### **Academic Information**

**Course Load** – Undergraduate students: Twelve semester hours constitutes a full-time load. Permission to take more than 20 hours must be obtained from the student's Dean.

Graduate students: Nine semester hours constitutes a full-time load. Permission to take more than 13 hours must be obtained from the student's Dean.

**Course Numbering System** – The number of a course is indicative of its academic level. Courses numbered 100-400 are undergraduate level; 500 level courses may be utilized for undergraduate or graduate credit, depending upon the department. Courses numbered 600 or above are graduate level courses.

**Course Repeat** – Students should be aware that course repeats, for any reason, may not be looked upon favorably by some employers and by professional schools. Hence course repeats should be avoided. After seeking counsel of an academic advisor, students may repeat any course an unlimited number of times in order to achieve a passing grade or an improved understanding.

**A maximum of five course repeats may be excluded from the calculation of the student's Grade Point Average.** The student must declare the course repeats before the end of the regular registration period for the semester in which the course will be repeated. Consult the UAH catalog for course repeat policy statement.

**Grades** – Students may receive their grades through a touch tone telephone and a convenient 1-800 number (1-800-528-3408). Grades will be available to you 24 hours a day, 7 days a week, starting 24 hours after the last final exam. You will be mailed a grade report after final examinations end. The student assumes special responsibilities whenever a grade of "I" or "X" is received. See the UAH catalog for details.

**Graduation** – Undergraduate students planning to graduate at the close Spring Semester 1999 must submit an application for graduation by November 1, 1998, Summer Semester due February 1, 1999, and Fall Semester due June 1, 1999. ### **General Information**

**Parking and Traffic Regulations (890-6594)** – Students will be assessed a vehicle registration fee which will be added to their tuition statement. Students who wish to register additional vehicles must go to the Office of Public Safety. A fee will be charged for each of the next two vehicles. Fees are prorated for Summer Term.

I.D.'s must be validated each semester at the Information Desk in the University Center during normal hours of operation; a class schedule is required.

**Tutoring Assistance** – students who need assistance should contact the Student Development Services Office (890-6203), Room 113, University Center. Tutoring assistance is available without cost to UAH students currently enrolled.

**Veterans** – A veterans affairs assistant is available to assist and counsel veterans with problems that may arise and assist in applying for veteran benefits. In order to provide the best possible service, each student who is attending school with assistance from the Veterans Administration must complete a brief form each semester enrolled.
