The Board of Trustees of the University of Alabama System normally considers changes to fees at its May or June meeting. Students wanting the fee structure should contact either the Office of Admissions or the Cashier's Office after June 15, 1999.

**The University reserves the right to change its fees, charges, rules and regulations at the beginning of any semester and without prior notice.**

**Housing Charges** – Students assigned to suites (Central Campus Residence Hall or Southeast Housing) must pay the entire semester's rent at the beginning of the semester. A student who fails to complete payment of fees due or fails to file a payment deferment request with the Cashier's Office by the close of registration for any particular semester will have their registration canceled. Students assigned to private apartments (family units in Southeast Housing) may pay their rent in equal installments on a monthly basis. Rent payments are due the first day of the month. Student should check with the Housing Offices concerning other charges and/or fees related to Housing. All freshmen residents of Central Campus Residence Hall are required to purchase a Food Contract which is due with rent at the beginning of each semester.

**Residency** – Residency is determined by information submitted on the application for admission. Request for a change in residency status should be filed in writing with the Office of the Assistant Vice-President for Enrollment Services, UC with appropriate documentation prior to the first day of class.

## **Academic Information**

**Course Load** – Undergraduate students: Twelve semester hours constitutes a full-time load. Permission to take more than 20 hours must be obtained from the student's Dean.

Graduate students: Nine semester hours constitutes a full-time load. Permission to take more than 13 hours must be obtained from the student's Dean.

**Course Numbering System** – The number of a course is indicative of its academic level... 100-400 are undergraduate level, 500 level may be utilized for undergraduate or graduate credit depending upon the department. Courses numbered 600 or above are graduate level courses.

**Course Repeat** – Students should be aware that course repeats, for any reason, may not be looked upon favorably by some employers and by professional schools. Hence course repeats should be avoided. After seeking counsel of an academic advisor, students may repeat any course an unlimited number of times in order to achieve a passing grade or an improved understanding. **A maximum of five course repeats may be excluded from the calculation of the student's Grade Point Average.** The student must declare the course repeats before the end of the regular registration period for the semester in which the course will be repeated. Consult the UAH catalog for the complete course repeat policy statement.

**Grades** – Students may receive their grades through a touch tone telephone and a convenient 1-800 number (1-800-528-3408). Grades will be available to you 24 hours a day, 7 days a week, starting 24 hours after the last final exam. You will be mailed a grade report after final examinations end. The student assumes special responsibilities whenever a grade of "I" or "X" is received. See the UAH catalog for details.

**Graduation** – Undergraduate students planning to graduate at the close of Spring Semester must submit an application for graduation by October 1, Summer Semester due February 1, and Fall Semester due June 1 of the year you plan to complete your degree requirements. Graduate students should contact Office of Graduate Studies for application deadlines.
