## REGISTRATION

### I. EARLY REGISTRATION (October 29 - November 8)

All currently enrolled or newly admitted students are asked to register for classes during Early Registration. Re-entering students who are in good academic standing may register during Early Registration if a Re-entry application is on file in the Office of Admissions prior to October 29, 1990.

Pre-printed registration cards will be prepared for each student currently enrolled or newly admitted. Each student should verify accuracy of information printed and provide corrections (directly on the card) as needed. For those students who require an advising signature, the cards will be available at the designated location (see page 5).

Re-entry students may pick up registration cards at the Office of Admissions, Room 124, University Center.

### First Choice Selections

After you have decided on the course(s) you wish to request as first choice(s), enter the COURSE NO., SECTION NO., CREDIT OR AUDIT, DAYS AND PERIOD in the appropriate spaces on the registration card.

### Making Alternate Choices

Because batch computer scheduling is used in registration, it is important to select appropriate alternatives in the event first choice selections cannot be scheduled. In selecting alternate choices, be sure that such choices do not conflict with any of the first choices or with any of the other alternate choices. THE ALTERNATE CHOICE MUST BE LISTED ON THE SAME LINE AS THE COURSE IT WILL REPLACE.

### Scheduling Labs

If you choose a course which bears the notation "Lab Section must also be scheduled," Course No. and Section No. for the lab section you choose must also be entered. All other lab sections are shown as an integral part of the course listing (a separate entry is not required). BE SURE TO CHECK LAB HOURS FOR POSSIBLE CONFLICT WITH OTHER COURSES REQUESTED.

### Academic Advisement

Academic Advisement is REQUIRED for most students. See Academic Advising section, page 5 for in-depth information. Registrations WILL NOT be processed without the appropriate advisor signatures.

### Schedule Adjustments

Students who register during Early Registration may add or drop courses prior to Open Registration without paying a Schedule Adjustment Fee.

## DID YOU REMEMBER?

1. To double check the COURSE AND SECTION NUMBERS for accuracy on the registration card.
2. To check for any prerequisites required for your course selections.
3. To enter "AUDIT" in the space provided if you wish to audit a course.
4. To provide alternate choices.
5. SIGN AND DATE YOUR REGISTRATION CARD.
6. ADVISOR'S SIGNATURE. See Academic Advising Section.
7. Deposit completed and signed Registration Card at the Academic Advisement Center, Office of Student Records, University Center Lobby, The College of Engineering or The College of Administrative Science.
8. Payment of tuition and fees is due in the Cashier's Office, Room 213, University Center by December 14. If not received by 5:00 p.m. on that date courses will be dropped.

## II. OPEN REGISTRATION

Open Registration will occur on January 3, 1991 (see calendar for dates and time) via on-line computer system. During this time students, who did not participate in early registration will be registered. Schedule adjustments (drop-add) may also be made. No charge is assessed for Schedule Adjustments made prior to Open Registration.

## Schedule Adjustment

A student desiring to make changes in his/her schedule after completion of the registration process must do so via the drop-add procedure. All changes must be recorded on a Schedule Adjustment Form and processed through the Office of Student Records. Changes accomplished by any other means will be invalid.

**CHANGE OF COURSE FEE IS \$20.00.** This fee is charged for dropping course(s) from schedule, addition of course(s) to schedule, change of section, change from credit to audit, (except when change is initiated by UAH).

**PAYMENT OF TUITION IN FULL** is the last stop in the registration process. Non-payment of tuition by the close of the day will void a registration.

## COURSE CANCELLATION

The University reserves the right to cancel any course when insufficient registration occurs. In the event a course is cancelled, a student has the option of adding (without the \$20.00 add fee) another course that offers the same number of credits or receiving a refund for that course.

Student rights and responsibilities are explained in the Student Handbook. Copies of the catalog are available in the bookstore; the Student Handbook is available in the University Center Lobby.

#### B. University Policy on Release of Student Information

Under the Family Educational Rights and Privacy Act of 1974, students at The University of Alabama in Huntsville are provided certain rights of privacy in their educational records and the use of such records by the University is correspondingly regulated.

The act provides that certain information pertaining to the student, designated as "directory information," may be released by a university unless the student provides instructions to the contrary. The following is considered to be "directory information" at this institution: the student's name, address (local and permanent), telephone no., date and place of birth, major field of study, participation in officially recognized activities and sports, weight, and height statistics of athletic members, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended by the student. If you do not wish the University to release the foregoing "directory information" concerning you, you must check the block provided on the registration card. This option must be renewed by the same means for each subsequent term.

Information about you other than that listed above will not be released to third parties unless you specifically authorized such disclosure or unless the Act otherwise permits this to be done.

#### C. University Policy on Equal Opportunity

The University of Alabama in Huntsville is committed to equal opportunity in employment and education. The University does not discriminate in any program or activity on the basis of race, color, religion, sex, age, or national origin, or against qualified handicapped persons, and it maintains an affirmative action program for protected minorities and women.
