Respondent shall have the right to defend against the charge(s) in the complaint by offering the testimony of witnesses, documents, and other evidence. The Respondent may testify or remain silent. No inference of guilt shall be made should the Respondent remain silent. The Respondent shall further be entitled to be present throughout the hearing, to have the assistance of or be represented by his/her Advisor, to have an attorney present, to examine all documents submitted to the Hearing Panel, to question all witnesses appearing at the instance of the other party or the Hearing Panel (by oral or written statement as the Presiding Officer may determine). Absence
of the Respondent from the hearing without good cause shall be deemed a waiver of these rights, and the hearing may proceed.

6. **Proponent/Complainant Role and Rights.** The Proponent shall prepare and present the case against the Respondent, based on the charge(s) in the complaint, by offering the testimony of witnesses, documents, and other evidence. Both the Proponent and the Complainant shall be entitled to be present throughout the hearing, subject to the same rule concerning absence without good cause as stated above with respect to the Respondent. The Proponent's rights of participation shall be the same as those extended to the Respondent above.

7. **Panel Participation.** The Presiding Officer may request either party to produce additional designated documents or other evidence or call additional identified witnesses. Any member of the Hearing Panel may question any witness.

8. **Burden and Standard of Proof.** The burden of proof shall be upon the Proponent. In order to carry this burden and sustain a finding of misconduct, the Proponent shall be required to establish by a preponderance of the evidence, that is, by the greater weight or credible evidence, that the Respondent committed the acts charged. Determination of the probative value, weight, and credibility of the evidence accepted shall be the exclusive function of the Hearing Panel.

9. **Subsequent Meetings.** The hearing may, if necessary or appropriate, be adjourned or continued from time to time to a subsequent suitable date at the discretion of the Presiding Officer.

10. **Hearing Record.** A record of the hearing shall be kept by means of a tape recorder or a transcriber, at the discretion of the Presiding Officer. The Complainant and the Respondent shall have the right to produce a written record of the hearing from the recording or transcription at his/her own expense, respectively.

11. **Hearing Sequence.** The hearing shall proceed generally as follows, though departures may be permitted for good cause and where neither party would be prejudiced:
The Presiding Officer shall read the charge(s) stated in the complaint to the Respondent, who shall then admit or deny the charge(s). Failure to respond shall be deemed a denial. The Respondent’s admission of the charge(s) with an Advisor present shall be sufficient to sustain a finding of misconduct without the necessity of further proceedings.

- The Proponent shall offer evidence in support of the charge(s).

- The Respondent may offer evidence.

- Rebuttal evidence may be offered by either party.

- Each party may make a closing statement.

- The Hearing Panel shall retire for its deliberations.

12. Panel Deliberations. All deliberations of the Panel after the completion of the hearing shall be in closed session.

13. Determination of Misconduct. Only evidence accepted and arguments made at the hearing shall be considered by the Panel in making its findings concerning the misconduct charged. A finding of misconduct shall require an affirmative vote of a majority of the Hearing Panel Members.

14. Determination of Sanction. If the Hearing Panel finds that the Respondent is guilty of the misconduct charged, it shall, prior to selection of a sanction, be provided with a synopsis of the past disciplinary record and/or information concerning any criminal record of the Respondent. Such record or information shall not, however, be made available to the Hearing Panel prior to that time. At its discretion, the Hearing Panel may request oral or written argument from the Respondent and Proponent concerning matters of extenuation or aggravation or other considerations which may have bearing on the sanction. Selection of a sanction shall be by majority vote.

15. Hearing Panel Report. The final determination of the Hearing Panel shall be stated in a written report which shall set forth the Panel’s findings, with the evidentiary
support therefor, and the sanction to be imposed. The report shall be sent to the Respondent and his/her Advisor, the Complainant, the Proponent, the Chair, and the Vice President for Student Affairs within 3 days after the completion of the hearing process.

Article VI. Sanctions

An individual student or a student organization found guilty of misconduct shall be subject to the imposition of the following sanctions. A sanction may be imposed alone or in conjunction with one or more additional sanctions.

1. Warning - A written or oral notice to the student that continuation or repetition of specific conduct may be cause for further and more severe disciplinary action.

The restrictions which shall accompany probation (such as, for example, ineligibility for participation in intercollegiate activities, ineligibility for election/appointment to or the holding of a Student Government Association office) shall be determined on a case-by-case basis. Probation shall carry with it a warning that further misconduct may result in suspension or expulsion.

10. Disciplinary Suspension - Separation of the student from the University for a designated period of time, not to exceed two years. During the period of suspension, an individual shall not be allowed to participate in any activity or enjoy any privilege requiring student status. Readmission upon the expiration of the suspension period shall require the approval of the Vice President for Student Affairs.

10. Expulsion - Termination of institutional recognition of the organization permanently or on an indefinite basis. Reapplication for recognition of an organization expelled on an indefinite basis shall not be permitted within two years.
C. Reservation of Authority. The stated availability of a measure as a disciplinary sanction, as provided above, shall not imply that such a measure may not be imposed outside the disciplinary system by a University official who has authority to do so.

Article VII. Appeals

A. Appeal - Vice President for Student Affairs. The determination of the UJB shall be subject to review on appeal to the Vice President for Student Affairs, as follows:

1. Filing an Appeal - Procedure. The Respondent shall have 5 days from the date of the UJB report announcing its determination to initiate an appeal by filing a written notice of appeal, a written statement of position setting forth the grounds for the appeal shall also be filed in the same office by the Respondent. Failure to file either the notice of appeal or the position statement within the allotted time shall render the determination of the UJB final and conclusive. A copy of such documents shall be provided by the Vice President for Student Affairs to the Complainant, who shall have the option of submitting a position statement in support of the UJB determination.

2. Grounds of Appeal - Respondent. Review on appeal by the Respondent shall be limited to the following grounds:

a. Procedural Error. A procedural irregularity, misinterpretation of a University regulation, or other error occurred which was not only adverse to the Respondent but resulted in clear, significant prejudice to the Respondent in terms of the outcome of the proceeding.

b. Unsupported Findings. The findings were not supported by any substantial evidence. Review on this ground shall not involve reassessing or weighing the evidence instead be limited to ascertaining the presence or absence of some evidence ostensibly worthy of belief which is consistent with the findings.

c. Newly Discovered Evidence. New and significant evidence has been discovered which was unavailable at the time of the hearing or which could not have been discovered in time for use at the
hearing by a properly diligent Respondent.

Failure by the Respondent to state one of the foregoing grounds for the appeal shall result in immediate dismissal.

3. **Grounds of Appeal - Complainant.** The Complainant shall have a right to appeal the determination of the UJB, but such appeal may be made only on the grounds of error prejudicial to the Complainant or newly discovered evidence, as those grounds are stated above. An appeal by the Complainant shall be made and processed in accordance with the requirements set forth above for the Respondent.

4. **Review of Respondent Appeal.** On a properly submitted appeal by a Respondent, the Vice President for Student Affairs shall have the discretionary authority to do the following:

- affirm the finding(s) and sanction(s).
- remand the case to the UJB for reconsideration of its determination or a reopening of the hearing to allow rectification of error and/or consideration of new, significant evidence.
- overturn the finding(s) and dismiss the case.

5. **Review of Complainant Appeal.** On a properly submitted appeal by a Complainant, the Vice President for Student Affairs shall be limited to either affirming the determination or remanding the case for action as cited above.

6. **Decision on Appeal.** The decision of the Vice President for Student Affairs on appeal shall be final, except in those cases specified in Article VII-B below. The decision on appeal shall be communicated in writing to all parties entitled to notice of the determination of the UJB (See Section V-E-15).

7. **Remand to UJB.** In the event of a remand, the UJB shall reconvene and carry out its duties as directed without undue delay. A determination on remand shall be made and communicated as required for the initial determination. Appeal of the determination on remand may be allowed, in appropriate circumstances, at the discretion of the Vice President for Student Affairs.

B. **Appeal - President.** In any case in which expulsion, suspension, or a fine of $500 or more has been imposed and remains as a sanction
after review by the Vice President for Student Affairs, final appeal may be made by the Respondent to the President of the University. Right of appeal shall be exercised within 5 days after the date of the decision on appeal from the Vice President for Student Affairs by filing a notice of appeal, with an accompanying position statement, in the Office of the President. The scope of review and procedure on appeal shall be the same as set forth above for the Vice President for Student Affairs.

**Article VIII. Interim Suspension**

Under certain exigent circumstances, expedited, temporary suspension of a student may be necessary or appropriate. The following special policies shall govern such interim suspensions:

A. **Criteria.** A student may be suspended on an interim basis and without prior resort to the disciplinary procedures set forth above where his/her continued presence in the campus community poses a substantial threat to persons (including himself/herself) or property or to normal institutional functions.

B. **Procedures.** An interim suspension may be imposed only by the Vice President for Student Affairs (or designee) and only in accordance with the following special procedures:

1. **Notice.** The student shall be given written notice of the imminent possibility of suspension and of the opportunity to appear before the Vice President for Student Affairs for an interim hearing at a time and place designated.

2. **Interim Hearing:** The hearing shall generally be limited to the following issues:
   - the reliability of available information concerning the student's conduct, including any identity questions which may be raised.
   - whether the student's conduct and the surrounding circumstances reasonably indicate that his/her continued presence in the campus community does pose a substantial threat to persons (including himself/herself) or property or to normal institutional functions.

If the student, without good cause, fails to appear for the interim hearing at the time and place indicated, or if the student does appear but the foregoing issues are resolved in
favor of a suspension, the student may be placed on interim suspension.

3. Immediate Suspension. If under all the circumstances it is not feasible or prudent to hold an interim hearing prior to imposition of the suspension, the student may be suspended immediately and without prior notice. Within 5 days of the effective date of such suspension and upon written notice, the student shall be afforded an interim hearing on the issues set forth above, at which time the suspension shall either be lifted or continued.

4. Notice of Suspension. Notice of interim suspension shall be given to the student in writing.

B. Duration. An interim suspension shall remain in effect pending completion of the normal disciplinary process. The Vice President for Student Affairs shall, however, have the authority to modify the terms of an interim suspension at any time.

C. Other Interim Sanctions. In addition to suspension, the Vice President for Student Affairs shall have the authority to impose, on an interim basis and in accordance with these procedures, any lesser sanction, including specifically restriction of privileges, removal from a class, removal from University housing, etc.

D. Student Organizations. A student organization shall be subject to interim suspension by action of the Vice President for Student Affairs (or designee) under the same circumstances and upon the same procedures as set forth above.

Article IX. Nondisciplinary Procedures for Academic Misconduct

A faculty member possesses the well-established prerogative to deal with academic misconduct committed by a student in a course by applying an academic penalty within the context of that course. Because such conduct also constitutes a violation of the University's disciplinary rules as stated in this Code, it is appropriate to state the manner in which the disciplinary and nondisciplinary processes shall interrelate in such a case.

A. Nondisciplinary Treatment

1. Conference Held. If a faculty member has information indicating that a student has committed an act of academic dishonesty, the faculty member shall hold an informal conference with the student. At this conference
the student shall be presented with the information and given an opportunity to explain or rebut it by any reasonable means.

2. Academic Misconduct Indicated. If the matter is not satisfactorily resolved (such as by exoneration of the student) by means of the informal conference, the following procedures shall apply:

a. Imposition of Academic Sanction. The faculty member may impose one or more academic sanctions appropriate to the circumstances, such as requiring a revision of the assignment in question or completion of a new assignment, giving an oral or written reprimand, awarding an F for the graded work or for the entire course, etc.

b. Review - Grievance Process. The student shall have the right to seek review of this action by utilizing the normal grievance process. (See "Grievance Procedures," in the Student Handbook.)

c. Notice to Vice President for Student Affairs. The faculty member shall give written notice of the incident to the Vice President for Student Affairs. The notice shall state the name of the student, the nature of the academic misconduct which occurred, and the academic sanction imposed.

d. Disciplinary Record Entry. The faculty member's notice to the Vice President for Student Affairs shall be placed in the student's disciplinary record. It may accordingly be considered in any subsequent disciplinary case in which disclosure of the contents of the disciplinary record is authorized under this Code.

B. Disciplinary Treatment

1. Faculty Member Referral. The faculty member may, in addition or as an alternative to application of academic sanctions, elect to have the matter handled within the disciplinary system by filing a complaint against the student, as provided in Article V above.
2. Other Referral. Upon receiving two or more notices from faculty concerning instances of academic misconduct by the same student, the Vice President for Student Affairs may have a complaint filed in the name of the University against the student for any such instances of misconduct.

3. Finding of No Misconduct. A dismissal or a finding of no misconduct in the disciplinary processing of such a complaint shall not require the removal of the academic sanction imposed earlier by the faculty member. However, the student shall have the right to request a review of the academic sanction by means of the grievance process, whether previously utilized as to the incident or not. The outcome of the disciplinary proceeding may be asserted as an arguably persuasive consideration in the grievance process.

Article X. Disciplinary Records

A. Case File - Contents. A case file shall be developed and maintained in connection with each complaint filed against a student. It shall include and be limited to the following:

1. The complaint.

2. The PAO notice to the student (Section V-C-4) and the documentation of the PAO’s disposition of the complaint (dismissal, referral to the Chair for sanction, or referral to the UJB) (See Sections V-C-3, 7, 9, 10).

3. All documents filed in connection with an appeal at the Preliminary Action stage (see Sections V-C-7, 9).

4. All pre-hearing documents (or copies thereof) exchanged between UJB personnel and the Respondent and Complainant (see Sections V-D-1, 2).

5. From the hearing, a list of any special rules of procedures adopted, all documentary evidence accepted, any written argument submitted, the verbatim hearing record (in audio or written form), the synopsis of any disciplinary record of the student considered, and the final report of the Hearing Panel.

6. Any notice(s) of appeal and position statement(s) received on appeal, together with the decision(s) on appeal.
7. All documents pertaining to a student's interim suspension. No other material shall be added to or included with the case file.

B. Case File - Official Record. Materials in the case file shall constitute the official record of the disciplinary proceeding, and the case file shall be forwarded to the appropriate person at each successive stage in the process. For disposition above the preliminary action level, only materials and information in the case file shall be considered.

C. Disciplinary Record. At the completion of the disciplinary process the case file, and any other materials not included in the file but which were accumulated in connection with the case, shall be maintained as a part of the student's disciplinary record at the institution. The disciplinary record shall be maintained separate and apart from the student's academic record. The Vice President for Student Affairs shall have control over the student's disciplinary record and shall see that it is maintained in compliance with institutional policy and the requirements of the federal Family Educational Rights and Privacy Act.

D. Case Synopsis. A synopsis of each case shall be prepared by the Vice President for Student Affairs (or designee). The synopsis shall be taken from the case file and shall include, depending on the history of the case, a summary statement of all charges filed, the disposition at the Preliminary Action stage, the determination of the Hearing Panel, and the disposition of the case on appeal from the Hearing Panel's determination. A synopsis shall be made of any instances of academic misconduct which have been handled by faculty outside the disciplinary process and reported to the Vice President for Student Affairs.

E. Disclosure - Disciplinary Authorities. Information about a Respondent's past disciplinary record provided to the Chair (see Section V-C-9c) and the Hearing Panel (see Section V-E-14) prior to selection of a sanction shall be generally in the form of the case synopsis.

F. Disclosure - Third Parties. A Respondent's request for an open hearing shall constitute authorization for public access to the hearing and public disclosure of its outcome, including action by subsequent reviewing officials. In such a case the Vice President for Student Affairs shall have the discretionary right to release the case synopsis or information from it to third parties. In the event of a closed hearing, the Vice President for Student Affairs may release such information as is permitted by laws pertaining to the confidentiality
Article XI. Miscellaneous Provisions

9. "University sponsored activity:" Any activity conducted under the auspices of the University as a whole or of any division, department, office, or other unit of the University.

B. Notice. When written notification is required under this Code, it may be accomplished by any means reasonably calculated to bring the matter to the attention of the student, such as personal delivery; certified or regular mail to the student's current residence, as recorded in the Office of Student Records; posting the writing on the front door of the student's residence; etc.

C. Paragraph Titles. Paragraph titles have been included in this Code only for purposes of easy reference. They shall have no substantive effect nor shall they alter or add to the meaning of the paragraphs to which they pertain.

D. Amendments. Amendments raising issues of institutional policy shall be approved by the University Executive Committee prior to implementation. Otherwise, a proposed amendment shall become effective upon approval by the Vice President for Student Affairs.

Article XII. Mental Health Withdrawal Policy

It is the policy of the University of Alabama in Huntsville to require that all students conduct themselves in a manner that promotes an environment conducive to learning, teaching, research and public service. In some instances if a student's behavior is disrupting the educational environment or harmful to the individual or others the student's enrollment may be terminated for a specific period in order to insure the safety and well being of the student and/or other members in the University Community, and/or the orderly operations of normal University functions. The complete student mental health policies and procedures are available from the Office of the Vice President for Student Affairs.
