REGISTRATION

I. EARLY REGISTRATION (July 22- August 1) All currently enrolled or newly admitted students are asked to register for classes during Early Registration. Re-entering students who are in good academic standing may register during Early Registration if a Re-entry application is on file in the Office of Admissions prior to July 22, 1990.

Pre-printed registration cards will be prepared for each student currently enrolled or newly admitted. Each student should verify accuracy of information printed and provide corrections (directly on the card) as needed.

Re-entry students may pick up registration cards at the Office of Admissions, Room 124, University Center.

First Choice Selections After you have decided on the course(s) you wish to request as first choice(s), enter the COURSE NO., SECTION NO., CREDIT OR AUDIT, DAYS AND PERIOD in the appropriate spaces on the registration card.

Making Alternate Choices Because batch computer scheduling is used in registration, it is important to select appropriate alternatives in the event first choice selections cannot be scheduled. In selecting alternate choices, be sure that such choices do not conflict with any of the first choices or with any of the other alternate choices. THE ALTERNATE CHOICE MUST BE LISTED ON THE SAME LINE AS THE COURSE IT WILL REPLACE.

Scheduling Labs If you choose a course which bears the notation "Lab Section must also be scheduled," Course No. and Section No. for the lab section you choose must also be entered.

All other lab sections are shown as an integral part of the course listing (a separate entry is not required). BE SURE TO CHECK LAB HOURS FOR POSSIBLE CONFLICT WITH OTHER COURSES REQUESTED.

Academic Advisement Academic Advisement is REQUIRED for most students. See Academic Advising section. Registrations WILL NOT be processed without the appropriate advisor signatures.

Schedule Adjustments Students who register during Early Registration may add or drop courses prior to Open Registration without paying a Schedule Adjustment Fee.

II. OPEN REGISTRATION Open Registration will occur on September 18 (see calendar for dates and time) via on-line computer system. During this time students, who did not participate in early registration will be registered. Schedule adjustments (drop-add) may also be made. No charge is assessed for Schedule Adjustments made prior to Open Registration.

Schedule Adjustment A student desiring to make changes in his/her schedule after completion of the registration process must do so via the dropadd procedure. All changes must be recorded on a Schedule Adjustment Form and processed through the Office of Student Records. Changes accomplished by any other means will be invalid.

CHANGE OF COURSE FEE IS \$20.00. This fee is charged for dropping course(s) from schedule, addition of course(s) to schedule, change of section, change from credit to audit, (except when change is initiated by UAH).

PAYMENT OF TUITION IN FULL is the last stop in the registration process. Non-payment of tuition by the close of the day will void a registration.

COURSE CANCELLATION The University reserves the right to cancel any course when insufficient registration occurs. In the event a course is canceled, a student has the option of adding (without the \$20.00 add fee) another course that offers the same number of credits or receiving a refund for that course.

D. FINANCIAL AID

Students who are receiving financial aid are responsible for completing the necessary paperwork far enough in advance to assure the proper credits to their accounts. If you have questions, please check with the Office of Financial Aid, Room 124, University Center, or the Cashier's Office, Room 213, University Center.

Applications for financial assistance are available in Room 124, University Center.

Date of withdrawal will determine amount of refund which may be due. **ONLY COURSE FEES, LAB FEES, AND BUILDING FUND FEES ARE REFUNDABLE.** See calendar for fee charges and deadlines.

F. RESIDENCY

Residency is determined by information submitted on the application for admission. Request for a change of residency status should be filed in writing with the Registrar's Office with appropriate documentation at least two weeks prior to the first day of class.

ACADEMIC ADVISING
