REGISTRATION

EARLY REGISTRATION (May 3 - 13)

All currently enrolled or newly admitted students are asked to register for classes during Early Registration. Re-entering students who are in good academic standing may register during Early Registration if a Re-entry application is on file in the Office of Admissions prior to May 3, 1993.

Pre-printed registration cards will be prepared and mailed for each student currently enrolled. Each student should verify accuracy of information printed.

Re-entry students may pick up registration cards at the Office of Admissions, Room 124, University Center.

First Choice Selections

After you have decided on the course(s) you wish to request as first choice(s), enter the COURSE NO., SECTION NO., CREDIT OR AUDIT, DAYS AND PERIOD in the appropriate spaces on the registration card.

Making Alternate Choices

Because batch computer scheduling is used in registration, it is important to select appropriate alternatives in the event first choice selections cannot be scheduled. In selecting alternate choices, be sure that such choices do not conflict with any of the first choices or with any of the other alternate choices. **THE ALTERNATE CHOICE MUST BE LISTED ON THE SAME LINE AS THE COURSE IT WILL REPLACE.**

Scheduling Labs

If you choose a course which bears the notation "Lab Section must also be scheduled," Course No. and Section No. for the lab section you choose must also be entered.

All other lab sections are shown as an integral part of the course listing (a separate entry is not required). **BE SURE TO CHECK LAB HOURS FOR POSSIBLE CONFLICT WITH OTHER COURSES REQUESTED.**

Academic Advisement

Academic Advisement is **REQUIRED** for most students. See Academic Advising section. Registrations **WILL NOT** be processed without the appropriate advisor signatures.

OPEN REGISTRATION (June 7 - 17)

Students who missed early registration may register for classes at this time. Hours 9:00 a.m. - 5:00 p.m., University Center 112.

Schedule Adjustment

Students who register during Early or Open Registration may add or drop courses **prior** to Final Registration without paying a Schedule Adjustment Fee.

FINAL REGISTRATION

Final Registration will occur on June 18, 1993 (see calendar for dates and time) via on-line computer system. During this time students who did not participate in early or open registration will be registered. Schedule adjustments (drop-add) may also be made. No charge is assessed for Schedule Adjustments made **prior** to Final Registration.

SCHEDULE ADJUSTMENT

A student desiring to make changes in his/her schedule after completion of the registration process must do so via the drop/add procedure. All changes must be recorded on a Schedule Adjustment Form and processed through the Office of Student Records. Changes accomplished by any other means will be invalid.

CHANGE OF COURSE FEE IS \$20.00.

This fee is charged for dropping course(s) from schedule, addition of course(s) to schedule, change of section, change from credit to audit, (except when change is initiated by UAH).

INSTRUCTOR ASSIGNMENTS LISTED HEREIN ARE SUBJECT TO CHANGE WITHOUT NOTICE. IF STUDENT ELECTS TO CHANGE BECAUSE OF INSTRUCTOR ASSIGNMENT CHANGE, \$20.00 CHANGE OF COURSE FEE WILL BE CHARGED. IF CHANGE IS MADE PRIOR TO OPEN REGISTRATION NO FEE WILL BE CHARGED.

PAYMENT OF TUITION IN FULL is the last stop in the registration process. A fee of \$50 will be assessed a student who fails to complete registration, including payment of fees, by the close of registration for any particular term.

COURSE CANCELLATION

The University reserves the right to cancel any course when insufficient registration occurs. In the event a course is cancelled, a student has the option of adding (without the \$20.00 add fee) another course that offers the same number of credits or receiving a refund for that course.

The number of a course is indicative of its academic level. Courses numbered 100-400 are undergraduate level; 500 level courses may be utilized for undergraduate or graduate credit, depending upon the department. Courses numbered 600 and above are graduate level courses.

C. Prerequisites

Students are responsible for knowing and meeting prerequisites for a course. Prerequisites are listed in the catalog under the course name and number.

D. Grades

The student assumes special responsibilities whenever a grade of I or X is received. See page 58 of catalog for details. For the purpose of determining academic status of those students on academic probation, a grade of I or X will be treated as an F.

E. Graduation

Students planning to graduate at the close of the summer term must apply for graduation no later than the time of registration for summer courses.
