From the Editor:

This 20th volume, number 4 is the *Quarterly's* Index Issue—its first. Members keeping old issues will find the index a handy reminder and guide to the rich array of informative articles available to them through their membership over the years.

We close this anniversary year also, with the celebration of the wonderful renovation of the sanctuary building of the Congregation B'nai Sholom. "Dedication" is the word that best describes the work of the Renovation Committee. Thanks go out especially to Alfred Ritter, Revelle Gwyn, Sol Miller and Henry Marks. Harvie Jones' eloquent article truly reflects the beauty of the renovated building. Margaret Anne Goldsmith Hanaw's loving tribute to her great-grandfather; Isaac Schiffman, the chairman of the original building committee, is testimony to one man's service and contributions to this and the broader community and to the brotherhood of all mankind.
