ACADEMIC ADVISEMENT

Each student has the primary responsibility for planning his/her own academic program and registering for classes. The UAH catalog should be consulted for prerequisites. Academic advice from faculty members is available to all students seeking such assistance. Appointments are scheduled through the academic departments and should be done in advance of registration to allow time to discuss interests and goals.

Advisor approval is required either in the form of a signature on registration forms (for on-campus registration) or by having a WEB access number assigned (for WEB registration). Signature or access numbers are obtained as follows:

Academic Advisement Center, 824-6290, clayj@email.uah.edu

University Center, Room 200 – Will advise and register Conditional, Undeclared, Non-Degree, Early Start and Dual Enrollment students. All Conditional, Undeclared, Early Start and Dual Enrollment students must have an advisor's signature to register.

RE-ENTERING STUDENTS – should complete necessary paperwork in Charger Central, University Center, Room 118.

REGISTRATION

Advising and Registration – is for currently enrolled students. A full week of advising registration is available approximately eight weeks before each semester begins and again two or three days before the beginning of classes each semester. Check the calendar for dates. Academic advisors are on hand during Advising Registration to aid students with their schedules.

Open Registration – is for students with a Program of Study on file in the Student Records Office and/or are not required to see an advisor each time you register. Students who have met with an advisor may be given an access code allowing them to Web register. Open Registration can be conducted in person or on the web.

Spring Semester Open Registration Dates: November 6, 2000 – January 5, 2001

SPRING 2001

Classes which meet only one evening a week have 15 sessions scheduled. Last class day will be the final exam.

Note: During each semester, one or more announced examinations of class period length may be held. At the end of each semester, a final examination period is scheduled for each course. Absences from a scheduled final examination without previous arrangements with the course instructor (except in extenuating circumstances) will be classified unexcused and a failing grade in the course will be assigned. For further information refer to the UAH catalog.

There should be no deviation from the announced final examination schedule. A student with three exams scheduled in one day has the right to have the middle exam rescheduled by mutual agreement between student and instructor and must be agreed upon by the end of the final week of classes.

GRADES ARE AVAILABLE ON THE WEB. LOG ON TO WWW.UAH.EDU
