Fall / Spring Timetable

UAH
The University of Alabama in Huntsville

1996 / 1997

What's New

This page of the timetable of classes will be used to briefly describe any changes that may have taken place or will be taking place concerning the timetable of classes, registration process or features we feel may impact the students.

Fall priority registration is "on-line" which means you will know you have your class when you register. Registration is on a first-come, first-served basis, so the advantage to priority registration is greater than ever.

Fall Registration forms are blue. When registering for Summer and Fall at the same time, remember to use a blue form for Fall Semester.

Fees - There are no fees listed in this issue of the Fall/Spring Timetable of Classes. The Board of Trustees usually meet in May or June to establish fees for the upcoming academic year. Students will be notified of fees for the academic year 1996-97 after that time.

Satellite Registration is available to students within their Academic Advisement Centers.

Administration Science students should register in ASB 102; Engineering students should register in EB 158; Nursing students should register in NB 207; Science, Liberal Arts, Undecided and Graduate students should register in the University Center.

Priority Registration is your chance as an enrolled student to obtain the classes you want first. **Remember to register during Priority Registration.**

The UAH Timetable of Classes will no longer list the individual courses for the EMT Program. Information concerning EMT courses are as follows:

EMT Education Courses
EMT BASIC - 1 quarter
EMT Intermediate - 3 quarters
EMT Paramedic - 2 quarters

Approved for UAB college credit
Instructor approval required for all courses

FEES

As of the printing of this timetable the fee schedule for the 1996-97 academic year has not been approved. The Board of Trustees of the University of Alabama System normally considers changes to fees at its May or June meeting.

Housing Charges

Students assigned to suites (Central Campus Residence Hall or Southeast Housing) must pay the full semester's rent at the beginning of the semester. A student who fails to complete payment of fees due or fails to file a payment deferment request with the Cashier's Office by the close of registration for any particular semester will have their registration canceled. Students assigned to private apartments (family units in Southeast Housing) may pay their rent in equal installments on a monthly basis. Rent payments are due the first day of each month.

All freshmen residents of Central Campus Residence Hall are required to purchase a Food Contract which is due with rent at the beginning of each semester.

The following applies only to Housing Charges:

If a student officially withdraws from the University while residing in University Housing, he/she may qualify for a prorated refund of rent. This is determined by the date of the student resident's official check-out from housing.

During the first week of the academic semester - 80% refund

During the second week - 60% refund

During the third week - 40% refund

During the fourth week - 20% refund

After the fourth week - no refund

FINANCIAL AID

Students who are receiving financial aid are responsible for completing the necessary paperwork far enough in advance to assure the proper credits to their accounts. If you have questions, please check with the Office of Financial Aid, University Center, room 124, or the Cashier's Office, room 213.

Refund and Adjustment of Tuition Policy

Students may withdraw from any or all courses through the third week of the semester and receive a full refund.

RESIDENCY

Residency is determined by information submitted on the application for admission. Request for a change in residency status should be filed in writing with the Registrar's Office with appropriate documentation prior to the first day of class.

COURSE LOAD

Undergraduate students: Twelve semester hours constitutes a full-time load. Permission to take more than 20 hours must be obtained from the Student's Dean.

Graduate students: Nine semester hours constitutes a full-time load. Permission to take more than 13 hours must be obtained by the Student's Dean.

COURSE NUMBERING SYSTEM

The number of a course is indicative of its academic level. Courses numbered 100-400 are undergraduate level; 500 level courses may be utilized for undergraduate or graduate credit, depending upon the department. Courses numbered 600 or above are graduate level courses.

PREREQUISITES

Students are responsible for knowing and meeting prerequisites for a course. Prerequisites are listed in the catalog under the course name and number.

GRADES

The student assumes special responsibilities whenever a grade of "I" or "X" is received. See the UAH catalog for details. For the purpose of determining academic status of those students on academic probation, a grade of "I" or "X" will be treated as a "F".

GRADUATION

Students planning to graduate at the close of the semester must apply for graduation no later than the time of the registration for the given semester.

STUDENT WITH DISABILITIES

Students with disabilities are advised to register early. Newly admitted disabled students should contact the Office of Admissions (890-6070) or the Office of Student Development Services (890-6203) for special consideration.

PARKING AND TRAFFIC REGULATIONS (890-6594)

All faculty and staff who operate or park a motor vehicle on the University of Alabama in Huntsville campuses must register their vehicle with the Office of Public Safety, Physical Plant Building, South Loop Road. The following information is needed for faculty/staff to register their vehicle:

Students will be assessed a vehicle registration fee* which will be added to their tuition statement. Students who wish to register additional vehicles must go the Office of Public Safety. A fee* will be charged for each of the next two vehicles.

Student rights and responsibilities are explained in the Student handbook. Copies of the catalog are available in the bookstore; the Student Handbook is available in the University Center lobby.

UNIVERSITY POLICY ON RELEASE OF STUDENT INFORMATION

Under the Family Educational Rights and Privacy Act of 1974, students at The University of Alabama in Huntsville are provided certain rights of privacy in their educational records and the use of such records by the University is correspondingly regulated.

The act provides that certain information pertaining to the student, designated as "directory information" may be released by the university unless the student provides instructions to the contrary. The following is considered to be "directory information" at this institution: the student's name, address (local and permanent), telephone number, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height statistics of athletic members, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended by the student. If you do not wish the University to release the foregoing "directory information" concerning you, you must check the block provided on the registration form. This option must be renewed by the same means for each subsequent semester.

Information about you other than that listed above will not be released to third parties unless you specifically authorize such disclosure and unless the Act otherwise permits this to be done.

The University of Alabama in Huntsville is committed to equal opportunity in employment and education. The University does not discriminate in any program or activity on the basis of race, color, religion, sex, age or national origin or against qualified disabled persons, and it maintains an affirmative action program for protected minorities and women.
