## Academic Advising

Each student has the primary responsibility for planning his/her own academic program and scheduling courses. Academic advice from faculty members is available to any student seeking such assistance. Appointments are scheduled through the academic department offices and should be done well in advance of registration to allow time to discuss interests and goals.

Satellite registration is available to students within their Academic Advisement Centers. See "Registration Sites" in this publication.

Advisor approval on registration form is required as follows:

Academic Advisement Center, University Center, room 118, (890-6290). Freshmen registration forms must be approved by a faculty advisor in the Advisement Center.

(Nursing, Engineering, and Administrative Science freshmen see appropriate sections)

Conditional/Probational student registration forms must be approved by a faculty advisor in the Advisement Center. See "Registration Sites" for registration hours.

Sophomore registration forms for students in the College of Liberal Arts, and the College of Science who have not declared a major through having a Program of Study completed must be approved in the Advisement Center. See "Registration Sites" for registration hours.

College of Nursing, Nursing Building, room 207, (890-6742). Registration forms for all students in the College of Nursing must bear the approval stamp of the Nursing Advisement Office. See "Registration Sites" for registration hours.

College of Engineering, Engineering Building, room 158, (890-6877). All first and second year engineering students along with first term transfer students will be advised in the College of Engineering Advisement Center. All Engineering graduate students need to obtain the appropriate signature before registering. Both graduate and undergraduate student registration forms will be processed in the Engineering Building, room 139. See "Registration Sites" for registration hours.

Third and fourth year Engineering students who have been assigned a departmental advisor are asked to make appointments with your advisor prior to Priority Registration to discuss your schedule.

Chemical	890-6810	Engineering Mgmt.	890-6976
Civil	890-6854	Mech. & Aerospace	890-6154
Computer, Electrical, Optical	890-6316	Indus. & Systems	890-6256

College of Administrative Science, Administrative Science Building, room 102 (890-6024). Registration forms for all students in the College of Administrative Science must bear the signature approval of the Academic Assistance Office. "See Registration Sites" for registration hours.

Physics Department, Optics Building, room 201-C, (890-6276, ext. 273). All physics majors are required to have registration forms approved by the Physics Department.

### Registration Information

All currently enrolled students are asked to register for classes during Priority Registration. Registration forms will be mailed to each student currently enrolled. Each student should complete the registration form and obtain the appropriate signatures if needed before submitting registration forms for processing. (Blue registration form is for Fall Semester only. White registration form may be used for Spring and Summer Semester.)

Re-entry and newly admitted students are asked to register during Open Registration. Re-entry students should complete the necessary paperwork prior to open registration in order to complete registration. Newly admitted students should contact their advisement office for appropriate procedures to follow before registering.

Schedule adjustments may be made anytime during the Open Registration period. No schedule adjustments will be made during the Priority Registration period. The Office of Student Records will gladly hold your schedule adjustment form during the Priority Registration period for *processing* during the Open Registration period. Students who register during Priority or Open Registration may add or drop courses prior to the first day of class without paying a schedule adjustment fee.

Open Registration allows students who missed Priority Registration or those students who did not attend Orientation a time to register. Hours of registration vary depending on the registration site. See "Registration Sites" in this publication.

**Fees (Undergraduate and Graduate)**

As of the printing of this timetable the fee schedule for the 1997-98 academic year has not been approved. The Board of Trustees of the University of Alabama System normally considers changes to fees at its May or June meeting. Students wanting the fee structure should contact either the Office of Admissions or the Cashier's Office after June 15, 1997.

**Billing and Payment Procedures:**

Students participating in priority registration will receive their bill at time of registration. Tuition charges must be paid in full *before* the first day of class in the Cashier's Office, University Center, room 213, 890-6226. Tuition may be charged to VISA, Mastercard, American Express or Discover, 890-7321. Non-payment of tuition, housing and/or fees by the close of registration will void a registration.

Students adding courses during open registration or final registration, tuition is due and payable as stated above. Remember: All tuition must be paid prior to the first day of class.

If you choose to participate in the Defer Payment Plan, all forms must be completed and returned to the Cashier's Office (with first installment) prior to the first day of class. The final payment is due at the beginning of the sixth week of class. The Defer Payment Plan is not available Summer Term.

**Refund and Adjustment of Tuition Policy**

Students may withdraw from any or all courses through the second week of the semester and receive a full refund. This policy is different for the Summer Term. Check the dates for refund policy for the Summer Term.

**Financial Aid**

Students who are receiving financial aid are responsible for completing the necessary paperwork far enough in advance to assure the proper credits to their accounts. If you have questions, please check with the Office of Financial Aid, University Center, room 124, or the Cashier's Office, room 213.

**Housing Charges**

Students assigned to suites (Central Campus Residence Hall or Southeast Housing) must pay the full semester's rent at the beginning of the semester. A student who fails to complete payment of fees due or fails to file a payment deferment request with the Cashier's Office by the close of registration for any particular semester will have their registration canceled. Students assigned to private apartments (family units in Southeast Housing) may pay their rent in equal installments on a monthly basis. Rent payments are due the first day of the month. Student should check with the Housing Offices concerning other charges and/or fees related to Housing.

All freshmen residents of Central Campus Residence Hall are required to purchase a Food Contract which is due with rent at the beginning of each semester.

**Residency**

Residency is determined by information submitted on the application for admission. Request for a change in residency status should be filed in writing with the Registrar's Office, UC 119, with appropriate documentation prior to the first day of class.

## **Academic Information**

### **Course Load**

Undergraduate students: Twelve semester hours constitutes a full-time load. Permission to take more than 20 hours must be obtained from the student's Dean.

Graduate students: Nine semester hours constitutes a full-time load. Permission to take more than 13 hours must be obtained from the student's Dean.

### **Course Numbering System**

The number of a course is indicative of its academic level. Courses numbered 100-400 are undergraduate level; 500 level courses may be utilized for undergraduate or graduate credit, depending upon the department. Courses numbered 600 or above are graduate level courses.

### **Prerequisites**

Students are responsible for knowing and meeting prerequisites for a course. Prerequisites are listed in the catalog under the course name and number.

### **Grades**

Beginning with the 1997 Spring Semester all students may receive their grades through a touch tone telephone and a convenient 1-800 number (1-800-528-3408). Grades will be available to you 24 hours a day, 7 days a week, starting 24 hours after the last final exam.

The student assumes special responsibilities whenever a grade of "I" or "X" is received. See the UAH catalog for details. For the purpose of determining academic status of those students on academic probation, a grade of "I" or "X" will be treated as an "F".

### **Graduation**

Students planning to graduate at the close of the semester must apply for graduation no later than the time of the registration for the given semester.

## **University and Government Regulations**

### **Student Rights and Responsibilities**

Students have the responsibility for reading the policies of the University and their school or college. Such policies are reported in the UAH catalog. Student rights and responsibilities are explained in the Student handbook. Copies of the catalog are available in the bookstore; the Student Handbook is available in the University Center lobby.

### **University Policy on Release of Student Information**

Under the Family Educational Rights and Privacy Act of 1974, students at The University of Alabama in Huntsville are provided certain rights of privacy in their educational records and the use of such records by the University is correspondingly regulated.

The act provides that certain information pertaining to the student, designated as "directory information" may be released by the university unless the student provides instructions to the contrary. The following is considered to be "directory information" at this institution: the student's name, address (local and permanent), telephone number, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height statistics of athletic members, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended by the student. If you do not wish the University to release the foregoing "directory information" concerning you, you must check the block provided on the registration form. This option must be renewed by the same means for each subsequent semester.

Information about you other than that listed above will not be released to third parties unless you specifically authorize such disclosure and unless the ACT otherwise permits this to be done.
