CHAPTER 2

STUDENT ADVISING AND CAREER SERVICES

2.1 ACADEMIC ADVISEMENT

Location: University Center 200

Phone: (256) 824-6290

Academic Advising is available to students in the Academic Advisement and Information Center (AAIC), in advising offices in the Colleges of Administrative Science, Engineering, Liberal Arts, Nursing and Science and in the department in which a major has been declared. Special advising is provided in the areas of medicine and law. Career Counseling is available through the Office of Career Services. Once students declare a major by completing a *Program of Study* form, they are assigned a faculty advisor in their major department or program.

All students who do not have a completed program of study on file must meet with their advisor each semester to plan their schedule and obtain a signature for registration. Undergraduates enrolled on a conditional basis, regardless of their major, must meet with an AAIC advisor each semester as long as they remain in the conditional status. Undergraduate non-degree students are not required to have a signature to register for classes and may seek advising in the AAIC. All Undecided, Dual Enrollment/Dual Credit and Early Start students are required to meet with an AAIC advisor to review their academic progress, plan their courses for the next semester and obtain an advisor's signature to register.

All students are encouraged to maintain contact with their advisors and take advantage of the opportunities for advising that the University offers.

A conference with an advisor might focus on any of the following topics:

Pre-professional planning: Students interested in law and medicine can receive guidance on course planning and be referred to pre-professional advisors in the academic departments.

Academic Decision-Making: Advisors can help you understand why you are here, where you are going and how to get there. They can give you accurate and clear information on which to base academic decisions. They can also help you with any academic policies and appeals.

Curriculum Direction: Advisors can outline what courses and programs are needed to fulfill a professional or vocational goal, or suggest possible directions based on completed course work.

Indecision Resolution: Advisors may help plan course selections in general education requirements, which may apply to several possible majors. Careful course selection allows more options and more time to decide on a career goal.

Students wishing to declare a major may initiate the process in the appropriate advising office by completing a *Program of Study* form. (Administrative Science, ASB 102; Engineering, EB 157; Liberal Arts, MH 216, Nursing, NB 207; Science, UC 200) Once a major is declared and the *Program of Study* is completed, the student will be assigned an advisor in the major department. A major must be declared by the end of the sophomore year. Career counseling and assistance choosing a major are available from the Office of Career Services, EB 117. A student may elect to complete requirements for more than one major within the same degree program. Other variations are possible with consultation from an advisor.

2.2 OFFICE OF CAREER SERVICES

Location: Engineering Building 117

Phone: (256) 824-6612

The Office of Career Services (OCS) is a key component to a student's total education and experience. Students are encouraged to learn more about themselves and the world of work through direct assistance, resources, and experiential opportunities. The objectives of OCS are to promote early career awareness and exploration; to provide information covering a broad range of career opportunities; to assist students in identifying specific information regarding occupational objectives; to provide information on the procedures of seeking and accepting employment; and to provide opportunities for part-time and full-time employment both during college and upon graduation.

OCS provides professional career planning and employment assistance to the following groups of people, listed by priority:

1. All undergraduate and graduate students currently enrolled at UAH and accepted to and enrolled in a degree program;
2. All alumni who have obtained an undergraduate or graduate degree from UAH;
3. Those individuals who possess a letter from the Office of Admissions indicating their acceptance into the undergraduate or graduate program (career counseling only); and,
4. Faculty, staff, and administration currently employed at UAH.

Services Provided

1. Career Assessment utilizing either a computer interactive program (FOCUS) or a battery of tests (COP System). A career counselor will work with the student to determine the most appropriate method of assessment.

2. A one credit hour course, Career Exploration (ED 111) is offered twice a year. Through this course, students learn about themselves, the job markets, individual occupations, and how to prepare for and conduct a job search. The course is highly recommended for students who are unsure of a major.
3. Individual counseling appointments for assistance with career planning or in conducting a job search.
4. Workshops on resume writing, interviewing, and job search strategies are scheduled throughout the academic year. Presentations on any of these topics may also be arranged for any UAH class, student organization or club.
5. A Career Resource Center that contains information on various occupations, hiring organizations, entry-level salaries, annual reports, industrial directories, military service, federal and state employment, job search magazines and books, job vacancy announcements, and graduate schools. The Center also provides Internet access for career related information.
6. Off-campus student employment opportunities. OCS acts as a job listing service for employers in the the Huntsville metropolitan area who have a need for part-time, full-time; temporary or summer student workers.
7. On-campus student employment opportunities are listed through OCS.
8. Employment assistance for graduating seniors, graduate students, and graduates of UAH. OCS provides employers who are seeking college graduates with access to candidates registered for employment assistance. Registered candidates are assisted through resume referrals, interview opportunities, and access to a listing of current job vacancies. Students interested in registering for employment assistance should be within at least 9 months of graduation, must provide OCS with 10 copies of their resume, and complete a registration form.
9. Career/Job Fairs are held each September and March. These events allow students and alumni to interact with representatives from various organizations. Undergraduates are provided with an opportunity to learn about possible careers within organizations. Seniors graduate students, and graduates may explore employment opportunities through discussions with representatives and through individual interviews.
10. A Graduate School Fair is held each October for those individuals considering education beyond a bachelor's degree.

2.3 COOPERATIVE EDUCATION (CO-OP)

Location: Engineering Building 117

Phone: (256) 824-6741

The UAH Cooperative Education (Co-op) Program provides qualified students an opportunity to enrich their academic endeavors through productive periods of practical experience in business, industry, and government. In addition to valuable, career-enhancing experience of performing a job directly related to their major, Co-op students' earnings are sufficient to offset a substantial portion of their University expenses. Upon graduation, a majority of UAH Co-op students are offered full-time employment with their Co-op employer.

Most students participating in the the UAH Co-op program alternate semesters of full-time study with semesters of full-time, career-related work with leading employers in the Huntsville area. Other scheduling options are, however, available.

All degree seeking students, whether undergraduate or graduate, are potential candidates for Co-op positions, provided that they meet the program's academic requirements.

The UAH Co-op Program is open to all qualified UAH students without regard to race, color, religion, sex, age, national origin, handicap or veteran status.

The UAH Co-op Program is nationally accredited by The Accreditation Board for Engineering and Technology, (ABET).

2.4 STUDENT DEVELOPMENT SERVICES

The University of Alabama in Huntsville (UAH) is committed to providing a wide range of high-quality computing services to students, faculty, and staff, in support of the mission of the University as set out by the Board of Trustees. However, access to those services is a privilege, not a right, and all users must act honestly and responsibly. The following policy is established to ensure the security and integrity of the University's computer resources and the fair and equitable access to those resources by all the members of the University community. This policy applies to all University computing systems and all hardware, software, data, and telecommunications devices associated with these systems. Failure to abide by this policy or the implementing policies of the various University units may result in the loss or suspension of computing privileges, claims for reimbursement of damages, disciplinary action, and/or referral to appropriate state/federal law enforcement authorities.

You will:

1. Be accountable for using university facilities in an ethical and lawful manner.
2. Use only those facilities for which you have been authorized, whether facilities are at UAH or at any other location accessible through a network. You are required to adhere to the policies established by the administrator of local computing facilities at UAH and the University's Internet provider AREN (Alabama

Research and Education Network. See:

<http://www.asc.edu/html.accusepols.html>

for the latest version of that policy.

3. Take all reasonable steps to protect the integrity and privacy of the UAH computing facilities including software and data. In particular, you will not share with others the access codes, account numbers, passwords, or other authorization assigned to you.
4. Not use university facilities to access, download, print, store, forward, transmit or distribute obscene material.
5. Adhere to the copyright laws regarding software, data, and authored files.
6. Respect the privacy of others by refraining from any and all unauthorized access to e-mail, files, data, and transmissions.
7. Not use the UAH computing facilities for unauthorized commercial activities.
8. Not use the UAH computing facilities for any illegal purposes. Such acts include but are not limited to: accessing, destruction of, or alteration of data owned by others; modification or computer system configuration; installation of unauthorized software; interference with access to computing facilities or harassment of users of such facilities at UAH or harassment of users of such facilities elsewhere; unauthorized disruption of UAH computing facilities; attempts to discover or alter passwords or to subvert security systems in any computing or network facility.
9. Properly identify yourself in any electronic correspondence and provide valid, traceable identification if required by applications or servers within the UAH computing facilities or in establishing connections from the UAH computing facilities.

Each individual user is responsible for adhering to these policies. The responsibility for ensuring compliance with these policies will reside within Information Services, the Colleges, Research Centers and Departments.

Any violation of this Policy or the implementing policies of the various University units may result in disciplinary action in accordance with campus regulations and State, and Federal laws.

3.2 STUDENT FINANCIAL SERVICES

Location: UC 212

Phone: (256) 824-6241

The fundamental purpose of the Financial Aid Program at the University of Alabama in Huntsville is to make it possible for students to attend who would normally be deprived of a college education because of inad-

equate funds. Based on the belief that higher education should not be a privilege reserved only for those who can afford it, and that educational opportunities should not be limited by the financial resources of the student and the student's family, and considering the fact that total resources available for financial assistance to students at The University of Alabama in Huntsville are limited, these principles for the Financial Aid Program have been adopted:

1. The primary purpose of the Financial Aid Program is to provide financial assistance to students who, without such aid, would be unable to attend The University of Alabama in Huntsville.
2. Financial assistance consists of scholarships, grants, loans, and employment, which may be offered to students in various combinations or on a separate basis.
3. The family of a student is expected to make a maximum effort to assist the student with college expenses. Financial assistance from the University is viewed only as supplementary to the efforts of the student and the family.
4. In selecting students to receive financial assistance, the University shall place primary emphasis upon need, character, future promise, and academic achievement.
5. A student who seeks financial aid shall provide a reasonable part of the total amount required to meet college costs.
6. The total amount of financial assistance offered a student by the University shall not exceed the financial need. All other statements of purpose and policy may be found in the UAH Student Financial Services Office publication: Student Financial Aid.

All students who apply for financial aid at The University of Alabama in Huntsville must meet certain eligibility requirements. These requirements are that a student must:

1. be enrolled or accepted for enrollment as a regular degree-seeking student;
2. have U.S. citizenship or permanent residence;
3. maintain satisfactory academic progress;
4. be enrolled at least half-time (with certain exceptions);
5. not be in default on a loan or owe a repayment of a grant at The University of Alabama in Huntsville or other institution; and,
6. register with the Selective Service, if required.

Each student who receives financial aid at The University of Alabama in Huntsville must meet all of the above eligibility requirements.

UAH offers a variety of financial aid from the following types of programs:

1. Federal Grants - Pell Grant, Supplemental Education Opportunity Grant, and State Grant. Funds awarded to a student from these programs are not repayable. All Pell Grant students as a condition of the grant must certify that they will not engage in the unlawful manufacture, distribution, dispensation, possession, or use of controlled substances during the period of the grant.
2. Federal Loans - Federal Stafford Loan and Plus Loans. Loan funds awarded to student from these programs are repayable.
3. Scholarships (Academic and Co-Curricular) - Institutional scholarships and endowed scholarships are awarded to students on the basis of academic merit or financial need or both. Students should apply by the published deadlines for the following academic year. Each scholarship will have differing qualifications.
4. Scholarships (Athletic) - Institutional scholarships for varying amounts are available for men and women. Interested students should contact the Athletic Department for additional information.
5. Work Programs - Jobs are available to students on a part-time basis. As a rule, students work from 10 to 20 hours per week under the Federal College Work-Study Program.

Students who are interested in any of the above programs should contact the Student Financial Services Office (UC 212) or Charger Central (UC 118) for more detailed information. Additional information is available in written form for interested students.

Appointments can be scheduled with Student Financial Services Office personnel for personal financial counseling sessions.

Financial aid is also available to graduate students at The University of Alabama in Huntsville. Graduate students may contact the Student Financial Services Office for information on the Nursing Traineeship Program and the Federal Student Direct Loan Program. Information concerning Graduate Teaching Assistantships and Graduate Research Assistantships is available in the Office of the Dean of the Graduate School.

Applications for student aid should be filed in the Office of Student Financial Services before the priority deadline for the upcoming school year. No award implies automatic renewal - a new application must be submitted by the deadline each year.

TAX CREDIT

As part of the Taxpayer Relief Act of 1997, Congress has enacted legislation that allows taxpayers to take certain portions of tuition paid in the prior year as a direct tax credit. The HOPE tax credit provides up to a \$1500 credit for tuition paid during the first two years of college. For students pursuing higher education after the first two years, the Lifetime Learning tax credit of up to \$1000 will be available. Students or those who pay tuition on behalf of students should consult a tax advisor for more detailed information. General information is also available from the U. S. Department of Education's web site at www.acenet.edu/hot/html, or by contacting the Internal Revenue Service at 1-800-829-1040.

Phone: (256) 824-6775

The services of the Wellness Center are available to currently enrolled students with a validated student ID. Services offered by the Wellness Center include treatment of minor illnesses and injuries, preventive health care, and health counseling. 3.3.2 ON CAMPUS ACCIDENTS AND INJURIES

In the case of an accident or mishap on campus resulting in an injury, the Department of Public Safety should be notified immediately. The UAH police officer dispatched to the scene can administer first aid if necessary and assist the injured person in selecting an appropriate treatment facility and arranging transportation. In general, the University does not assume the responsibility of transporting an injured party to a treatment facility.

- The UAH Wellness Center (256-824-6775) may be called for advice or possible on-site assistance.

If it is clear that the injured person needs prompt medical attention beyond first-aid and is not able to arrange for transportation and treatment

on his/her own, assistance may be provided in contacting a family member or other individual requested by the injured person; that individual may then provide transportation to a medical facility. Or, an ambulance may be called on behalf of the injured person. Where time permits, this should be handled by UAH Police.

3.3.3 POLICY ON ACQUIRED IMMUNODEFICIENCY SYNDROME

I. Introduction

Acquired Immunodeficiency Syndrome (AIDS) represents a serious public health concern, and, for that reason, it is appropriate that The University of Alabama in Huntsville develop guidelines for the education and protection of both individuals and the University community at large.

This policy is intended to address the management of AIDS issues related to students, faculty or staff at the University. Hereafter, AIDS, or a positive HIV antibody test will be referred to by the term "HIV".

These policies are based on the most current available medical information. This information includes the fact that: 1) there is no evidence that AIDS is spread by ordinary interpersonal contact; 2) the causative virus, HIV, is fragile and will not survive on environmental surfaces, in the air, on personal articles, or on eating utensils; 3) the transmission of HIV requires the exchange of body fluids, such as occurs in intimate sexual relationships, or from exposure to blood or blood products from an infected person and occasionally in breast milk.

It is clear that much is yet to be learned about this disease. The likelihood that more knowledge about HIV will be acquired over time means that these policies should be reviewed regularly for consistency with current knowledge.

II. General Policies

- A. This policy applies to all students, faculty and staff of The University of Alabama in Huntsville.
- B. An individualized approach will be utilized to consider each situation as it arises in order to provide the maximum support to infected individuals and protection for the welfare of the community.
- C. Actions taken by the University will comply with the applicable laws relating to public health practices and rights of individuals and protection for the welfare of the community.
- D. The procedures regarding illness and disability, as found in the faculty, staff and student handbooks, will be followed.
- E. The University shall conduct an ongoing educational program designed to provide students, faculty, and staff with basic informa-

tion about AIDS. The programming will be specific and utilize the most current scientific and medical information available. The educational programs will address both information about contagion and prevention measures.

- F. Responsibility for implementation of this policy rests with the chair of the AIDS Management Team (AMT).

III. Specific Policies

- A. Consideration of the existence of HIV will not be part of the initial decision for admission to the University or employment with the University.
- B. University officials will not undertake programs of screening newly admitted or current students for antibodies to HIV, neither will mandatory screening of employees be implemented. The University will not attempt to identify those in the high-risk groups so as to undertake screening of those individuals.
- C. Infected persons shall not be excluded from enrollment or employment or restricted in their access to University facilities or services unless a medically-based judgment in an individual case establishes that exclusion or restriction is necessary to the welfare of the infected individual or the welfare of other members of the university community.
- D. Any person who has HIV has an obligation to advise a member of the AMT.
 - 1. The reporting of this information will be handled in a strictly confidential manner, subject to legal requirements and policies in effect in the University. The University is obligated by law to disclose to public health officials information about all confirmed cases of AIDS, ARC or positive HIV antibody. Persons with HIV will be treated in a sensitive, private manner. Information about individuals infected with HIV will be disclosed only to persons on a "need-to-know" basis.
 - 2. Persons who know, or have reasonable basis for believing, that they are infected with the AIDS virus are expected to seek expert advice about their health circumstances and are obligated, ethically and legally, to conduct themselves responsibly in accordance with such knowledge for the protection of other members of the University community.
- E. Any person who has reasonable evidence to believe that someone has HIV has an obligation to advise a member of the AMT. The reporting of this information will be handled in a strictly confidential manner.
- F. No institutional officer will be asked, as a requirement of his or her position, to compromise the confidentiality of information

about students or employees with AIDS, or a positive HIV anti-body test.

- G. UAH Wellness Center staff will be familiar with sources of testing for antibodies to HIV, and will respond to students requesting such testing. Health care providers will understand the capabilities and limitations of the test and will be able to counsel those desiring to be tested or to refer them to counseling sources elsewhere.
- H. Decisions about students with HIV who desire to live in University-owned housing will be made on an individual basis.
 - 1. A student shall not be denied the opportunity to live in University-owned housing solely on the basis of a diagnosis of infection.
 - 2. Changes in room assignment or removal from housing will be made on an individual basis when it is determined that:
 - a. the student has communicable opportunistic infections, or is showing other symptoms of illness and requires care, which cannot reasonably be provided in the University housing setting;
 - b. the student is demonstrating symptoms, needs or behavior which are inappropriate in the University housing setting and cannot reasonably be accommodated; or
 - c. the student presents a risk to self or other residents.
- I. The University shall widely publicize and carefully observe safety guidelines (such as "universal precautions") established by the U.S. Public Health Service for the handling of blood and other body fluids and secretions, in all health care facilities maintained by the University and in other institutional contexts in which such fluids or secretions may be encountered (e.g., teaching and laboratory facilities).
- J. All students, faculty and staff must use appropriate barrier precautions to prevent skin and mucous-membrane contact with blood and other body fluids of any person. All students, faculty and staff in the University and clinical settings must utilize recommendations by the Centers for Disease Control (CDC) concerning "universal precautions".

IV. AIDS Management Team

- A. The AIDS Management Team shall report to the President of the University of Alabama in Huntsville.
- B. The AIDS Management Team shall have the following functions and responsibilities:
 - 1. Be informed about developments concerning HIV and the medical, biological, legal, fiscal, and public relations of the disease as such aspects relate to the University and the campus community.

2. Advise and make recommendations to the University, as appropriate, concerning educational programs and prevention measures about AIDS which may be undertaken for the benefit of the campus community.
3. In order to balance the needs of HIV-infected individuals and the needs of the community, the AMT shall:
 - a. receive information about individuals within the University community who are, or suspected of being, infected with the HIV virus;
 - b. assure that a known or suspected HIV-infected individual is encouraged to seek appropriate counseling and medical treatment;
 - c. advise and make recommendations to the University, as necessary and appropriate, making certain that the legal rights of a known or suspected HIV-infected individual are respected by the University;
 - d. advise and make recommendations to the university, where legally permitted, to protect the health of other members of the University community who may be at risk from the HIV-infected individual.
- C. The AIDS Management team shall be composed of the following representatives who will be appointed by the President:
 1. A physician representing the University.
 2. A lawyer for the University.
 3. A representative from the College of Nursing.
 4. An administrator representing the President.
 5. A scientist knowledgeable about HIV.
 6. A physician representing the infected individual, as needed.
- D. The Chair of the AMT shall be appointed by the President. The Chair will, in coordination with the Director of University Relations, serve as the University spokes-person to the public in all matters relating to the management of individuals with communicable diseases at the University.

3.4 UNIVERSITY HOUSING

Location: SECH 606-A

Phone: (256) 824-6108

The University of Alabama in Huntsville offers a variety of housing facilities to meet the needs of its diverse student population. One such facility is the Central Campus Residence Hall (CCRH), which opened in 1991. This seven-story, 416-bed residence hall is located directly adjacent to the University Center and in proximity to the Louis Salmon Library, Spragins Hall, Roberts Hall, Wilson Hall, the Nursing Building, and the Administrative Science Building. All entering freshmen requesting housing are assigned to this facility. Each student is assigned to a private bedroom in an air-conditioned, carpeted, four-person suite and shares a bath with one other suitemate. Suites, accessible from the ground-floor building entrances, by an elevator, or by stairs, are furnished with a mini-kitchen (small refrigerator, microwave, and sink), dining/study table and chairs, sofa, and easy chairs. Each bedroom has an extra-long twin bed, wardrobe, and desk with computer keyboard drawer, bookshelf, chest, and study chair. Laundry facilities, a recreation room, a study room, and mail service are available in the building. The residence hall is connected by an enclosed walkway to

the University Center facilities, including the cafeteria, game room, bookstore, and various student activity offices and meeting rooms. A sandpit volleyball court and picnic area is located adjacent to CCRH.

All visitors must register and leave picture identification at the security/information desk, which is staffed around the clock. All guests must be escorted by a resident at all times. Over-night guests may not stay over-night more than a total of three nights in any one academic semester. An over-night guest pass must be obtained from a Resident Advisor at least 12 hours in advance. CCRH visitation hours are 8am-2am seven days a week. All residents are accountable for their guest(s) and will be held responsible for any misconduct and/or destruction of property by their guests.

Southeast Campus Housing (SECH), a cluster of nine three-story residences located on John Wright Drive near Madison Hall and most engineering and science classrooms, accommodates upper-class students in single and double rooms in three-bedroom suites and student families in one or three-bedroom apartments. Library users may also determine which books they have checked out, check for materials which are on reserve, make suggestions and comments, and submit interlibrary loan requests via the library catalog.

There is an outdoor bookdrop located near the southeast entrance for the return of books. Materials that would be damaged by books dropped on them should be returned directly to the circulation desk. Library Hours are 8:00 a.m. to midnight Monday through Thursday, 8:00 a.m. to 8:00 p.m. on Friday, 9:00 a.m. to 6:00 p.m. on Saturday, and 1:00 p.m. to 10:00 p.m. on Sunday.

Loan Periods

Undergraduates may borrow materials for four weeks, graduate students for 90 days. Overdue fines accrue at the rate of twenty-five cents per day. All fines must be paid before registration for the following semester.

4.1 ATHLETICS

Location: Athletic Director (SH 205)

Phone: (256) 824-6144

UAH is a NCAA Division II school with two National Hockey Championships and a member of the Gulf South conference. In the summer of 1998, the Hockey Team moved to Division I. The athletic department sponsors intercollegiate sports with the goal of providing the student-athlete with the opportunity to compete intercollegiately within a structured sporting environment that enhances personal growth and development in conjunction with institutional goals. The Director of Athletics reports to the President.

The UAH Athletic Department is located in Spragins Hall, Room 205. The Athletic Department offers competitive athletics on the intercollegiate level in twelve different areas:

For men:

- Basketball
- Cross Country
- Tennis
- Soccer
- Baseball
- Ice Hockey

For women:

- Basketball
- Cross Country
- Tennis
- Soccer
- Softball
- Volleyball

In addition to hosting several national championship events in its history, Charger athletes have gained recognition for UAH by winning at the national, regional, and conference level. The success of the various teams has also resulted in numerous honors for individual athletes. These honors range from conference and regional recognition to the naming of over 16 UAH athletes to All-American teams.

UAH students with current validated ID cards are admitted free of charge to all regular season UAH campus athletic events. Students with current validated ID cards are also admitted free of charge to the Von Braun Civic Center where UAH plays hockey, to Joe Davis Stadium for baseball, and to the Metro-Kawanis Sports Plex for softball.

Phone: (256) 824-6144

The UAH Intramural Program serves the recreational needs of UAH students through a planned program of intramural athletics and other forms

of recreational activities. It provides opportunities for the development of positive attitudes toward recreational activities throughout life, thus deriving optimum benefits of enjoyment, health, social contacts, and sportsmanship. The philosophy of intramural activities at UAH is based on the concept that students should have freedom of choice and responsibility for sharing in planning, supervising, and administering the program.

All students and member of the faculty and staff are eligible to participate in intramural activities. The sports offered include basketball, 3 on 3 basketball, flag football, floor hockey, racquetball, indoor soccer, 6 pac soccer, softball, tennis, volleyball, 4 on 4 volleyball, and weight lifting.

Registration for intramurals is scheduled for fall and spring of each year, and is available at various locations on campus. The intramural scoreboard located behind the trophy case in the lobby of Spragins hall, displays schedules and scores of activities currently taking place.

The intramural office is located in the Department of Athletics in 205G Spragins Hall.

4.3 STUDENT GOVERNMENT ASSOCIATION

Location: UC 106

Phone: (256) 824-6375

The Student Government Association (SGA) is the governing organization for the UAH student body. The SGA is the voice of the students in advocating student concerns and desires to the University community.

The SGA is the supervising organization of student-led and-oriented clubs and organizations on the UAH campus. Students wishing to join or create a club need to contact the SGA to find if a club with their interests is already in place or, if not, to obtain for help in creating an organization to fill that niche.

The SGA also advocates positive changes in the University system, seeking to continually improve student life by receiving student concerns and suggesting courses of action that will better the student body and the University as a whole. The SGA also focuses the leadership efforts of the student body to help create a united, cohesive campus.

The SGA may also be found on the Web at <http://sga.uah.edu/> and is reachable via email at sga@email.uah.edu.

Cabaret also operates "Mom's" - UAH's only nightclub. Mom's provides live entertainment and free refreshments (on occasions there may be a for a dollar charge). Don't forget that ACE also puts on an amateur contest once a year. Future ACE events are being planned with the students in mind, so come and join in the fun!

Film

The Film Series consistently provides a wide variety of quality films, which appeal to the broad spectrum of UAH students. Past films include classical, comedy, and adventure. Special features to watch for include free food nights, outdoor films, and festivals. The intent behind the series is to entertain as well as provide students with a wide cultural background in films and to give students an opportunity to investigate the social and economic importance of film as an art form.

Special Events

The Special Events committee is responsible for planning annual events such as the Back to School Bash, Fallfest, and Springfest. Fallfest and Springfest are "must attend" events for those seeking fun. The activities during these annual events are planned around a central theme and have included inflatable games and Extreme Air Skydive. There is FREE food, fun, and games for everyone.

Publicity

The Publicity Director's responsibility is to inform potential audiences of all programs that the other ACE Activity Boards are bringing to campus. Radio announcements, flyers, posters, sidewalk chalks, free ACE gadgets, and the SOURCE (256) 824-6666 are all used in promoting ACE events.

ACE also wants you to be a part of our team. If you need additional information, please come by our office in the University Center Room 106-F.

4.3.2 FUNDING OF CLUBS AND ORGANIZATIONS

The Student Government Association (SGA) allocates a portion of its annual budget to help fund SGA recognized clubs and organizations. After a club or organization has been chartered by the SGA and recognized by the University, that group is eligible to submit a request to the SGA Legislature for SGA funding. Information on the criteria for such funding and assistance in preparing a budget request can be obtained by contacting the SGA vice president in Room 106 of the University Center or by calling (256) 824-6375.

Groups interested in SGA sponsorship are encouraged to submit their budget request during the spring or summer for the upcoming academic year. SGA funding is limited, and budget requests are handled on a first-come, first-served basis.

4.3.3 UAH CLUBS AND ORGANIZATIONS

A detailed description of the various UAH clubs and organizations can be found in the UAH Catalog. An updated list of clubs and organizations and their descriptions are available on the UAH homepage on the Internet at <http://www.uah.edu/> under the heading of Student Life. 4.4.1 FILLING VACANCIES IN STUDENT POSITIONS ON UNIVERSITY COMMITTEES

Location: UC 114

Phone: (256) 824-6700

It is the policy of the University to fill vacant student positions on University committees in an appropriate and timely manner. When positions that are elected at large and positions representing individual schools

and regularly filled by student elections are not filled, these positions will be advertised and appointments will be made by the Student Government Association in conjunction with the Vice President for Student Affairs. CHAPTER 5

ACADEMIC POLICIES

ACADEMIC POLICIES

5.1 REGISTRATION

Location: UC 118 (Charger Central)

Phone: (256) 824-7777

Dates of advising and continuous registration are listed in the UAH calendar. Any continuing, returning, or new student eligible to register may take part in advising and registration. Students who owe past due amounts may not register until charges are paid in full.

All students should refer to the schedule of classes for required approvals and locations to process registration requests. Students in Administrative science, Engineering, Liberal Arts, Science, and Nursing register in the advisors' offices in their colleges. The Academic Advisement Center will advise and register conditional, undeclared, non-degree, early start, and dual credit/dual enrollment students. Students may register on the WEB, in Charger Central (UC 118), or in the Registration Office (UC 112) if approval requirements have been met.

A student who schedules courses during any registration period makes a financial commitment to the university. If courses are dropped or changed, these changes must be submitted in writing to the Office of Student Records (UC 118). Adjustments in fees, if any, will be made by the Cashier's Office.

5.2 CLASS ATTENDANCE

Education at UAH depends upon the cooperation of students and faculty. Students are held responsible for the full work of the courses in which they are registered, including participation in the discussion and work of the class at each class meeting. Individual instructors may have specific class attendance policies. Failure to attend classes adversely affects the final grade in a course.

Students who are enrolled in 100 level courses are expected to attend all classes. Class attendance is mandatory for students enrolled in 100 level classes in the College of Science.

A student's final grade in each course is determined on the basis of identified course requirements; therefore, regular class attendance is important.

5.3 DECLARING A MAJOR

Location: Academic Advisement, UC 200

Phone: (256) 824-6290

Students wishing to declare a major may do so in the appropriate advising office by completing a *Program of Study* form. The following offices can assist you:

Administrative Science, AS 102

Engineering, EB 157

Liberal Arts, MH 216

Nursing, NB 207 and

Science, UC 200.

Once a major is declared and the *Program of Study* is completed, the student will be assigned an advisor in the major department. A major must be declared by the end of the sophomore year. Career counseling and assistance in choosing a major are available from the Office of Career Services, EB 117. A student may elect to complete requirements for more than one major within the same degree program. Other variations are possible with consultation from an advisor.

5.4 CHANGE OF COLLEGE

Location: UC 118 (Charger Central)

Phone: (256) 824-7777

Students who are pursuing a program of study in one College at UAH and desire to change to a program in another College may petition to do so by completing a Request for Change of College form at the Student Service Center (Charger Central-UC 118). Students should seek academic advisement prior to requesting a change to avoid the possibility of losing credits. Application of previously earned credits toward the new program will be determined after the transfer has been approved.

5.5 CREDIT BY EXAMINATION

Undergraduate students may obtain up to one-fourth of their degree (32 semester hours) by examination. There are three alternatives by which students may gain credit through examination at UAH: The Advanced Placement (AP) Program, the College Level Examination Program (CLEP), and departmental examinations. Credit by examination is not allowed, however, for the following (1) to receive credit when a student has successfully completed a course at a higher level than the one being challenged, (2) to raise a passing grade, (3) to remove failures received in a course during the period for current enrollment, or (4) to satisfy the residence requirements for graduation.

5.5.1 ADVANCED PLACEMENT PROGRAM

Several UAH departments will award credit to students who have earned acceptable scores on Advanced Placement (AP) Program examinations of the College Entrance Examination Board. The areas in which credit is presently awarded are Biological Sciences, Chemistry, History, Mathematics, Physics, English, French, Computer Science, Psychology and Spanish. Credit, if awarded, will be recorded without grades or quality points and will not, therefore, be included in calculation of the grade-point average.

5.5.2 COLLEGE LEVEL EXAMINATION PROGRAM

Location: Office of Testing Services (AS 226)

Phone: (256) 824-6724

The College Level Examination Program (CLEP) is a national program under which a person can receive credit for college level achievement. Anyone who has practical knowledge in an area through independent study, work experience, cultural exposure, and intensive reading may substantially reduce the cost in both time and money spent on a college degree by taking one or more of these tests. These tests are given periodically, but students must be registered for these tests three weeks or earlier before the testing date. For a complete listing of dates and deadlines, contact the Office of Testing Services in the Administrative Science Building, Room 226.

5.5.3 GENERAL EXAMINATIONS

The General examinations are objective tests that measure achievement in five basic areas of the liberal arts: English Composition, Humanities, Mathematics, Natural Sciences, and Social Sciences and History. Credit by General Examination can be given only if examinations were taken before entering college or during the first semester in college, providing the student has not been enrolled in a comparable course for more than three weeks. The student may be awarded 6 hours elective credit per examination. To achieve credit for any of the general tests, the student must score a minimum of 549. No credit is awarded for scores below 549. Credit is recorded without grades or quality points and is counted as elective credit only.

5.5.4 INTERNATIONAL BACCALAUREATE (IB)

Location: UC 116

Phone: (256) 824-7142

The University of Alabama in Huntsville recognizes International Baccalaureate (IB) credits with a score of 5, 6, or 7 on the higher-level examinations. Reports of IB scores should be sent to the UAH Office of Admissions for evaluation. Additional credit may be awarded on a course-by-course basis as approved by the department. Some departments may award credit based on the subsidiary examinations. The application of credits toward specific degree requirements will be determined by the academic unit responsible for the program of study.

IB Biology	BYS 119, 120, 464
IB Chemistry	CH 101, 105, 11
IB Economics	ECN 142
IB French	FH 101, 102, 201, 202, 301
IB German	GN 101, 102, 201, 202, 301
IB Literature	EH 101, 102 (minimum test score 6)
IB Spanish	SH 101, 102, 201, 202, 301

Credit, if awarded, will be recorded without grades or quality points and will not, therefore, be included in calculation of the grade point average.

5.6 EXAMINATIONS

During each semester, one or more announced examinations of class period length may be held.

At the end of each semester, a final examination period is scheduled for each course. Absences from a scheduled final examination without previous arrangement with the course instructor (except in extenuating circumstances) will be classified as unexcused and a failing grade in the class will be assigned.

Any students whose final examination schedule is such that they are scheduled to take three examinations during a single day shall have the right to have the middle examination rescheduled. The date and time of the rescheduled examination shall be by mutual agreement between the student and the affected faculty member and must be agreed upon prior to the final week of the semester. It is the student's responsibility to notify the appropriate instructor of this type of conflict, and it is the instructor's responsibility to verify that the conflict actually exists. If a student is scheduled to take four examinations during a single day, then the same procedure shall apply

except that the student shall now have the right to have both the second and third examinations rescheduled.

Students have the right to review with faculty members their final examinations. Matters of academic dishonesty during examinations are addressed in the Student Judicial Code (see Chapter 7 of this Handbook).

5.7 STUDENT CLASSIFICATION

Undergraduate students are classified as indicated in the following table when they have completed the number of semester hours shown below:

Semester Hours Earned

Freshmen	0-32
Sophomore	33-64
Junior	65-96
Senior	97 up

5.8 STUDENT COURSE LOADS

A full-time undergraduate student is one who is enrolled in courses totaling at least 12 hours a semester. A full-time graduate student is one who is enrolled in at least 9 semester hours. The maximum number of hours in which a student will be permitted to enroll in one semester, without special permission from the dean, is 20 hours for undergraduates and 13 hours for graduate students, including simultaneous correspondence courses. Permission may be granted by the dean of the College in which the student is enrolled to take additional hours (equivalents will be used for noncredit and audit courses). Students enrolling for a minimum load each semester should not expect to graduate in four years unless they enroll in summer school.

Students are responsible for independent study. Careful budgeting of time is necessary if the desired academic goals are to be reached. Accordingly, full-time students are advised to limit their employment.

5.9 SCHEDULE CHANGES

After a student has completed registration, all schedule changes must be made on a Schedule Adjustment Form and recorded in the Office of Student Records.

Credit to Audit

A student is permitted to change a course from credit to audit only during the first two weeks of classes.

Course Changes

1. A Schedule Adjustment Form must be submitted to the Office of Records, UC 124 or Charger Central, UC 118.
2. Removal of a course after the first two weeks of the semester is considered a withdrawal (see below) and a W will appear on the student's transcript.

Other Kinds of Changes

The following kinds of changes may be accomplished only during the designated hours of open and final registration (see UAH calendar).

1. Change from one course to another
2. Change from one section to another section of the same course
3. Addition of a course to schedule.

Course Withdrawal Policy for Undergraduates

Purpose of Policy: When a student signs up for a course, the University and its faculty allocate resources for the benefit of that student which are not truly recovered from the student's tuition. Furthermore, for many courses the demand exceeds the availability of resources making it impossible to serve all students desiring such courses. It is, therefore, incumbent on the student to make the best possible use of these resources. In particular, withdrawing from a course, without just cause, is discouraged. Not only does it represent a misuse of both the student's and the faculty's time and resources, but potential employers and graduate schools tend to view an excessive number of withdrawals on a student's transcript with disfavor.

The University recognizes, however, that there are occasions when a withdrawal from one or more courses is justifiable and even necessary. It is understood that a student may grossly underestimate the demands of a particular set of courses and should be given the opportunity to adjust his or her course load before time and other resources are inappropriately spent by all involved. Later in the term, illness or changing job requirements may make it impossible to continue in a course. It is to handle these exigencies that the following policy is adopted:

General Policy: Up through the eighth week a student may withdraw from any course. After the eighth week a student may withdraw from a course only under extenuating circumstances and with the approval of the dean of the college in which the student is enrolled. In any case, the student should initiate a formal request for withdrawal through the Charger

Central, UC 118. **Class nonattendance does not constitute withdrawal nor does notification to the instructor.** Any student failing to follow the established procedure for withdrawal will continue to be enrolled in the class and may receive a failing grade in that course.

Recording of Withdrawals: If the withdrawal process is completed during the first two weeks, the withdrawing student's name does not appear on the final rolls of the class from which the student withdrew, and that course does not appear on the student's permanent record. If the withdrawal process is completed after the first two weeks, then the withdrawing student's name will be on the final rolls of the class from which the student withdrew, and that course will be recorded on the student's permanent record with a final grade of W. It is the responsibility of the Office of Student Records to inform each instructor in a timely manner (and in writing) when a student appearing on the instructor's final class roll withdraws from that course. The University does not use grades of W to compute grade point averages.

Approvals Required: The University does not require that the student justify any course withdrawal completed before the end of the eighth week. After the eighth week, the student must give evidence of extenuating circumstances to justify withdrawal from a course. Avoidance of an undesirable grade does not justify withdrawal. It is the duty of the dean of the college in which the student is enrolled to verify that the circumstances justify withdrawal from a course. In addition, students participating in certain programs (i.e., athletics, financial aid etc.) must secure approval or give adequate notification to the appropriate officials in these programs. It is the joint duty of these programs and the Office of Student Records to insure that students participating in these programs are aware of any such requirements.

Counseling: Students need to be aware that many potential employers, as well as graduate and professional schools, view an excessive number of W's on a transcript as a flag that the student cannot be counted on to complete demanding projects. Advisors should be informed of this fact and students should be encouraged to discuss with their advisors any plans to withdraw from a course, especially after the first two weeks of the semester.

5.10 GRADES

I-Incomplete

Assigned by the instructor when a student, due to circumstances beyond his or her control, has not satisfied some requirement of the course. The deadline for a student to remedy a grade of I is the last day of class of the next semester enrolled, or one calendar year from the date of the grade, whichever occurs first. If the grade of I is on a student's record at the time of graduation, it is treated as an F.

X-Excused Absence from Examination

Assigned by the instructor when a student completes all course requirements except the final examination. This grade becomes an F unless the examination is completed by the time of the announced deferred examination date at the beginning of the semester of the next regular enrollment of the student. Scheduled deferred examination time allows for only one examination. If a student received more than one X, he or she should make arrangements directly with course instructors to make up additional exams.

W-Withdrawal

Recorded by the Office of Student Records when a student withdraws from a course with passing work.

NC-No Credit

A grade of NC is given in lieu of F for certain 100 level courses when a student does not earn a passing grade.

Other Grades

A grade of S (satisfactory) or U (unsatisfactory) is assigned in all noncredit courses and in some specified credit courses.

A grade of P (passing) or F (failing) is assigned in some courses. (See Pass-Fail System).

Change of Grade

Grades submitted to the Office of Student Records can normally be changed only by submission by the instructor of a Change of Grade form containing a written explanation of the change. The Change of Grade form must be approved by the Department Chair and Dean of the College concerned. A student is permitted a maximum of one calendar year from the date a grade is assigned to request a change of course grade.

Mid-Semester Progress Report

During the first half of the semester, instructors in 100 and 200 level classes fill out a progress report noting an approximate letter grade or whether students are making satisfactory progress, needs improvement, or are not attending. Reports are sent to the student and to the advising offices. Mid-semester grades should be considered as indicators of a student's academic progress at that point and not as predictors of final grades.

Student Grade Report

At the completion of each semester, a report of final grades is mailed to the address furnished by the student. Students may also access final grades on the Internet.

A statement of a student's satisfactory or unsatisfactory academic performance will be provided, upon request, to an individual or agency sponsoring that student's tuition if the individual or agency submits a statement containing the student's written consent to release of the grade, unless written notification to the contrary is submitted by the student to the Office of Student Records before the final examination period.

Grade-Point Average

The grade-point average (GPA also referred to as Quality Point Average) is computed by dividing the total number of quality points earned by the total number of semester hours attempted. Courses in which a grade of W, P, or S is assigned are not included. Courses in which a grade of W, P, NC, or S is assigned are not included in the GPA calculation.

Academic Achievement

Honor Scholar

An undergraduate student in good standing earning 12 or more semester hours in a semester with a GPA of 3.50-4.0 is distinguished by being identified as an honor scholar.

Scholar

An undergraduate student in good standing earning 12 or more semester hours in a semester with a GPA of 3.0-3.49 will be designated on the list of scholars.

5.11 COURSE REPEAT POLICY

Students should be aware that course repeats, for any reason, might not be favorably looked upon by some employers and by professional schools. Hence course repeats should be avoided.

After seeking counsel of an academic advisor, students may repeat any course an unlimited number of times in order to achieve a passing grade or an improved understanding.

A maximum of five course repeats may be excluded from the calculation of the student's Grade Point Average. The student must declare the course repeats before the end of the regular registration period for the semester in which the course will be repeated. Only courses for which the student has received a grade of C, D, or F may be repeated under this option. When withdrawing from a course that has been declared as a course repeat the previous grade will still be used in the computation of the GPA and the course will not count toward the maximum of five repeats. Each time a student repeats a course counts against the maximum of five such

repeats, under this option. *Students may use all five repeats in a single course or in five separate courses or any combination of separate courses and multiple repeats of single courses.* Until a grade other than W is reported, the previous grade will be used for the GPA. The transcript will show both the original grades and the course repeat grades, but only the grade points and credit hours earned in the repeated courses will count toward graduation and will be averaged into the student's Grade Point Average. Concurrent registration for multiple sections of a course is not allowed.

For all other courses repeated at UAH, both the original grade and the repeated grade will show on the transcript and will be calculated in the student's grade point average. A student wishing to exercise the Course Repeat option must file the intent to do so in Charger Central (UC 118) before the end of registration.

5.12 PASS-FAIL SYSTEM OPTION

Location: UC 118 (Charger Central)

Phone: (256) 824-7777

A student wishing to exercise a P-F option must apply to Charger Central (UC 118) when registering or before the end of the third week of classes.

An undergraduate student not on academic probation may take courses on a P-F basis. A student is limited to 12 semester hours of credit on a P-F basis over the course of the degree. Courses within a student's major and minor may not be taken P-F. Required courses in English composition and mathematics may not be taken P-F. Departments may limit the P-F option to courses outside the department or college.

A grade of P may be changed to a regular grade only if the student changes his or her program to an area in which a regular grade is required. The change must be initiated at the dean's office and must go through the normal grade change procedures. Once a P grade has been changed to a regular grade, the regular grade must remain.

Under the P-F system, a grade of P will not be counted in a student's GPA; a grade of F, however, will be counted in a student's GPA.

Even though a student chooses to take courses on the P-F basis, instructors' grade sheets will reflect the actual regular letter grade earned and the student may be informed of the regular grade upon request.

5.13 ACADEMIC BANKRUPTCY POLICY

Location: Charger Central (UC 118)

Phone: (256) 824-7777

An undergraduate student may petition the Admissions and Scholastic Affairs Committee to declare academic bankruptcy. The Scholastic Affairs Committee, after reviewing the petition and consulting with the Office of Admissions and Records, will decide whether to grant the student academic bankruptcy. Under this policy, all college level work completed at UAH prior to a date specified by the student is eliminated from computation of grade-point averages and will not be applied toward a degree at UAH. Such work will not be expunged from the student's scholastic records and transcripts, although it will be designated as work not included in the computation of grade-point averages or applied toward degree requirements. There must be a minimum of two calendar years between the date of the petition and the date specified by the student in the bankruptcy petition. Academic bankruptcy will only be granted once during a student's academic career at UAH.

5.14 RETROACTIVE WITHDRAWAL

Location: UC 114

Phone: (256) 824-6700

Undergraduate students may at times experience extraordinary problems during an academic semester. Within two years of having completed such a semester, a student may petition the Vice President for Student Affairs to withdraw retroactively from ALL classes taken during that semester. A retroactive withdrawal is granted only under exceptional circumstances, such as extraordinary medical or personal problems. The petition should include clear and documented evidence whenever possible. If a retroactive withdrawal is granted by the Vice President for Student Affairs, the grades for all courses taken during the semester in question will be changed to W's.

5.15 ACADEMIC WARNING, PROBATION AND DISMISSAL

In order to remain in good academic standing, students must maintain a grade point average above the Academic Action Threshold (ATT) which varies according to classification. For students with 0-32 credit hours, the AAT is 1.6; for students with 33-64 credit hours, the AAT is 1.8; for student with 65 or more credit hours, the AAT is 2.0.

A student whose semester GPA at UAH falls below the AAT will be placed on academic warning, probation, or dismissal

Academic Warning. Students are subject to academic warning 1.) if they are in good standing and earn less than the applicable AAT for the semester; or 2.) if they earn the applicable AAT or greater for the semester but the UAH cumulative GPA is less than the applicable AAT.

Probation. Students are subject to academic probation if they are on academic warning and the current semester GPA is less than the applicable AAT and the UAH cumulative GPA is less than the applicable AAT.

Dismissal. Students are subject to academic dismissal if they are on academic probation and the current semester GPA is less than the applicable AAT and the UAH cumulative GPA is less than the applicable AAT.

A regularly admitted student dismissed for the first time is automatically eligible to re-enter after being out of school one semester. A student admitted in any special category and suspended dismissed for the first time must petition the Admissions and Scholastic Affairs Committee for permission to re-enter after an absence of at least one semester.

A student dismissed for the second time is disqualified for readmission. After a period of one year, such student may petition for re-admission.

Individual colleges may have additional requirements specific to their programs.

5.16 DEGREE REQUIREMENTS

For a listing of total degree requirements consult the UAH Catalog or see an academic advisor.

5.17 APPLICATION FOR GRADUATION

Location: UC 118 (Charger Central)

Phone: (256) 824-7777

Candidates for graduation must file their application for degree by specified dates for upcoming semesters as indicated below:

October 1 is deadline for May graduation

February 1 is deadline for August completion

June 1 is deadline for December completion

Degrees will be awarded to those candidates who have been certified

prior to the graduation date by the Office of the Registrar as completing all degree requirements.

Early application will assist the student by confirming those requirements lacking.

The Commencement ceremony is held only at the end of the academic year. All students who complete degree requirements in the previous Summer or Fall semesters may participate in the Spring Commencement. Special approval is required for students to participate in the Spring Commencement if they will be completing requirements in the upcoming Summer semester.

5.18 TRANSCRIPTS

Official transcripts are issued and sent by the Office of Student Records to recognized institutions and agencies which require such documents. Transcripts are issued only upon the written request of the student involved.

Official transcripts are not issued directly to the individual student. The student may, however, request an unofficial transcript (faxed or printed copy) which does not bear the university seal.

No transcript will be issued for a person who has an outstanding unpaid financial obligation to the university.

Request for Transcript Forms are available in Charger Central (UC 118).

5.19 TIME TO COMPLETE DEGREE PROGRAM

The degree requirements for graduation are normally those specified in the catalog in effect when a student first enters UAH as a degree-seeking student. At any time during the student's enrollment that requirements for graduation are changed, a student may elect to graduate under the new requirements.

If the student does not complete requirements for graduation within seven years from the date of entry or seven years from the date of the catalog chosen, the student must then change to the catalog then in effect and met the requirements as specified. If a student breaks enrollment for a period of at least 24 months, the student must then change to the catalog in effect at the time of re-enrollment and meet the requirements as specified.

Any exceptions to this policy must be approved by the student's faculty advisor and college dean with the proper notation filed in the student's program of study in the Registrar's office. At any point in which a change in catalog becomes necessary, a new program of study must be completed and proper notation filed in the Registrar's Office.

5.20 ACADEMIC APPEALS

For the policy on academic appeals, see "Grievance Procedures" located in the Administrative Policy section of this Handbook.

CHAPTER 6

ADMINISTRATIVE POLICIES

Administrative Policies

6.1 DRUG AND ALCOHOLIC BEVERAGE POLICY

UAH is committed to providing a learning environment free of illegal drug and alcohol use. University policy forbids the possession or consumption of alcoholic beverages by a student anywhere on University property, except in the student's residence in University housing. In addition, any possession or consumption of alcoholic beverages by a student under 21 years of age, the legal age for drinking established by state law, or any other violation of state or local law with respect to drinking is contrary to established University policy. Activity of this kind may subject a student to both criminal prosecution and campus disciplinary action. (See Code of Student Conduct Chapter 7).

A student organization should be aware that it might be held responsible for actions of individuals, including non-members, connected with their consumption of alcoholic beverages made available by the organization at its functions. Careful consideration of this potential liability under the law and under University policy should therefore enter into plans to offer such beverages at an activity.

Possession, use, or distribution of non-prescribed controlled substances (that is, illegal drugs as defined by federal and state law) is forbidden on University property. Such activity constitutes misconduct under the Code of Student Conduct (see Chapter 7, Article III).

In compliance with the federal Drug Free Schools and Communities Act, all UAH students are provided annually a written statement by the University setting forth in greater detail the UAH disciplinary sanctions which may be imposed for unlawful drug and alcohol activity, the sanctions for such activity under the law, the health risks associated with drug and alcohol use, and counseling and treatment programs which are available.

6.2 EQUAL EMPLOYMENT, NONDISCRIMINATION AND AFFIRMATIVE ACTION POLICY

The University of Alabama in Huntsville is committed to making employment opportunities available to qualified applicants and employees without regard to race, color, religion, sex, age, national origin, or disability, or in the case of a citizen or intending citizen (as defined by Federal Law), citizenship status. All personnel actions and programs, including recruitment, selection, assignment, classification, promotion, demotion, transfer, layoff and recall, termination, determination of wages, conditions, and

benefits of employment, etc., shall instead be premised upon a person's ability, experience, and other related job-related qualifications.

Additionally, the University is an affirmative action employer of women, minorities, qualified individuals with a disability, and covered veterans. It is committed to making sustained, diligent efforts to identify and consider such individuals for employment and for opportunities arising during employment.

UAH is also committed to equal educational opportunity for all qualified students and does not discriminate in its educational policies, practices, programs, or activities on the basis of race, color, religion, sex, age, or national origin, or against qualified disabled person. Its admissions, financial aid, athletics, student services, and other programs are administered in accordance with the policy.

Discrimination, under this policy, shall be understood to include harassment in the form of verbal or physical conduct relating to an individual's race, color, religion, sex, age, national origin, or disability. Such harassment must have the purpose or effect creating an individual or unreasonably interfering with an individual's performance as an employee or student. Harassment in the form described above which adversely and substantially affects an individual's employment or educational opportunities in other ways is also considered to be unlawful discrimination

Sexual harassment, in addition and more specifically, includes unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when any of the following are present: submission to such conduct is made a condition, explicitly or implicitly, of employment or academic advancement; submission to or rejection of such conduct by an employee or student is used as the basis for employment or academic decisions; or such conduct has the purpose or effect of unreasonably interfering with an individual's performance as an employee or student or creating an intimidating, hostile, or offensive working/learning environment.

In these respects, the university affirms its desire to create a work environment for all employees and a learning environment for all students that is fair, humane, and responsible-an environment which supports and rewards career and educational goals on the basis of such relevant factors as ability and employment or academic performance. A university student or employee who is found, under established university procedures, to have been guilty of discriminatory conduct in violation of these policies will be subject to discipline, up to and including possible dismissal or expulsion, by the university.

These commitments are designed to meet nondiscrimination/affirmative action requirements imposed by the following federal and state sources of legal obligation, as amended. Title VI and VII, Civil Rights Act of 1964; Executive Order 11246; Title IX, Education Amendments of 1972; the

Rehabilitation Act of 1973 and the Americans With Disabilities Act of 1990; the Equal Pay Act of 1963; the Age Discrimination in Employment Act of 1967; The Age Discriminations Act of 1975; the Vietnam Era Veterans' Readjustment Assistance Act of 1974; Immigration Reform and Control Act of 1986; contract and grant agreements with governmental agencies; and the Alabama Constitution employees and students include specific administrative procedures and implementing measures designed to carry out these pledges and to insure compliance with foregoing laws.

6.3 DISCRIMINATION GRIEVANCE PROCEDURE

1. Introduction

- a. Coverage. The procedures set out forth below shall be used with regard to complaints of discrimination based on race, color, religion, sex, age, national origin, or disability made against a University student, faculty member, or administrative/staff employee.
- b. Objectives. These procedures are intended to provide a consistent, workable and time grievance/disciplinary means mechanism through which complaints of discrimination may be addressed.

Such a mechanism allows the University to carry out its several important responsibilities, including specifically the following:

- * to protect the campus environment against such unlawful discrimination,
 - * to protect redress to individuals who have been or are victims of such unlawful conduct, and
 - * to protect those accused of such unlawful conduct against injury resulting from untrue charges.
2. Confidentiality. Disclosure of information relating to a case shall be limited, to the extent reasonably possible, in all institutional proceedings.
 3. General Responsibility. All members of the University community have a general responsibility to contribute in a positive way to a University environment that is free of sexual harassment. Beyond this, supervisors and administrators have a special measure of responsibility. Any time such individuals become aware of conduct involving possible sexual harassment in their respective units, whether or not a complaint or grievance is filed, immediate steps must be taken to deal with the matter appropriately. The officials identified below should be consulted for assistance. Supervisors and administrators are also responsible for educating and sensitizing employees in their units about this issue.
 4. Availability of Counseling. Counseling and personal help are available for individuals with concerns, which may fall in the area of sexual harassment. Such individuals should contact the appropriate receiving official identified below for referral to counseling personnel.
 5. Initiation/Filing of Complaint
 - a. Who May File. Anyone in the University community (the "complainant") may file a complaint alleging a violation of the institution's sexual harassment policy. This includes but is not limited to the person against whom the alleged harassing conduct has been directed.
 - b. Receiving Official. A complaint may initially be oral or written and should be directed to one of the following University officials, depending on the status of the complainant:
 - If the complainant is a student – the Student Equal Educational Opportunity Officer (currently, the Vice President for Student Affairs).
 - If the complainant is an administrative or staff employee- the Staff Equal Employment Opportunity Coordinator (currently, the Assistant Vice President of Human Resources)
 - If the complainant is a faculty member - The Faculty Equal Employment Opportunity Coordinator (currently the Associate Vice President for Academic Affairs).
- These individuals shall advise complainants about options avail-

able to them and may provide other assistance. A receiving official may also, in an appropriate case, attempt to resolve the complaint informally and by voluntary means and, in this effort, may confer with and seek the assistance of the supervisor of the person charged with the harassing conduct (the "respondent"). If such settlement is achieved, the terms or actions taken shall be summarized by the receiving official and placed in a file maintained by the receiving official as a record of the complaint and its disposition. Except for the discussions described above, the identity of the complainant shall not be disclosed at this stage to the respondent or to other University officials.

6. Preliminary Action. If the complainant desires that the matter be pursued further by the University, he/she shall request that it be referred for preliminary action. The following procedures shall apply to such a referral:
 - a. Written Complaint. The complainant shall state the facts and circumstances (what was done, by whom, when, where, who was a witness, etc.) pertinent to the alleged harassment in writing and shall give a signed copy to the receiving official.
 - b. Referral under UAH Student Code of Conduct. If the respondent is a student, the case shall be handled in accordance with the disciplinary procedures set forth in the UAH Code of Conduct.
 - c. Referral to Preliminary Action Officer(s). In all other cases the receiving official shall meet with the Vice President in whose division the respondent is employed (the "cognizant Vice President"). They shall jointly appoint one or more University employees as Preliminary Action Officers (PAOs) to carry out certain duties stated below. The cognizant Vice President shall give a copy of the complaint to the respondents, along with written notice indicating the appointment of the PAO and the general manner by which the complaint is to be handled. In the event, however, that the complaint is, in the opinion of both the receiving official and the cognizant Vice President, clearly frivolous or patently without merit, the complaint may be dismissed upon the notice of such action to the complainant.
 - d. PAO Duties
 - (i). Investigation. The PAO shall conduct a preliminary investigation of the facts alleged in the complaint. This investigation shall include a meeting with the complainant to obtain further information. Early in the investigation the respondent shall be given the opportunity to meet with the PAO to explain, deny, or otherwise respond to its allegations. Persons who may have information as witnesses or otherwise may also be interviewed, and the PAO may review documents or other materials, which may be helpful. Notes of interview shall be made, and copies of any important documents

or materials shall be retained for the file.

(ii). Voluntary Resolution. The PAO shall endeavor, in appropriate cases, to facilitate resolution of the charges through informal consultation with the principal parties, mediation, or other voluntary means. If a case is settled in this manner and with the agreement of all parties involved, the PAO shall inform the cognizant Vice President and the receiving official and shall summarize the settlement in writing for the file. The case shall be deemed closed, and the file shall be forwarded to the receiving official for retention.

(iii). Findings and Recommendation. For any case not settled through mediation, the PAO shall make a written report to the cognizant Vice President. The report shall include a summary of findings concerning the factual basis for the charges and a recommendation concerning action to be taken by the University. Depending on the findings, two types of actions may be recommended:

If the PAO concludes that, based on credible information acquired during the investigation, there is a reasonable basis for believing that harassment did occur, he/she shall so state and shall recommend that the complaint be referred for formal proceedings.

If the PAO concludes that, based on credible information acquired during the investigation, a reasonable basis does not exist for believing that harassment occurred, he/she should so state and shall recommend that the complaint be dismissed.

A copy of the report shall be sent to the receiving official.

- e. Action by Vice President. Upon receipt of the PAO report, the cognizant Vice President shall have the following options:
 - (i). The Vice President may agree with the "no reasonable basis" finding and dismiss the complaint. The file shall be returned to the receiving official for retention
 - (ii). The Vice President may agree with the "reasonable basis" finding and refer the complaint for formal proceedings. A referral may also occur where the Vice President disagrees with a "no reasonable basis" finding and dismissal recommendation from the PAO.
 - (iii). The Vice President may agree with the "reasonable basis" finding and impose upon the respondent the sanction of oral or written reprimand or warning.
- f. Appeal of Dismissal/Referral/Sanction to President. The complainant or the respondent may appeal the Vice President's decision to dismiss or refer the complaint, respectively, to the President by filing an appeal in writing in the Office of the President. Either party may also appeal the Vice President's imposition of sanction,

as provided above. The President's decision on the appeal shall be final.

7. Formal Proceedings. Referral for formal proceedings shall be as follows:

a. Adversary Hearing

(i). Faculty Member. If the respondent is a faculty member, the complaint shall be submitted to an adversary hearing. The procedures established for a grievance hearing before the Faculty Hearing Committee and for termination of a faculty member for cause, as stated in the current Faculty Handbook, shall be used in combination for this purpose.

(ii). Administrative/Staff Employee. If the respondent is an administrative or staff employee, the complaint shall also be submitted to an adversary hearing. The method of selecting a hearing panel, pre-hearing and hearing procedures, rights accorded the complainant and the respondent, and similar matters shall be determined by the cognizant Vice President, employing as a model the due process hearing procedures already in use by the University in related contexts.

b. Case File. Only the complaint shall be forwarded to the hearing panel. Notes written and materials gathered by the PAO shall not be provided to the panel but shall be sent to the receiving official for retention in the permanent case file.

c. Decision by President. The report of the hearing panel containing findings and recommendations with respect to the harassment charges shall be submitted for action to the president. The President's decision may include a finding that the charges were not established and are to be dismissed, a finding that the charges are established and warrant imposition on the respondent of an appropriate sanction (either that recommended by the hearing panel or a different sanction selected by the President), a resubmission of the case to the hearing panel for reconsideration of the matter, or any other action deemed appropriate by him. The ultimate decision by the President shall be final.

8. Time Concerns.

a. Timeliness of Filing of Complaint. A complaint of sexual harassment should be made as soon as possible after the alleged acts occurs. Unusual delay in bringing such allegations forward under these procedures may cast doubt on the credibility of the complaint and lead to its early dismissal.

b. Promptness of University Action. All phases of the handling of a complaint shall be completed as expeditiously as is practical under the circumstances. The University is committed to resolving complaints of sexual harassment without undue delay.

9. Procedural Departures. The procedures set forth above have been developed to insure an orderly and fair disposition of charges of sexual harassment. While it is anticipated that these procedures will generally be followed, the University reserves the right to modify or depart from them in any instance in which, in its sole discretion, it is deemed appropriate or prudent to do so.
10. Records. All documents relating the University's processing of a complaint, or a copy of such documents, shall be placed in a case file. The case file shall be maintained by the appropriate receiving official as a permanent record.
11. Non-retaliation. It is a violation of the law and University policy for an employee or student to be disciplined or otherwise disadvantaged as a result of good faith resort to this complaint procedure. The initiation of a complaint of sexual harassment in good faith shall no therefore be grounds for discipline or other adverse action.

6.4 CONFIDENTIALITY OF STUDENT RECORDS

Location: UC 124

Phone: (256) 824-6426

The Family Educational Rights and Privacy Act of 1974 (FERPA) is a federal law that protects the confidentiality of student education records. To implement FERPA, the University has formulated and adopted a written institutional policy governing the handling of these records. Copies of this policy document are available to students in the Office of Admission and Records, Room 124, University Center, and it should be referred to for a more comprehensive treatment of this subject.

The term "education records" under FERPA includes generally any record, whether in a printed, handwritten, audio, video, or computer media format, maintained by the University and containing information directly related to a student in his/her role as a student. Certain records are, however, excluded by FERPA from this broad definition, such as those made by instructional, supervisory, and administrative personnel and kept in their sole possession, those made by campus police, and those made by a physician or other professional medical personnel in connection with treatment of the student.

Under FERPA and University policy, a student has a right of access to his/her education records and may inspect and review the information contained in them. To exercise this right, the student should present a request to the University office where the record is located, and a response will be made no later than 45 days later. In certain cases, a copy of the record may be provided, with a copying fee, as an alternative to actual inspection. Some records are not within this right of review, such as

financial information from the student's parents and confidential letters or statements of recommendation where the student has waived the right of access.

A student who believes his/her education records contain information that is inaccurate, misleading, or in violation of his/her privacy rights may bring the matter to the attention of the appropriate records official. If by informal discussion with this official the student does not obtain the corrective action desired, the student will then be entitled to a hearing at which he/she may challenge the objectionable item. Additional information about hearing procedures will be given to the student at that time. The decision of the hearing official or panel shall be final. If the decision is adverse to the student, he/she may insert in the educational record an explanatory statement relating to the disputed item.

A student's privacy interest in the education record is further protected by the rule against unauthorized disclosure. Generally, the University may not, without the student's consent, release educational record or any personally identifiable information in it to other individuals or entities.

Disclosure in certain circumstances, however, is specifically excepted by FERPA from the foregoing rule. These circumstances include disclosure to certain parties- University personnel who have a legitimate educational interest in the information, officials of institutions where the student is seeking to enroll, parties to which the student is applying for financial aid, the parent of a dependent student, etc, disclosure to comply with a judicial order or lawfully issued subpoena; or disclosure in connection with health or safety emergency. Under the first exception, "University personnel" includes any UAH employee, and a "legitimate educational interest" means that the employee has a need for access to the record to perform appropriate tasks clearly within the area of responsibility of the employee, to perform a task related to the education or discipline of the student, or to provide a benefit or service relating to the student. Personally identifiable information will be transmitted by the University under these exceptions only upon the condition that the recipient not permit any other party to have access to it without the student's consent.

The University may also release what is called "directory information" without obtaining the student's consent. Directory information is limited to the following: the student's name, address (local and permanent), telephone number, e-mail address, date and place of birth, enrollment status (full-time or part-time), class schedule/class roster, major field of study, participation in officially recognized activities and sports, dates of attendance, degrees and awards received, and the previous educational institution most recently attended, and a photograph of the student. However, a student may prevent the release of even this information, if he/she wishes, by so indicating at the time of registration on a form provided for this purpose. A request for nondisclosure of directory information must be renewed each semester.

Any student who believes that his/her rights under FERPA have been violated by the University may notify and request assistance from the Provost and Vice President for Academic Affairs. The student may also file a complaint with the Family Policy Compliance Office, Department of Education, 600 Independence Avenue, S. W., Washington, D.C. 20202-4605.

6.5 BILLING AND PAYMENT PROCEDURE

Location: UC 213

Phone: (256) 824-6226

Students participating in early registration will receive in the mail (see mailing date in calendar in timetable of classes) a combined schedule of courses and a tuition bill. Tuition and fee should be paid by the first day of the semester. Payments may be charged to VISA, MasterCard, American Express or Discover by calling (256) 824-7321. Students who do not pay bills in full by the first day of the semester are assessed a \$50.00 late fee. Student who do not pay their bills by the end of the second week of classes for fall and spring semesters will be dropped from class rolls and enrollment will be canceled. For summer sessions, please check dates in the Schedule of Classes.

Send payments to:

The University of Alabama in Huntsville
Cashier's Office, University Center Room 213
Huntsville, AL 35899-5050.

Tuition will be payable at the time of registration for all who register on or after the first day of the semester.

Charges resulting from dropping, adding, or other changes will be due at the time the change is made.

Students taking at least three hours are eligible for the deferred payment plan. This plan enables total current tuition, current housing and other current charges to be divided into two payments each semester. The first payment of at least half of the total amount of charges (after Financial Aid) is due by the first day of the semester. The second payment of the remaining balance is due the end of the 6th week of the semester. There is a \$20.00 non-refundable administration fee that must accompany the deferred payment plan agreement. Deferment payment plan agreement forms are available in the Cashier's Office, UC 214 and in Charger Central, UC 118. After completion and authorization the deferment payment agreement form should be presented with the first payment to the Cashier's Office. The deferred payment is only offered for the Fall and Spring semesters and a

deferment agreement from must be completed each semester. Many students have all or part of their tuition and other costs paid by various sponsoring agencies (including tuition remission for faculty, staff and their dependents). It is the student's responsibility to see that the Cashier's Office receives the approved tuition assistance authorization from the sponsor. In many cases the sponsor does not pay the entire amount. These students should contact the Cashier's Office to determine the unpaid amount and make full payment before the due date to avoid cancellation of their schedules.

Fees for courses being audited are the same as those for courses being taken for credit.

Full-time students may include full-term, regular credit courses offered through the Division of Continuing Education under the maximum fee structure of UAH. Standard fees and fee conditions, however, do not apply for short-term, off-campus, or noncredit offerings. For a complete list of fees and charges for credit courses, consult the appropriate "Schedule of Classes".

6.6 REFUNDS

Location: UC 118

Phone: (256) 824-7777

Students may drop courses through the second week of the semester (check the "Schedule of Classes" for Summer dates) and receive a 100% refund. No refunds will be granted after the second week of the semester. A student desiring to withdraw from one or more courses must complete a withdrawal request form at Charger Central, University Center 118 or Registration, UC 112. The date of withdrawal is the date the written request is first received at one of these locations. Fees related to withdrawal from courses, which are scheduled on other than a full-semester basis, will be refunded if dropped prior to the start of that class.

Students suspended for disciplinary reasons shall have no right to a refund of any portion of fees paid or due to be paid. Policy regarding withdrawals see Student Handbook at 5.9.

6.7 BALANCES

Past due balances are a debt owed the State of Alabama and appropriate action will be taken to collect all balances. Holds will be placed on all students' accounts that have a past due balance. This hold will prevent them from receiving grades, transcripts or registering for another semester at UAH. To the extent permitted by the laws of the State of Alabama, any

6.9 PARKING AND TRAFFIC REGULATIONS

Location: PPB

Phone: (256) 824-6596

General

All motor vehicles driven or parked on the UAH campus by students or faculty/staff members must display a current UAH vehicle decal. The decal must be affixed to the right bumper or rear window, outside bottom right corner (passenger's side). Registration or re-registration takes place at the beginning of each school year.

Current decals and permits issued at Alabama Agricultural and Mechanical (A&M) University are accepted on this campus. However, those issued by all other colleges and universities are not valid on the UAH campus.

UAH does not assume the obligation of providing a parking space for all motor vehicles. The parking plan is designed, however, to accommodate most persons desiring to use campus facilities. It is the responsibility of each student or faculty/staff member to acquaint all members of their household who might have occasion to visit the campus with the Motor Vehicle Regulations.

The speed limit on campus is 25 M.P.H. and must be observed at all times.

Vehicle Registration

A vehicle registration fee will be added to all students' tuition statements the first term they register for classes. A decal along with a credit affidavit and a copy of the Motor Vehicle Regulations will be mailed to each registered student. Students who wish to register additional vehicles must come by the Department of Public Safety.

If a student does not operate/park a vehicle on campus he/she may receive a credit by returning the decal and the completed affidavit form to the Department of Public Safety.

The Department of Public Safety is open for vehicle registration from 7:30 a.m.-5:00 p.m., Monday through Friday. It is located in the Physical Plant Building on John Wright Drive.

A complete list and explanation of UAH parking and traffic regulations can be found in the current Motor Vehicle Regulations Booklet.

3. Outside groups wishing to display posters, etc., will normally request approval of the Office of Advancement. Posters must be stamped with the date for removal. A person in each building will be designated to monitor the removal of the material when out of date.

B. The Vice President for Student Affairs will be the approval office for student requests of posters, displays and handbills. The maintenance staff will remove on sight and without notice any poster or signs placed on non-designated walls, doors, or glass areas.

University Center

Students and recognized student organizations who desire to advertise in the University center must carry their publicity material to the University Center Information Desk. Posters can be no larger than 14"x22". If approved, the publicity materials may then be displayed on University Center bulletin boards. No notices of any kind may be displayed on glass doors, walls or any painted surface. Improperly displayed notices, including those not approved in advance by the University Center will be removed.

Handbills cannot be placed on cars parked on University property.

Smoking is not permitted in buildings on the campus of The University of Alabama in Huntsville. Smoking areas outside and adjacent to some campus buildings are equipped with appropriate receptacles.

6.14 INJURY/ACCIDENT REPORTS

Location: PPB

Phone: (256) 824-6596

When a student sustains a personal injury on UAH property, no matter how minor the injury, the Department of Public Safety should be contacted as soon as possible and, in any event not later than five days after the injury so that a personal injury report form may be completed and filed.

In the event of a traffic accident on UAH property, the UAH Department of Public Safety (256-824-6911) should be notified immediately so that officials may file a motor vehicle accident report.

6.15 CATALOG POLICY

A complimentary copy of the current UAH undergraduate or graduate catalog is provided to each student upon admission to the University. Additional copies of the catalog may be obtained in Charger Central, UC 118.

6.16 GRIEVANCE PROCEDURES

Resolution of a student's grievance, unless otherwise specified, shall begin with the university official whose decision is being appealed. If the problem cannot be resolved at this level, the matter may be pursued through the appropriate administrative chain. For academic appeals, this chain is the faculty member, the department chair, the dean of the college (or director of the division) and the Provost, in that order. For non-academic appeals, this chain is the director of the department, and then the appropriate vice president. Appeals are always submitted in written form.

At each level of appeal above the initial level, the student shall provide to the appropriate official a written statement of grievance, setting forth the nature of the grievance, the pertinent facts, and the remedial action desired; any other pertinent materials shall also be presented. The student shall receive a written response from such official within two weeks of the latter's receipt of the grievance statement. The response shall be one of the following:

- (a) A decision in favor of the student;
- (b) A decision supporting the previous action;
- (c) A statement of compromise agreed to in a discussion with the parties involved and signed by them;
- (d) A recommendation the challenged official's immediate supervisor, with a copy to the student; or,
- (e) An explanation for delaying the decision for an additional two weeks followed by a response as in a-d above by the end of that period.

If, at any level, a student does not receive a response in the manner stated above, he or she might immediately submit his or her grievance to the official at the next level. The procedure there will be the same as described

above. The failure of an official to respond will, therefore, not preclude a student from carrying the grievance to the next level. If, for any reason, a student decides that he or she does not wish a written response, the student shall so indicate in the statement of grievance submitted to the official at that level.

If, the student feels that a satisfactory resolution of the grievance has been reached at any level, the process shall be concluded and any party need take no further action. If after exhausting the administrative chain as described above a student still feels that there is just cause for grievance, the student may seek redress from the President of the University. When the matter has been presented by written statement to the President for final action, the President, or his designee, shall respond to the student within the time limit specified above.

6.17 CAMPUS SECURITY ACT

UAH is subject to the Crime Awareness and Campus Security Act passed by Congress in 1989. In compliance with the Campus Security Act, UAH has developed an Annual Campus Security Report. A copy of this report is available at the University Center Information Desk, Department of Public Safety, Housing Office, and Office of the Vice President for Student Affairs.

6.18 SEXUAL ASSAULT PROGRAM

Location: UC 114

Phone: (256) 824-6700

A particularly serious type of criminal behavior to which campuses are not immune is sexual assault. The University has in place a number of activities and programs intended to help reduce the possibility of sex offenses occurring on its campus. Included are presentations on rape/sexual offense awareness offered to students each year by various UAH personnel. The University also encourages the reporting by employees and students of conditions on campus, which may contribute to a risk of sexual assault, so that appropriate action may be taken.

A student who is a victim of a campus sexual assault should immediately contact personnel in the Vice President for Student Affairs or Student Development offices. Individuals in these offices are available to provide assistance and to insure that the student receives counseling and other support as needed. Contact should also be made with UAH Police and the local police authorities.

Sexual assault is, of course, a crime, which may be prosecuted through the courts. It is also a violation of the UAH Code of Student Conduct

subjecting the offender to disciplinary sanctions in accordance with policies and procedures established by the Code.

A copy of the complete UAH policy and program statement regarding sexual assault is available in the Office of Vice President for Student Affairs, University Center, Room 114.

CHAPTER 7

CODE OF STUDENT CONDUCT

Student Conduct

Location: UC 114

Phone: (256) 824-6700

To All Students, Faculty and Staff:

By issuance of the Code of Student Conduct, The University of Alabama in Huntsville hereby establishes the standards and disciplinary procedures, which shall govern student conduct at this institution. Students and student organizations will be expected to become familiar with this Code and to assure its successful operation by their observance of its provisions and their support of its objectives.

All questions regarding the Code should be directed to the Vice President for Student Affairs.

ARTICLE I. INTRODUCTION

The University of Alabama in Huntsville is an academic institution with a mission which is, in the broadest sense, educational in character and which is carried out by means of programs and activities devoted to the pursuit of knowledge, the instruction and development of students, and the general betterment of public life in the area it serves. It exists primarily as a community of individuals, including students, faculty, administrators, and staff, who provide, participate in, and/or support these activities and programs. Its campus, facilities, properties, and other resources facilitate the educational mission.

The University has an inherent interest in developing policies to preserve and enhance its ability to function effectively as an academic institution. These policies must uphold the integrity of the educational process and protect persons and property. They necessarily entail recognition of both rights and responsibilities for all members of the University community. It is these considerations which make student conduct a natural and legitimate concern of the University.

A person enrolling at the University comes to the campus as both a citizen and a member of the academic community. As a citizen, a student is entitled to the freedoms and rights guaranteed to other citizens by the United States Constitution and the Constitution of Alabama. The right of free speech, lawful assembly, petition, due process, etc., are not lost upon enrollment. As a student, the individual also has a right to the opportunity to learn and to benefit from the institution's educational environment.

Accompanying these rights, however, are certain general and special responsibilities. A citizen-student must abide by federal, state, and local laws. The student is obligated to respect the lawful rights of others. The

student is expected to comply with valid institutional regulations, to contribute to the good order of the University's academic and administrative processes, and to uphold standards of common decency and honor in all conduct. These incumbent rights and obligations are inextricably linked together. It is only when individuals are responsible as citizen-students that their rights as citizen-students can be assured. Freedom must be exercised responsibly in the context of recognized interests of others and of the institution itself.

It is to secure these ends that the policies and procedures in this Code are established. Such policies and procedures are fundamentally designed to help maintain a campus environment conducive to learning and other educational pursuits. They are intended to ensure the enjoyment by students of all proper rights, without undue infringement by others. They are a means to the attainment by the University of its educational mission by protecting the institution's processes, resources, and constituent community.

General authority in the governance of students enrolled at any campus of The University of Alabama System is vested by law in the Board of Trustees. See Alabama Constitution, Article 14, Section 264; Section 16-47-34, Code of Alabama (1975, as amended). The Board has delegated responsibility for supervision of student affairs to the respective campus Presidents. It is within the scope of such authority by the President, and pursuant to such further delegation to the Vice President for Student Affairs, that this Code of Student Conduct is promulgated for The University of Alabama in Huntsville.

This Code shall be published and made available, by any reasonable means, to students at this institution, and it shall be applicable to all such students (undergraduate and graduate, full-time and part-time, etc.). Upon enrollment a student shall be deemed to have accepted the conditions and obligations stated herein and to have agreed to be bound hereby, in addition to all other applicable university regulations which may have been or may in the future be issued and published by proper authority. The Code shall likewise apply to all student groups, whether formally or informally organized and whether chartered by the University or not.

Conduct off-campus as well as that taking place on University property shall be fully within the scope of this Code. The fact that criminal or civil proceedings may have been instituted against a student shall not bar commencement of the disciplinary process involving such student under this Code, nor shall the University be bound by the outcome of such proceedings in its determination of whether misconduct did or did not occur or in its selection of an appropriate sanction. In regard to conduct by a student which may be subject of such a criminal or civil action, the University shall have the discretionary right to proceed under this Code against the student before, during the pendency of, or after the final disposition of such action, or even in the absence thereof. The purposes, procedures and outcomes provided for in the Code are very different from those of the

criminal justice system. As a general policy in such a situation, however, the University shall resort to its disciplinary process only where the alleged conduct directly and/or adversely affects interests of the institution or the campus community, as discussed above.

ARTICLE II. STUDENT RIGHTS AND RESPONSIBILITIES

As a means of giving greater content and definition to the important notion of student rights and responsibilities, those identified below shall be recognized as belonging to students at this institution. This enumeration is not intended to be exhaustive, however, nor shall it in any way prevent recognition of additional, different, or modified rights and obligations for students through supplementation to this Code, issuance of other University policy, or any alternative, appropriate means.

2. Discussion and expression of all lawful view is permitted within the institution in public places subject to reasonable time, manner, and place requirements for maintenance of order and to applicable state, federal and local laws. The University retains the right to provide for the safety of individuals, the protection of property, and the continuity of the educational process in maintaining order.

ARTICLE V. DISCIPLINARY PROCEDURE

A. *Filing a Complaint*

1. *Who May File.* A complaint charging a student or an organization with misconduct may be filed by any University person having knowledge of the pertinent facts based on personal observation or other reliable information. A complaint may be filed in the name

of the University by an authorized institutional official. The party filing a complaint shall be designated the "Complainant" and the party charged with the misconduct the "Respondent" for the purpose of this Code.

2. *Form.* All complaints must be in writing and must be submitted on a form available from the Judicial Affairs. A complaint shall identify the type(s) of misconduct charged (see Article III), shall succinctly state the alleged facts upon which each charge of misconduct is based, and shall be signed by the Complainant. Exhibits or attachments, other than extra sheets needed to complete the complaint, shall not be submitted with the complaint.
3. *How to File.* Filing shall be accomplished by delivery of a signed complaint to the Judicial Officer.

B. Determination of Jurisdiction. The Judicial Officer shall first address the issue of jurisdiction based on the principles set forth in Article IV.

1. *Publications Board.* A complaint within the jurisdiction of the Publications Board shall be processed as provided in Appendix A of the document "Publication Board - Statement of Purpose, Operation, and Responsibility."
2. *University Judicial Board.* A complaint within the jurisdiction of the UJB shall be processed as provided below:

C. Preliminary Action.

1. *Preliminary Action Officer.* Each case shall be assigned by the Judicial Officer to a Preliminary Action Officer (PAO) selected on a rotating basis from the faculty and staff membership of the UJB. All academic cases will be handled by a faculty PAO. With respect only to complaints of misconduct by residents of University housing occurring in or about the housing area, either the Associate Director of Residence Life or the Resident Director, as selected by the, Judicial Officer shall serve as the PAO.
2. *Mediation.* The PAO shall, in appropriate cases, seek prompt resolution of the charges through informal consultation with the principal parties, mediation, and other voluntary means.
3. *Academic Misconduct - Referral.* If a charge of academic misconduct is not settled through mediation, it shall be referred for a hearing under the provisions set out in Articles V-D and V-E.
4. *Other Charges - Preliminary Investigation.* In a case involving any charge other than academic misconduct, if settlement is not achieved through mediation, the PAO shall conduct a preliminary investigation of the matters alleged in the complaint. The PAO would ordinarily, in carrying out the preliminary investigation, meet with the Complainant, attempt to elicit information from any witnesses, review documents or inspect property which may be involved, etc. Early in the course of such investigation the PAO shall meet with the Respondent for the purpose of presenting such

party with the complaint and allowing the latter an opportunity to explain or rebut its allegations. To facilitate such a meeting, the PAO shall give the Respondent written notice stating that a complaint has been filed, indicating the general nature of the misconduct charged, and offering the Respondent an opportunity to meet informally with the PAO for the purpose mentioned above. The notice shall state that it is the responsibility of the Respondent to arrange a meeting with the PAO and that scheduling of the meeting must take place within 5 days of the notice or the Respondent will be deemed to have waived the opportunity for such a meeting. Failure of the Respondent to schedule a meeting within such 5-day period shall, absent mitigating circumstances, constitute a waiver, and the PAO may proceed without the necessity of meeting with the Respondent.

5. *Organizational Responsibility.* The PAO shall examine any complaint, which alleges misconduct by a student group, or organization or which alleges individual misconduct under circumstances where there may be group responsibility. In either event, the PAO shall consult with the Director of Student Activities and the presiding officer of the student representative of the organization most immediately concerned with the group (such as the Interfraternity Council, Panhellenic Board, Student Program Council, Student Government Association, etc.) to determine whether individual or organizational misconduct should properly be charged. The complaint may be amended to conform to such determination.
6. *Reasonable Suspicion Determination.* If settlement is not achieved or if it is not appropriate under the circumstances, and after completion of the preliminary investigation, the PAO shall decide whether the complaint warrants a full hearing, based on a finding of reasonable suspicion. Reasonable suspicion shall be deemed established when, upon preliminary inquiry, an apparent state of facts is found to exist as would incline a prudent person to suspect or believe, though there may be some doubt, that the Respondent may have committed the misconduct charged. A finding shall be made as to each charge of misconduct.
7. *No Reasonable Suspicion - Dismissal.* In the event the PAO concludes that reasonable suspicion does not exist as to any charge, the charge or, if appropriate, the complaint shall be dismissed as follows:
 - a. *Notification.* The Complainant, Respondent, Judicial Officer, and Vice President for Student Affairs shall be given written notice of the dismissal and notation of the dismissal shall be entered into the case.

- b. *Appeal.* The Complainant may appeal the dismissal by filing a notice of appeal, with supporting argument if desired, in the Office of the Vice President for Student Affairs within 5 days of the date of the PAO's notice of dismissal. The appeal shall be addressed to the Judicial Officer. Grounds of appeal shall be limited to an allegation that the dismissal is clearly erroneous (under the reasonable suspicion standard) or that serious procedural error was committed.
 - c. *Review on Appeal.* The Judicial Officer may affirm the dismissal or may reverse the dismissal and return the case to the PAO for disposition or further action in accordance with the instructions of the Judicial Officer. The decision of the Judicial Officer shall be communicated in writing to all parties and shall be final.
8. *Reasonable Suspicion - Conference.* If the PAO concludes that reasonable suspicion as to any charge does exist, he/she shall schedule a conference with the Respondent. The conference shall be at a time, which does not interfere with the Respondent's classes, and reasonably advance written notice shall be given to the Respondent by the PAO. At the conference, the Respondent shall be presented with the PAO's finding of reasonable suspicion and given the choice of admitting or denying the finding. The PAO shall proceed as follows:
- a. *Admission of Misconduct.* The Respondent may admit the misconduct charged, with the understanding that selection of an appropriate sanction shall be done by the Judicial Officer, upon recommendation by the PAO. Such an admission shall be deemed a waiver by the Respondent of any right to a full hearing and shall result in an entry of misconduct in the Respondent's disciplinary record. The consequences of an admission shall be explained to the Respondent by the PAO. The Respondent's admission of misconduct and acknowledgment of rights and consequences shall be evidenced by a signed statement to that effect.
 - b. *Denial of Misconduct.* The Respondent may refuse to admit the misconduct charged. In such event, the case shall be referred to the UJB for a hearing. The consequence of a denial shall be explained to the Respondent by the PAO. The Respondent's denial shall be evidenced by a signed statement to that effect.
 - c. *Nonattendance at Conference.* If the Respondent fails to attend the conference or, though present, fails to exercise the foregoing option, he/she shall be deemed to have denied the charges. The case shall accordingly be referred for a hearing.
9. *Referral for Sanction.* In any instance in which a Respondent has

admitted a misconduct charge, the case shall be referred to the Judicial Officer for selection of a sanction. Referral and any subsequent proceedings shall be accomplished as follows:

- a. *Forwarding of Case File.* The PAO shall forward to the Judicial Officer the signed complaint, the Respondent's signed statement admitting the conduct charged and acknowledging rights and consequences, the PAO's recommended sanction, and a summary disposition statement signed by the PAO. These documents shall constitute the case file to this point.
 - b. *Argument.* The Complainant and Respondent shall each have the option of submitting to the Judicial Officer a short statement (limited to one page) setting forth matters of extenuation or aggravation or other considerations which may have bearing on the sanction.
 - c. *Selection of Sanction.* The Judicial Officer shall be provided the Respondent's disciplinary record by the Office of the Vice President for Student Affairs. A sanction shall be selected based upon consideration of the type of misconduct, the particular circumstances involved, the disciplinary record of the Respondent, and the PAO's recommendation. If the Judicial Officer regards suspension or expulsion as the appropriate sanction the case shall be referred to the UJB for hearing, with written notice to the parties.
 - d. *Notification.* The Judicial Officer shall give written notice to the Complainant, Respondent, PAO, and Vice President for Student Affairs of the sanction selected.
 - e. *Appeal.* The Respondent and/or Complainant shall have a right of appeal to the Vice President for Student Affairs on the ground that the sanction is unreasonable under all the circumstances or is not authorized by this Code. Appeal shall be made by filing a notice of appeal, with supporting argument if desired, in the Office of the Vice President for Student Affairs within 5 days of the date of the Judicial Officer's notice of sanction.
The non-appealing party shall be given the opportunity to file a short statement in support of the sanction selected.
 - f. *Review on Appeal.* The Vice President for Student Affairs may, after reviewing the case file, affirm the sanction or substitute a sanction of equal, lessor, or greater severity, as appropriate. A sanction challenged as unreasonable shall be affirmed unless its unreasonableness is manifest or blatant. Written notice of the decision on appeal shall be given to the parties. The Vice President's decision shall be final.
10. *Referral for Hearing.* The referral by the PAO to the UJB shall be made in writing. It shall be limited solely to a brief disposition

statement indicating that mediation efforts and a preliminary investigation have been completed and a reasonable suspicion finding has been made. The signed complaint may be restated by the PAO for purposes of clarification or standardization, and it shall be attached, with the Complainant's signature, to the referral document. Referral shall be accomplished by the forwarding of these materials, constituting the case file, to the Judicial Officer.

11. *Summary Action.* In an instance in which the Respondent admits the misconduct to the PAO prior to the completion of the preliminary investigation, the PAO may proceed immediately to the conference procedure set out in Section V-C-8 above, without the necessity of a reasonable suspicion finding.
12. *Confidentiality.* All discussions and communications with the PAO by the Respondent and Complainant shall be confidential.
13. *Time Frame.* Except in unusual circumstances, the PAO shall conclude his/her responsibilities under this Article within 14 days after receipt of the complaint. In a referral to the Judicial Officer for sanction, the Judicial Officer shall ordinarily complete his/her duties within 5 days after receiving the referral documents.

D. Pre-Hearing Procedure.

1. *Judicial Officer Duties.* Upon receipt of a case from the PAO for referral to the UJB, the Judicial Officer shall carry out the following procedural steps:
 - a. *Notice of Rights* - Respondent and Complainant. The Respondent shall be given a copy of the signed complaint. The Respondent shall additionally be provided with a summary statement of the hearing and appeal process and the Respondent's rights therein. The Complainant shall also be provided with a summary statement of the hearing and appeal process and the Complainant's rights therein.
 - b. *UJB Roster* - Respondent Strikes. The Respondent shall be presented with a roster of the names of UJB members available to serve. The Respondent shall be permitted to strike one faculty member, one staff member, and one student.
 - c. *UJB Roster* - Complainant Strikes. The Complainant shall also be presented with such roster and allowed the same number of strikes as the Respondent, if desired.
 - d. *Hearing Panel Selection.* After consulting with the Chair, the Judicial Officer shall select a Hearing Panel consisting of one faculty member, one staff member, and one student. A member of the UJB who feels that he/she could not serve as an impartial member of a particular Hearing Panel due to conflict of interest, bias, or other bona fide cause shall notify the Judicial Officer as soon as the cause for the disqualification becomes evident. A presiding officer shall be designated from

among the Hearing Panel members by the Judicial Officer.

- e. *Academic Misconduct Case.* For a case involving academic misconduct (along with related charges) only, the Deans shall function in the place of the staff members in this process.
- f. *Legal Counsel - Respondent.* The Respondent may, at his or her own expense, consult with an attorney at any time during the disciplinary procedure and may have an attorney present at the hearing. Such attorney may not participate in the hearing, however, nor in the preliminary action or pre-hearing phases of the disciplinary process. Exceptions to this rule may be granted by the Vice President for Student Affairs where required by law due to the pendency of criminal charges or other cause. The summary statement of rights shall inform Respondent of this limited right to counsel.
- g. *Advisor - Respondent.* The summary statement of rights shall also state that the Respondent shall have the right to select an advisor, who may be present at the hearing to assist and/or represent the Respondent. The advisor may be any University person, except an attorney. If desired, the Respondent may have an advisor provided by the University. To exercise this latter option, the Respondent shall submit a request in writing to the Judicial Officer within 5 days after receipt of the complaint and summary statement of rights, and the Judicial Officer shall appoint as an advisor a UJB member not serving on the Hearing Panel. If the Respondent selects an advisor, he/she shall notify the Judicial Officer of the name and address of the Advisor within 5 days after receipt of the complaint and summary statement of rights.
- h. *Proponent.* The Judicial Officer shall designate an appropriate University person to participate in the hearing as the proponent of the charges. If the circumstances of the case do not suggest a suitable choice, a UJB member not serving on the Hearing Panel shall be appointed.
- i. *Open/Closed Hearing.* The summary statement given to the Respondent shall indicate that the hearing will be closed to the public, unless the Respondent submits to the Judicial Officer a request in writing that it be open, the Complainant consents, and the request is approved by the Judicial Officer. Any such request by the Respondent must be made not later than 5 days after receipt of the complaint and summary statement of rights from the Judicial Officer.
- j. *Forwarding of case; Time Frame.* The Judicial Officer shall, upon completion of the foregoing procedural requirements, forward the case with pertinent documentation to the Presiding Officer for further action. Except in unusual circumstances,

the Judicial Officer shall complete these requirements within 10 days after receipt of the case from the PAO.

2. *Presiding Officer Duties.* Upon receipt of the case from the Judicial Officer, the Presiding Officer shall carry out the following duties:
 - a. *Schedule Hearing.* The hearing shall be scheduled as soon as practical, consistent with the requirement, however, that the Respondent shall be given notice at least 7 days in advance of the hearing date. Written notice of the time, date, and place of the hearing; of the identity of the members of the Hearing Panel, the Proponent, and the Respondent's Advisor, if any; and of the open or closed nature of the hearing shall be provided by the Presiding Officer to the following parties: the Judicial Officer, Complainant, Proponent, Respondent, Advisor, all Hearing Panel members, and the Vice President for Student Affairs.
 - b. *Necessity for Rescheduling.* If, upon demonstrated good cause communicated in writing to the Presiding Officer, a Proponent or Respondent will be unable to attend the hearing as scheduled or will be unable to secure important evidence by such time, the Presiding Officer shall set a new date for the hearing.
 - c. *Time Frame.* Except in unusual circumstances, the Presiding Officer shall complete these pre-hearing requirements within 5 days after receipt of the case from the Judicial Officer.
3. *Disclosure of Witnesses/Evidence.* The Respondent shall have the right to request from the Proponent and receive, no later than 3 days before the hearing, a list of the names of witnesses which the Proponent then intends to call at the hearing and a general description of any other evidence which the Proponent intends to use. The Proponent shall have the same right with respect to the Respondent's witnesses and evidence.

E. Hearing.

1. *Nature of Proceeding.* The hearing shall be an administrative fact-finding proceeding the purpose of which shall be to determine whether the Respondent is or is not guilty of committing the misconduct charged in the complaint. Deviation from prescribed procedure during the hearing, or in any pre-hearing or post-hearing action, shall not impair the proceeding or its outcome unless clear, significant prejudice is caused to the Respondent or the Complainant as a result.
2. *Management of Hearing.* The Presiding Officer shall insure that the hearing is conducted in a manner, which is fair, orderly, not unduly delayed or prolonged, and in compliance with these procedures. The Presiding Officer shall have authority to rule on

requests and objections which may arise; to adopt reasonable rules to facilitate the hearing process; to impose reasonable constraints on any party, including the Respondent, whose behavior is disruptive, intentionally dilatory, or harassing or who refuses to adhere to a ruling or procedure; and generally to exercise such control as may be necessary or expedient to accomplish these ends. Except where it is not practicable to do so, the Presiding Officer shall act upon consultation with other members of the Hearing Panel.

3. *Parties Present.* If the hearing is closed, only those parties who are deemed participants in the hearing shall be allowed to be present: the Respondent and his/her Advisor, the Complainant, the Proponent, and the Hearing Panel. If the respondent has retained an attorney, the attorney may be present as a non-participant. The Hearing Panel shall have the right to have present an attorney from the UAH Office of Counsel as an impartial advisor to the Panel. In addition the Judicial Officer shall be present for consultative purposes only, to help insure that the hearing is conducted in accordance with these procedures. The Judicial Officer may, with respect to issues of procedure, respond to questions from the Hearing Panel and/or offer advice to the Panel on his/her own initiative. Persons essential to the recording or transcription of the hearing and other similar support personnel may also be present. The Presiding Officer may in his/her discretion allow immediate family of the Complainant or Respondent to attend, upon the request of either such party. Witnesses, other than any of the foregoing parties, shall be excluded from the hearing except when testifying. Any person may attend an open hearing, including members of the press.
4. *Evidence.* The Presiding Officer shall determine what evidence shall be accepted, utilizing as governing criteria relevance to the issues at hand, fundamental fairness, and a preference against repetitious evidence, which would unduly prolong the hearing. Formal or technical rules of evidence shall not apply, although recognized rules of confidentiality and privilege shall be respected. Affidavits properly sworn may be received if the affiant is not reasonably available to testify in person or if receipt of affidavits would avoid the necessity of calling multiple witnesses on the same matter in issue and would not be prejudicial to the other party. Witnesses shall be asked to affirm that their testimony is truthful. The Hearing Panel may take notice of matters, which are clearly within the general experience of members of the University community.
5. *Respondent Role and Rights.* The Respondent shall have the right to defend against the charge(s) in the complaint by presenting the testimony of witnesses, documents, and other evidence. The

Respondent may testify or remain silent. No inference of guilt shall be made should the Respondent remain silent. The Respondent shall further be entitled to be present throughout the hearing, to have the assistance of or be represented by his/her Advisor, to have an attorney present, to examine all documents submitted to the Hearing Panel, to question all witnesses appearing at the instance of the other party or the Hearing Panel, and to make argument to the Hearing Panel (by oral or written statement as the Presiding Officer may determine). Absence of the Respondent from the hearing without good cause shall be deemed a waiver of these rights, and the hearing may proceed.

6. *Proponent/Complainant Role and Rights.* The Proponent shall prepare and present the case against the Respondent, based on the charge(s) in the complaint, by offering the testimony of witnesses, documents, and other evidence. Both the Proponent and the Complainant shall be entitled to be present throughout the hearing, subject to the same rule concerning absence without good cause as stated above with respect to the Respondent. The Proponent's rights of participation shall be the same as those extended to the Respondent above.
7. *Panel Participation.* The Presiding Officer may request either party to produce additional designated documents or other evidence or call additional identified witnesses. Any member of the Hearing Panel may question any witness.
8. *Burden and Standard of Proof.* The burden of proof shall be upon the Proponent. In order to carry this burden and sustain a finding of misconduct, the Proponent shall be required to establish by a preponderance of the evidence, that is, by the greater weight of credible evidence, that the Respondent committed the acts charged. Determination of the probative value, weight, and credibility of the evidence accepted shall be the exclusive function of the Hearing Panel.
9. *Subsequent Meetings.* The hearing may, if necessary or appropriate, be adjourned or continued from time to time to a subsequent suitable date at the discretion of the Presiding Officer.
10. *Hearing Record.* A record of the hearing shall be kept by means of a tape recorder or a transcriber, at the discretion of the Presiding Officer. The Complainant and the Respondent shall have the right to produce a written record of the hearing from the recording or transcription at his/her own expense, respectively.
11. *Hearing Sequence.* The hearing shall proceed generally as follows, though departures may be permitted for good cause and where neither party would be prejudiced:

- The Presiding Officer shall read the charge(s) stated in the complaint to the Respondent, who shall then admit or deny the charge(s). Failure to respond shall be deemed a denial. The Respondent's admission of the charge(s) with an Advisor present shall be sufficient to sustain a finding of misconduct without the necessity of further proceedings.
 - The Proponent shall offer evidence in support of the charges(s).
 - The Respondent may offer evidence.
 - Rebuttal evidence may be offered by either party.
 - Each party may make a closing statement.
 - The Hearing Panel shall retire for its deliberations.
12. *Panel Deliberations.* All deliberations of the Panel after the completion of the hearing shall be in closed session.
 13. *Determination of Misconduct.* Only evidence accepted and arguments made at the hearing shall be considered by the Panel in making its findings concerning the misconduct charged. A finding of misconduct shall require an affirmative vote of a majority of the Hearing Panel Members.
 14. *Determination of Sanction.* If the Hearing Panel finds that the Respondent is guilty of the misconduct charged, it shall, prior to selection of a sanction, be provided with a synopsis of the past disciplinary record and/or information concerning any criminal record of the Respondent. Such record or information shall not, however, be made available to the Hearing Panel prior to that time. The Respondent and/or Proponent shall have the option of presenting to the Hearing Panel argument regarding matters of extenuation or aggravation, respectively, or other considerations, which may have bearing on selection of a sanction. Such presentation may be done orally or in writing, as determined by the Presiding Officer. Selection of a sanction shall be by majority vote.
 15. *Hearing Panel Report.* The final determination of the Hearing Panel shall be stated in a written report, which shall set forth the Panel's findings, with the evidentiary support therefore, and the sanction to be imposed. The report shall be sent to the Respondent and his/her Advisor, the Complainant, the Proponent, the Judicial Officer, and the Vice President for Student Affairs within 3 days after the completion of the hearing process.

ARTICLE VI. SANCTIONS

An individual student or a student organization found guilty of misconduct should be subject to the imposition of the following sanctions. A sanction may be imposed alone or in conjunction with one or more additional sanctions.

A. *Sanctions for Individuals*

1. *Warning* - A written or oral notice to the student that continuation or repetition of specific conduct may be cause for further and more severe disciplinary action.
2. *Censure* - An official, written reprimand coupled, where appropriate, with a warning that further instances of such misconduct within a stated or indefinite period of time may result in more severe disciplinary action.
3. *Educational Alternatives* - An order or option that the student issue an apology, carry out research, participate in counseling, attend a workshop, or perform any other reasonable assignment intended to have an educative or rehabilitative effect.
4. *Restitution* - An order that the student make a compensatory payment to an appropriate party for damage to property or loss of funds. In the case of property damage, restitution shall be limited to the actual cost of repair or replacement.
5. *Work Reparation* - An option offered to the student, usually in an instance in which restitution to the University is an appropriate sanction, to perform work for the University without pay.
6. *Fine* - An order that the student pays the University a designated sum of money.
7. *Restriction of Privileges* - Denial, withdrawal, or limitation of one or more privileges made available by the University to students, such as access to housing, use of a facility, participation in an activity, etc., for a designated period of time.
8. *Voluntary Withdrawal* - An option offered to the student to voluntarily withdraw from the University or from a class upon the condition that readmission not be sought for a designated period of time. Readmission of a student who had voluntarily withdrawn shall require the approval of the Vice President for Student Affairs.
9. *Disciplinary Probation* - Placement of the student in a probationary status for a designated period of time. The restrictions, which shall accompany probation (such as, for example, ineligibility for participation in intercollegiate activities, ineligibility for election/appointment to or the holding of a Student Government Association office) shall be determined on a case-by-case basis. Probation shall carry with it a warning that further misconduct may result in suspension or expulsion.

10. *Disciplinary Suspension* - Separation of the student from the University for a designated period of time, not to exceed two years. During the period of suspension, an individual shall not be allowed to participate in any activity or enjoy any privilege requiring student status. Readmission upon the expiration of the suspension period shall require the approval of the Vice President for Student Affairs.
11. *Expulsion* - Separation of the student from the University permanently or on an indefinite basis. Readmission of a student expelled on an indefinite basis shall not occur within two years and shall require the approval of the Vice President for Student Affairs.

B. Sanctions for Groups and Organizations

1. *Warning* - A written or oral notice to the organization that continuation or repetition of specific conduct may be cause for further and more severe disciplinary action.
2. *Censure* - An official, written reprimand coupled, where appropriate, with a warning that further instances of such misconduct within a stated or indefinite period of time may result in more severe disciplinary action.
3. *Education Alternatives* - An order or option to the organization that it and/or its members issue an apology, attend a workshop, render public service, or carry out any other reasonable assignment intended to have an educative or rehabilitative effect.
4. *Restitution* - An order that the organization make a compensatory payment to an appropriate party for damage to property or loss of funds. In the case of property damage, restitution shall be limited to the actual cost of repair or replacement.
5. *Work Reparation* - An option offered to the organization, usually in an instance in which restitution to the University is an appropriate sanction, that its members perform work for the University without pay.
6. *Fine* - An order that the organization pays the University a designated sum of money.
7. *Restriction of Privileges* - Denial, withdrawal, or limitation of one or more privileges made available by the University to students or student organizations, such as access to housing, use of a facility, participation in an activity, etc., for a designated period of time.
8. *Disciplinary Probation* - Placement of the organization in a probationary status for a designated period of time. The restrictions, which shall accompany probation, shall be determined on a case-by-case basis. Probation shall carry with it a warning that further misconduct may result in suspension or expulsion.
9. *Disciplinary Suspension* - Denial to the organization of access to University facilities, services, and any other privileges granted to

student organizations having institutional recognition status, for a designated period of time, not to exceed two years.

10. **Expulsion** - Termination of institutional recognition of the organization permanently or on an indefinite basis. Reapplication for recognition of an organization expelled on an indefinite basis shall not be permitted within two years.

C. **Reservation of Authority.** The stated availability of a measure as a disciplinary sanction, as provided above, shall not imply that such a measure may not be imposed outside the disciplinary system by a University official who has authority to do so.

D. **Failure to Fulfill Sanction.** When a student fails to carry out a action or activity, as required by the sanction imposed, the student may be barred from registering for a subsequent semester and/or a request for issuance of the students' transcript may be refused until the sanction has been satisfactorily fulfilled

ARTICLE VII. APPEALS

A. **Appeal - Vice President for Student Affairs.** The determination of the UJB shall be subject to review on appeal to the Vice President for Student Affairs, as follows:

1. **Filing an Appeal - Procedure.** The Respondent shall have 5 days from the date of the UJB report announcing its determination to initiate an appeal by filing a written notice of appeal in the Office of the Vice President for Student Affairs. Within 5 days of the filing of the notice of appeal, a written statement of position setting forth the grounds for the appeal shall also be filed in the same office by the Respondent. Failure to file either the notice of appeal or the position statement within the allotted time shall render the determination of the UJB final and conclusive. A copy of such documents shall be provided by the Vice President for Students Affairs to the Complainant, who shall have the option of submitting a position statement in support of the UJB determination.
2. **Grounds of Appeal - Respondent.** Review on appeal by the Respondent shall be limited to the following grounds:
 - a. **Procedural Error.** A procedural irregularity, misinterpretation of a University regulation, or other error occurred which was not only adverse to the Respondent but resulted in clear, significant prejudice to the Respondent in terms of the outcome of the proceeding.
 - b. **Unsupported Findings.** The findings were not supported by any substantial evidence. Review on this ground shall not involve reassessing or weighing the evidence but shall instead be limited to ascertaining the presence or absence of some evidence ostensibly

worthy of belief, which is consistent with the findings.

c. *Newly Discovered Evidence.* New and significant evidence has been discovered which was unavailable at the time of the hearing or which could not have been discovered in time for use at the hearing by a properly diligent Respondent.

Failure by the Respondent to state one of the foregoing grounds for the appeal shall result in immediate dismissal.

3. *Grounds of Appeal - Complainant.* The Complainant shall have a right to appeal the determination of the UJB, but such appeal may be made only on the grounds of error prejudicial to the Complainant or newly discovered evidence, as those grounds are stated above. An appeal by the Complainant shall be made and processed in accordance with the requirements set forth above for the Respondent.
4. *Review of Respondent Appeal.* On a properly submitted appeal by a Respondent, the Vice President for Student Affairs shall have the discretionary authority to do the following:
 - affirm the finding(s) and sanctions(s).
 - remand the case to the UJB for reconsideration of its determination or a reopening of the hearing to allow rectification of error and/or consideration of new, significant evidence.
 - overturn the findings(s) and dismiss the case.
5. *Review of Complainant Appeal.* On a properly submitted appeal by a Complainant, the Vice President for Student Affairs shall be limited to either affirming the determination or remanding the case for action as cited above.
6. *Decision on Appeal.* The decision of the Vice President for Student Affairs on appeal shall be final, except in those cases specified in Article VII-B below. The decision on appeal shall be communicated in writing to all parties entitled to notice of the determination of the UJB (See Section V-E-15).
7. *Remand to UJB.* In the event of a remand, the UJB shall reconvene and carry out its duties as directed without undue delay. A determination on remand shall be made and communicated as required for the initial determination. Appeal of the determination on remand may be allowed, in appropriate circumstances, at the discretion of the Vice President for Student Affairs.

B. Appeal - President. In any case in which expulsion, suspension, or a fine of \$500 or more has been imposed and remains as a sanction after review by the Vice President for Student Affairs, final appeal may be made by the Respondent to the President of the University. Right of appeal shall be exercised within 5 days after the date of the decision on appeal from the Vice President for Student Affairs by filing a notice of appeal, with an accompanying position statement, in the Office of the President. The scope

of review and procedure on appeal shall be the same as set forth above for the Vice President for Student Affairs.

ARTICLE VIII. INTERIM SUSPENSION

Under certain exigent circumstances, expedited, temporary suspension of a student may be necessary or appropriate. The following special policies shall govern such interim suspensions:

- A. **Criteria.** A student may be suspended on an interim basis and without prior resort to the disciplinary procedures set forth above where his/her continued presence in the campus community poses a substantial threat to persons (including himself/herself) or property or to normal institutional functions
- B. **Procedures.** An interim suspension may be imposed only by the Vice President for Student Affairs (or designee) and only in accordance with the following special procedures:
 1. **Notice.** The student shall be given written notice of the imminent possibility of suspension and of the opportunity to appear before the Vice President for Student Affairs for an interim hearing at a time and place designated.
 2. **Interim Hearing.** The hearing shall generally be limited to the following issues:
 - the reliability of available information concerning the student's conduct, including any identity questions which may be raised or
 - whether the student's conduct and the surrounding circumstances reasonably indicate that his/her continued presence in the campus community does pose a substantial threat to persons (including himself/herself) or property or to normal institutional functions.
 - if the student, without good cause, fails to appear for the interim hearing at the time and place indicated, or if the student does appear but the foregoing issues are resolved in favor of a suspension, the student may be placed on interim suspension
 3. **Immediate Suspension.** If under all the circumstances it is not feasible or prudent to hold an interim hearing prior to imposition of the suspension, the student may be suspended immediately and without prior notice. Within 5 days of the effective date of such suspension and upon written notice, the student shall be afforded

an interim hearing on the issues set forth above, at which time the suspension shall either be lifted or continued.

4. **Notice of Suspension.** Notice of interim suspension shall be given to the student in writing.
- C. **Duration.** An interim suspension shall remain in effect pending completion of the normal disciplinary process. The Vice President for Student Affairs shall, however, have the authority to modify the terms of an interim suspension at any time.
- D. **Other Interim Sanctions.** In addition to suspension, the Vice President for Student Affairs shall have the authority to impose, on an interim basis and in accordance with these procedures, any lesser sanction, including specifically restriction of privileges, removal from a class, removal from University housing, etc.
- E. **Student Organizations.** A student organization shall be subject to interim suspension by action of the Vice President for Student Affairs (or designee) under the same circumstances and upon the same procedures as set forth above.

ARTICLE IX. NONDISCIPLINARY PROCEDURES FOR ACADEMIC MISCONDUCT

A faculty member possesses the well-established prerogative to deal with academic misconduct committed by a student in a course by applying an academic penalty within the context of that course. Because such conduct also constitutes a violation of the University's disciplinary rules as stated in this Code, it is appropriate to state the manner in which the disciplinary and nondisciplinary processes shall interrelate in such a case.

A. *Non-disciplinary Treatment*

1. **Conference Held.** If a faculty member has information indicating that a student has committed an act of academic dishonesty, the faculty member shall hold an informal conference with the student. At this conference the student shall be presented with the information and given an opportunity to explain or rebut it by any reasonable means.
2. **Academic Misconduct Indicated.** If the matter is not satisfactorily resolved (such as by exoneration of the student) by means of the informal conference, the following procedures shall apply:
 - a. **Imposition of Academic Sanction.** The faculty member may impose one or more academic sanctions appropriate to the circumstances, such as requiring a revision of the assignment in question or completion of a new assignment, giving an oral or written reprimand, awarding an F for the graded work or for the entire course, etc.

b. *Review - Grievance Process.* The student shall have the right to seek review of this action by utilizing the normal grievance process. (See "Grievance Procedures," in the Student Handbook.)

c. *Notice to Vice President for Student Affairs.* The faculty member shall give written notice of the incident to the Vice President for Student Affairs. The notice shall state the name of the student, the nature of the academic misconduct, which occurred, and the academic sanction imposed.

d. *Disciplinary Record Entry.* The faculty member's notice to the Vice President for Student Affairs shall be placed in the student's disciplinary record. It may accordingly be considered in any subsequent disciplinary case in which disclosure of the contents of the disciplinary record is authorized under this Code.

B. Disciplinary Treatment

1. *Faculty Member Referral.* The faculty member may, in addition or as an alternative to application of academic sanctions, elect to have the matter handled within the disciplinary system by filing a complaint against the student, as provided in Article V above.
2. *Other Referral.* Upon receiving two or more notices from faculty concerning instances of academic misconduct by the same student, the Vice President for Student Affairs may have a complaint filed in the name of the University against the student for any such instances of misconduct.
3. *Finding of No Misconduct.* A dismissal or finding of no misconduct in the disciplinary processing of such a complaint shall not require the removal of the academic sanction imposed earlier by the faculty member. However, the student shall have the right to request a review of the academic sanction by means of the grievance process, whether previously utilized as to the incident or not. The outcome of the disciplinary proceeding may be asserted as an arguably persuasive consideration in the grievance process.

ARTICLE X. DISCIPLINARY RECORDS

A. Case File - Contents. A case file shall be developed and maintained in connection with each complaint filed against a student. It shall include and be limited to the following:

1. The complaint.

For disposition above the preliminary action level, only materials and information in the case file shall be considered.
- C. **Disciplinary Record.** At the completion of the disciplinary process the case file, and any other materials not included in the file but which were accumulated in connection with the case, shall be maintained as a part of the student's disciplinary record at the institution. The disciplinary record shall be maintained separate and apart from the student's academic record. The Vice President for Student Affairs shall have control over the student's disciplinary record and shall see that it is maintained in compliance with institutional policy and the requirements of the Federal Family Educational Rights and Privacy Act.
- D. **Case Synopsis.** A synopsis of each case shall be prepared by the Vice President for Student Affairs (or designee). The synopsis shall be taken from the case file and shall include, depending on the history of the case, a summary statement of all charges filed, the disposition at the Preliminary Action stage, the determination of the Hearing Panel, and the disposition of the case on appeal from the Hearing Panel's determination. A synopsis shall be made of any instances of academic misconduct, which have been handled by faculty outside the disciplinary process and reported to the Vice President for Student Affairs.

In such a case the Vice President for Student Affairs shall have the discretionary right to release the case synopsis or

information from it to third parties. In the event of a closed hearing, the Vice President for Student Affairs may release such information as is permitted by laws pertaining to the confidentiality of educational record.
