11:30-2:00pm  
3:00-5:30pm

Classes which meet only one evening a week have 15 sessions scheduled. Last class day will be the final exam.

Note: During each semester, one or more announced examinations of class period length may be held. At the end of each semester, a final examination period is scheduled for each course. Absences from a scheduled final examination without previous arrangements with the course instructor (except in extenuating circumstances) will be classified unexcused and a failing grade in the course will be assigned. For further information refer to the UAH catalog.

There should be no deviation from the announced final examination schedule. A student with three exams scheduled in one day has the right to have the middle exam rescheduled by mutual agreement between student and instructor and must be agreed upon by the end of the final week of classes.
